

POLLUTION OF STATE STREAMS IS CONDEMNED

William B. McCaleb, Pennsylvania Railroad Official, Says Problem Is Acute

Atlantic City, N. J., Oct. 23.—"Many industries contribute to the pollution of streams in Pennsylvania. By far the worst offender is the great coal mining industry—the basis of our industrial prosperity," declared William B. McCaleb, general superintendent of water companies of the Pennsylvania Railroad lines and a member of the Board of Game Commissioners of Pennsylvania, addressing the opening session of the twenty-fourth annual convention of the Pennsylvania Water Works Association at the Chalfonte.

Continuing, he said: "In general it can be said that practically all streams lying within the developed regions of the coal measures are incapable of any ordinary use in their present condition, as mining in the past has been carried on without reference to these streams. In particular the Monongahela, Conemaugh, Lehigh and Schuylkill can be cited as notable examples. All the facts at hand show that, regardless of the best of a bad condition, coal mine drainage inevitably destroys water supplies. "Owing to the widespread pollution in the coal regions, it is necessary in many cases to use very hard water, but this should be considered as simply showing what can be done in making the best of a bad condition, and no industry should be permitted in the future to pollute a stream so seriously as to put an undue burden on another industry, particularly when the latter is also of prime importance. Even should the discharge of mine water into all streams be discontinued at once, pollution would not stop for many years, due to the effect of acid deposits in the stream bed. Problem Has Become Acute "The problem has become acute

in Pennsylvania only because of our more intensive industrial development. The necessity of a satisfactory solution as a matter of public interest seems self-evident. Pennsylvania has an efficient State organization, with all the departments endeavoring to restore forests and the Game and Fish Department endeavoring to maintain and restore the game and fish. The State may, in time, restore the streams to their pristine condition."

Failure to adequately compensate executive officers, charging the bill under operating expenses, is one of the "universal shortcomings" of utility corporations engaged in the purveying of water throughout the Keystone State, J. N. Chester, of Pittsburgh, told the convention. J. H. Purdy, president, in his address, spoke upon "Effects of Reconstruction Upon Water Companies."

Officers were elected as follows: President, W. C. Hawley, Wilkes-Barre, Pa.; first vice-president, W. R. Rohrbach, Sunbury; second vice-president, W. H. Miller, Jr., Reading; secretary-treasurer, F. S. Purviance, Pittsburgh. Members of the executive committee, C. La Rue Munson, Williamsport; Montgomery Evans, Norristown; A. W. Lee, Clearfield; J. T. Taylor, Beaver Falls; S. H. Hicks, Wilkes-Barre; J. H. Purdy, New York, and J. F. Horo, Vandergrift.

TO OPEN EMBASSY London, Wednesday, Oct. 22.—Announcement is made that the mission of Walford H. M. Selby, to Berlin, will be the reopening of the British embassy and the re-establishment of diplomatic relations between Great Britain and Germany. This will be followed by the appointment of a regular British charge d'affaires and the subsequent selection of an ambassador to Germany.

IS CHARGED WITH TRAFFIC VIOLATION Robert Rosenberg, city lawyer, will be given a hearing in police court this afternoon, on a charge of violating the city traffic ordinances. Beautiful in form and color, trees inspire constant appreciation of nature. Plant them.

PIMPLY? WELL, DON'T BE People Notice It. Drive Them Off with Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights. Cleanse the blood, bowels and liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel; there's no sickness or pain after taking them. Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating. No one who takes Olive Tablets is ever cursed with a "dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face. Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color. Dr. Edwards spent years among patients afflicted with liver and bowel complaints, and Olive Tablets are the immensely effective result. Take one or two nightly for a week. See how much better you feel and look. 10c and 25c.

500 Pairs Women's SHOES Wonderful Values \$5.95

One test of the quality of these shoes is their weight. Make this test. These shoes are of real leather—not trashy substitute—and their low price is considerably under the market. Several desirable models in dark tan, calf and kid and black, fine leathers. One has long and slender lace boot style with medium heel. Others have different and more conservative toes. Stylish shoes that are strong for comfort. This is a most unusual offer. Frankly we priced these to greatly advertise the fact that Dandy-Line Shoes are the best value sold in Harrisburg.

ONE FATALLY SHOT WHEN POLICE BREAK UP ATTEMPTS AT ARSON BY STRIKERS

Youngstown, O., Oct. 23.—One man was fatally wounded and another seriously injured when police broke up alleged attempts at arson by striking steel workers early today. Joachim Magapano will die, while Giuseppe Fagio, who was shot above the heart, is in a critical condition. A group of striking Serbians and Italians held a secret meeting in Erie Hall and decided, it is alleged, to burn the houses of several men who continued to work, if their threats of violence were not heeded. Learning of the plan, police lay in wait for the strikers. Three Serbians had set fire to one house before they were caught, and a group of three Italians was surprised attempting to fire two houses. All are under arrest on various charges, including carrying concealed weapons and attempted arson. The Erie Hall Steel Company and the Republic Iron and Steel Company are each preparing to light another blast furnace to-day. The Erie Hill Company expects also to put two more open hearth furnaces in commission during the day.

Dress Making

Prostrated Miss Allen. Vinol, our Cod Liver and Iron Tonic, restored her working strength.

Miss Allen's Statement New York City.—"I am a dressmaker. I overworked, got all run-down, tired out, and had no appetite. After taking various tonics a friend told me about Vinol. I tried it and I gained so rapidly by its use that I feel like a new person and I am now keeping up my work with ease."—Miss Lucy R. Allen. We guarantee Vinol, which contains beef and cod liver peptones, iron and manganese, peptonates, and hypophosphites, to strengthen and build up weak, run-down, over-worked women. NOTE:—Your leading druggist has for many years specially recommended Vinol because he knows there is nothing better than this famous Cod Liver and Iron Tonic to create strength and build one up. The formula of Vinol is on every label. GEO. A. GORGAS, J. NELSON CLARK, KENNEDY'S MEDICINE STORE, KITZMILLER'S PHARMACY, C. F. KRAMER AND DRUGGISTS EVERYWHERE.

When you've cleaned your desk and called it a day, try a cool, sparkling Birchola. It kills fatigue. To counteract adverse conditions of city life plant more trees.
