John Thompson Is Elected Fill Place of Charles Krause, Resigned

To add to scouting interest new activities are being planned and the social committee of Troop 13 is busy. John Thompson has been elected scribe in place of Charles Krause, who said he could not fulfill his duties properly and give the work the necessary time. John Thompson has as his assistant, Charles Alex-

has as his assistant, Charles Alexander.

After the meeting the boys adjourned to the gymnasium. The first event was the spring high jump won by the Wolf Patrol with twenty-eight points. The Eagle Patrol took second place with twenty-three points. Donald McCammant, of the Wolf Patrol, jumped six feet, one inch, the record for that evening. The next stunt was the chin up, won by the Wolf Patrol with twenty-four points. The Owl Patrol came in second, winning by twenty points. Charles Krause, of the Wolf Patrol, and Russell Huber, of the Hound Patrol, won the record of the evening in this event by chinning fifteen times.

The next event was the Hussel ball, won again by the Wolf Patrol. The relay race, which came next, was also won by the Wolves, the Cobra Patrol coming in a close second.

After these events, the first and

After these events, the first and second basketball teams were mixed together and practice held. This is only one of the means by which scouting is made interesting to

#### Troop 11 Invited to Hallowe'en Party

Last Friday evening Troop 16 visited us at our meeting, and also invited us to a Hallowe'en party to be given in Bethlehem Lutheran Church this evening.

All boys are to report at the church not later than 7.10 p. m. They also must bring a hatpin, a needle and some thread, as it will be used during the evening's entertainment. Different boys were told to take certain things to the church this afternoon, such as a clotheshasket, a crock, a broomhandle and some rope, as they would also be used in the fun.

We all are anticipating having an evening full of fun and good times with Troop 16.

C. L. REBUCK, Scribe.

#### Gold Star Covered With Gold by Troop 2

Troop 2 fired her last shot yesterday when Scoutmaster D. F. Rumpf paid twenty dollars in gold to the treasurer of the Soldiers' Memorial Fund. The money covered the gold star of Jacob Smith, 405 Walnut street, who died from an attack of spinal meningitis on his return to camp from a furlough.

Troop 2 is the first troop to answer the last call of the war. This troop has not always been the first in every undertaking, but that was owing to the fact that we went along quite a while without a scoutmaster, but nevertheless No. 2 held up its own during the war and we emerged from war service with many medals and other honors to our credit. Now since we have an efficient scoutmaster we expect to come out on top of the heap every time.

time.

Some may wonder at the fact that Troop 2 covered a star belonging to one outside of the troop, but we can answer this by saying that our treasury is substantial enough to cover the three stars of our former scoutmasters and we would have done so very willingly if they had not already been covered by others before.

BERNARD KOPLOVITZ, FRANK FISHMAN, Scribes.

#### Troop No. 2 Passes Second Class Exams

Under the leadership of Scoutmaster Rumpf, Troop No. 2 hiked to the mountains above Rockville. The hike proved to be a very successful one, as everyone present passed their outdoor second class examinations which consist of a tracking a mile in 12 minutes, making a fire without paper using only two matches and cooking. #### Don't Spoil a Good Meal With a Bad Stomach

With a Bad Stomach

If a physician, a specialist in stomach diseases, came to you and said:
"I will fix up that miserable, worn out stomach for you or move, worn out stomach for you or move you will not suffer from any six-ses and can eat what you want without fear or suffering, or money back."

Would you turn down his offer?

And when you are offered Mi-o-na stomach tablets, made from a prescription better than many of the stomach specialists know how to write, are you going to be narrow-minded and continue to suffer from indigestion, or are you going to be fair to yourself and try Mi-o-na on the money-back agreement.

Mi-o-na stomach tablets are offered to you on this basis, that if they do not put your stomach into such good shape that there is no dizziness, sour stomach, biliousness, sick headache, and stomach dail leading druggists.

## THINK TEST IS EASY, ALL BUT ONE FAIL

Seventeen Cubs were on the job last this will be made at the meeting. Friday. The greater part of the meeting was taken up by a quizz on Wolf Cub work. Bob Cunkle's team won 11 to 7. After the meeting, five fellows tried the Tenderpad test, but only one got by. The test is easy. Perhaps that is the trouble—too easy to require very much effort, and so the effort isn't made—with the result that four fellows failed to pass. Plans for our hike are coming along well, an announcement concerning

and whiskers as visible signs that they won their recent strikes. One of the demands was the right to wear bristly adornment on their faces. Now, every breeze plays through their perfumed mustachios and beards.

# POSSIBLE CHANGE IN GOVERNMENT

Defeat of Amendment to Alien Bill May Cause Ministry

The announcement of the figures was greeted with loud cheers from the opposition quarters and caused much excitement: Andrew Bonar Law immediately moved adjournment of the House until Monday to enable the government to consider what course it should adopt. He admitted that the defeat of an amendment with government whips was a serious matter, requiring consideration, but he declined to admit that it necessarily implied the resignation of the ministry. This, he declared, would depend upon the whole.
