

STEELTON PAIR IN VAUDEVILLE

Bobby and Darse Roberts Appear Before Capacity Crowds at Majestic

Mr. and Mrs. Humphrey Roberts, of Steelton, billed in their start on the vaudeville stage as "Bobby and Darse Roberts," made their first appearance yesterday before capacity crowds at the Majestic. After each number presented by them, the audiences applauded for minutes, the audience's popularity. Within a few weeks they should be one of the most popular teams on the vaudeville stage.

Their song numbers last night included "Tell Me," "Macushla," "Carolina Sun Is Shining" and two other excellent numbers, with a selection by Mr. Roberts on a "clarinet" violin for an encore.

Bert and Lottie Walton open the program with a variety of good dancing, and are followed by Mr. and Mrs. Roberts.

George Roland and company present a comedy sketch, "Fixing the Furnace," most of the comedy being furnished by the facial expressions of Billy Kelly, who appears as Mike, the helper, who comes with George to fix the furnace.

Ford and Cunningham have a bit of repartee and song, with Ford presenting a short monologue of "Identical" informant about the kind of society they can enter. The Gorgalis Trio are last with some fancy shots at all kinds of angles, winning for them the title of expert marksmen, given them on the program.

MAX ROBERTSON

Chest Colds Go Overnight

The quickest and safest way to end the pain, reduce the inflammation and clean the stuffed-up tubes of mucous is to rub over

BEGY'S Mustarine

Just before you go to bed. For Sore Throat, Coughs, Bronchitis, Pleurisy and Tonsillitis it ends the misery in half the time it takes liniments, poultices, plasters or any other counter-irritant.

Be sure it is Begy's Mustarine—always in the yellow box. Thousands call it the quickest pain killer on earth—Money back if it isn't! Always in the yellow box—30 and 60 cents.

S. C. Wells & Co., LeRoy, N. Y.

GAS IN THE STOMACH IS DANGEROUS

Recommends Daily Use of Magnesia To Overcome Trouble, Caused by Fermenting Food and Acid Indigestion

Gas and wind in the stomach accompanied by that full bloated feeling after eating are almost certain evidence of the presence of excessive hydrochloric acid in the stomach, creating so called acid indigestion. Acid stomachs are dangerous because too much acid irritates the delicate lining of the stomach often leading to gastritis accompanied by serious stomach ulcers. Food ferments and sours creating the distressing gas which distends the stomach and hampers the normal functions of the vital internal organs, often affecting the heart.

It is the worst of folly to neglect such a serious condition or to treat with ordinary digestive aids which have no neutralizing effect on the stomach acids. Instead get from any druggist a few ounces of Bisurated Magnesia and take a teaspoonful in a quarter glass of water right after eating. This will drive the gas, wind and blood right out of the body, sweeten the stomach, neutralize the excess acid and prevent its formation and there is no sourness or pain. Bisurated Magnesia (in powder or tablet form—never liquid or milk) is harmless to the stomach, inexpensive to take and the best form of magnesia for stomach purposes. It is used by thousands of people who enjoy their meals with no more fear of indigestion.—Advertisement.

"Gee-Whiz! How it Hurts—The Pain in My Foot!"

"Sometimes it is in my arm. Merciful Heaven, how my back hurts in the morning!" It's all due to an over-abundance of that poison called uric acid. The kidneys are not able to get rid of it. Such conditions you can readily overcome and prolong life by taking the advice of Dr. Pierce, which is "keep the kidneys in good order." "Avoid too much meat, alcohol or tea. Drink plenty of pure water, preferably hot water, before meals, and drive the uric acid out of the system by taking Anuric." This can be obtained at almost any drug store.

Send a bottle of water to the chemist at Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., and you will receive free medical advice as to whether the kidneys are affected. When your kidneys get sluggish and clog, you suffer from backache, sick-headache, dizzy spells, or twinges and pains of lumbago, rheumatism or gout; or sleep is disturbed two or three times a night, take heed, before too late. Get Anuric (anti-uric-acid), for it will put new life into your kidneys and your entire system. Ask your nearest druggist for it or send Dr. Pierce ten cents for trial package.

LONG FIGHT ON TREATY FORECAST

Bitter Debate on Senate Floor Over Changes Seem Assured

Washington, Oct. 24.—The situation to-day seemed to forecast a prolonged fight on the Senate floor in an effort to modify the changes in the Peace Treaty now being formulated in the Senate Foreign Relations Committee.

Four more reservations were approved by the committee yesterday as part of its new program for qualified acceptance of the Peace Treaty. Its action brought the number of reservations approved by the committee up to fourteen, and while it was said no more were to be considered for the present, it is considered likely that there will be additional Senate consideration of the Treaty proceeds.

The four accepted by the committee majority yesterday provide for decision by the Congress as to whether shall represent this country in the League of Nations and as to what other international representatives shall be chosen under the Treaty; for validation of proceedings relative to enemy property only insofar as such proceedings do not violate the laws of the United States; for renunciation by this government of any part in the German colonies; and for a blanket provision to "conserve the national honor and vital interests" of this nation.

One of the subjects on which reservations still are to be drafted is the equality of voting power in the League; action being delayed until the Senate has acted on two pending committee amendments dealing with voting strength in the council and assembly. One of these by Senator Johnson, Republican, California, was debated in the Senate all yesterday and may be brought to a rollcall to-day. It generally is conceded that both will be defeated.

George W. Elkins Dies From Stroke

Philadelphia, Oct. 24.—George W. Elkins, financier and philanthropist, died at the Philadelphia Country Club late last night from apoplexy with which he was stricken yesterday while playing golf. He was 61 years old.

Mr. Elkins, who was a son of the late William L. Elkins, the traction magnate, had not been well for several weeks, but felt so much better yesterday he decided to go to the Country Club for a game of golf. He had been on the course but a few minutes when he was stricken.

Although heavily interested in a large number of financial and industrial concerns, Mr. Elkins in recent years had devoted most of his efforts to charity.

EDISON JUNIOR HIGH SCHOOL NOTES

A few evening ago a jolly crowd from section 7A-3 gathered at the Walnut street entrance to Reservoir Park and hiked from there to Spooky Hollow. The group started about 6:30 and when they arrived at their destination they built a regular campfire about which they roasted doggies and toasted marshmallows. The threatening rain seemed to but add to the sport. Gladys McAllister, Elizabeth Shoemaker, Dorothy Lutz, Tibertus Ziegler, and Norman Basashore, accompanied the class as their guests.

The members of the class who participated in the hike were: Dorothy Bankes, Edith Benner, Mildred Bowers, Florence Earp, Mildred McLaughlin, Margaret Nye, Margaret Rydeberg, Kathryn Shoemaker, Harkens Brightbill, Robert Edwards, Charles Eisenhower, Dale Fohl, Donald Geary, Pierson Jones, Gilbert Morrissey, Frank Myers, Paul Saum and LeRoy Zeigler. The hikers were chaperoned by Clyde Smith and Miss Marion Lutz.

During the special activities period Thursday section 9B-7 rendered a brief Arbor Day program. Miss Leonard presided over the Arbor Day celebration of State Superintendent Dr. Thomas E. Finegan, Miss Anna Harlacher recited Bryan's Forest Hymn, Edith Benner read a selection on the "Value and Use of Trees." During the same period section 9B-6 held a debate. The question for debate was, "Resolved, That Washington is a greater statesman than Lincoln." The affirmative speakers were Wilmer Powers and Stanley Pardy. The negative speakers were Howard Palm and Clair Strickler. The judges, Miss Marion Lutz, Miss Blanche Meloy and Mr. Albright, decided in favor of the affirmative speakers.

A student committee working in conjunction with a faculty committee are considering the selection of a school banner. This committee meets in room 27 Monday at 1 o'clock. The students on this committee are: Geo. Snyder 9B-7, Margaret Rauch 8A-5, Winifred Weiland, 3B-3, Dale Fohl, 7A-3, Blanche Lutz, 7B-2.

A group of students from sections 9B-6 and 9B-3 held an outing along the banks of the Conoquoque creek Wednesday evening. They were chaperoned by Miss Blanche Meloy and Miss Olga Meloy. The party journeyed by trolley to Camp Hill and from there they hiked to the creek. The party built a large campfire around which they served a supper. They also roasted doggies and toasted marshmallows. When their hungry appetites were appeased the two classes lined up in a tug of war. Neither party could convince the other that they had won. The shadows from the campfire started the imaginations of the party and they indulged in ghost stories.

When the company was ready to start for home they formed a bucket brigade and drenched the place where they had had the fire. A passing farm wagon offered a convenient way of getting to Camp Hill, and everybody arrived there in a happy frame of mind.

TWO MORE PLANES WRECKED

Chicago, Oct. 24.—Little progress on their homeward flights was in prospect to-day for the five Army aviators who remained in the twice transcontinental reliability and endurance race. Unfavorable flying conditions in the west promised to hold back the four men who remained in that section, while Lieutenant H. W. Sheridan, 810 miles from his goal, faced a day's layover at Chicago to complete engine repairs.

PAY FRATERNAL VISIT

Twelve members of Washington Camp, No. 390, of Millersburg, paid a fraternal visit to the hall of Washington Camp, No. 8, Third and Cumberland streets, last evening. The quart team of the upper end camp were with the delegation and gave the Harrisburg team a hard chase for honors, the final score being 7-5. The Harrisburg team tallied 155 points as compared to Millersburg's 145. Past State Guard J. L. Porter, of Camp 424; Ex-District President Elmer Duncan and John Mathias, of Camp 525, were included in the 60 persons present. Short talks were given by Messrs. Heckert, Porter, Duncan, Meek and Mathias. Camp 8 has now claimed the quilt championship of Dauphin county

and will defend its title at Highpiper on October 31.

SHIPPING ALLIED CRAFT By Associated Press. Flume, Thursday, Oct. 23.—A lively movement of allied war craft stationed in Adriatic ports is in progress. The United States torpedo boat Foote, which has been stationed here, has been ordered to Spalato and left this evening. Similar movements of British and French warcraft are occurring. The Associated Press correspondent was informed to-day by an American naval commander that the movement was probably connected with the Flume situation.

HELD FOR THEFT

Charged with the larceny of a coat by Mrs. J. M. Whitlock, of Hummelstown, from an automobile, Mitchell Taswell was held under \$300 bail for court by Alderman DeShong in police court yesterday afternoon.

LONG HIKE IS OFF

Private Andrew J. Hill, of the Harrisburg recruiting station, who set out to walk to Pittsburgh, has returned home by train after being forced to abandon his hike because of a sprained ankle.

HIT BY TRUCK

Struck by a delivery truck at Third and Walnut streets yesterday, Ralph Huston, 208 Liberty street, suffered a fractured left leg. He was riding a bicycle.

THREE SHIPS EACH DAY

Washington, Oct. 24.—Averaging more than three a day, a total of 22 vessels were launched during the week ending October 18, according to the weekly launching report of the Emergency Fleet Corporation.
