*ALLENTOWN DUNDEE IS GIVEN HARD BATTLE BY TIM DRONEY --- TECH IN HARD GAME

TECH SQUAD IS **SURE OF VICTORY**

Where Hard Battle Is Anticipated

Twenty members of the Tech High School football squad left Harrisburg this morning with over 100 rooters for their big game of the season with the Mercersburg Academy. It is without doubt the biggest quarry Tech High has ever gone against as the Franklin county lads have a reputation throughout the entire country. Harrisburg also sent many rooters. Beck, Wilsbach, Lingle and Garrett are the quartet upon whom Coach Smith will depend to bring back the victory. The team will return to this city at 6.20 to-night and will be met by those unfortunate enough to have missed the contest. Even though the score should go against Tech it will not interfere with the Maroon's claim to the High School clasm, But Tech expects that the same thing will happen to Mercersburg as has happened to the cher four teams this season, although Mercersburg is expected to hold the locals to the lowest tally of the season. The reserves were pitted this afternoon against the Carlisle Hospital at that place. Probable lineup at Mercersburg:

the Varsity Another Battle;
Practice Monday Afternoon

The veteran Alumni football team of the Harrisburg Academy will make its second appearance of the season on the Academy field next Thursday afternoon, when it will play another team. The squad of Alumni players will begin their strenuous schedule of training to-morrow.

Jack Boyd, as formerly, will lead the team from his fullback position. A new member of the back field this time will be "Sam" Fleming, well known star of Lawreneeville and Princeton, who has not played foot ball for 15 years, but wants to get back in the game. Shorty Miller, Academy 1492, will be at the quarterback position again, and John Herman will make up the fourth member of the backfield.

In the line Ross Jennings and "Bill" Stackpole will be on the ends, with george Comstock and "Dick" Robinson at the tackle position. Bill Jennings will play center and "Fat" Bennett and "Ed" Sourbier will fill in at the guards. Much interest is being manifested in the game. The first practice will be held Monday afternoon at 4.30 on the Academy field.

Say Eli Practices Too Hard Some persons refuse to consider the Army as a factor and attribute the cause to overtaxing the players in practice. This has been the chief criticism against the Sharpe regime at Yale. Followers of the Eli have been pointing to Pennsylvania, where Coach Bob Folwell practically has abandoned scrimmage practice as an indication that the severe practice sessions favored by the new Yale coach are not necessary.
Injuries at Harvard cannot be blamed upon over-severe scrimmages, however, as Bob Fisher has been lenient in his workouts.
Some Harvard backers believe it is the unusually heavy punch of the offensives this fall, rather than poor condition of the former soldlers, that will cause practically all of the big teams to be a good one. Bucknell Places Big Hopes on Harrisburg Tech Star

Lewisburg, Pa., Oct. 25.—Bucknell's varsity eleven is traveling a fast squad of several casuals who have strengthened the line and backfield, and the shift of Ebner from quarter-back to left halfback has greatly increased the offensive power of Coach Reynolds' outfit.

Captain Hendren's injury has cost the team its best line plunger and one of the best interferers on the squad. But with Ebner in his place, the backfield has gained the fastest man on the field. Although he weigh twenty pounds less than Hendren, Ebner can clip out interference equally well.

Reynolds' men, so far, have played four games. They lost with Pennsyl vania and Penn State by sor that were low enough to satisfy the college and its alumni. Verries were recorded over Blomsburg Normal and Mithlender 27 to 0. This early season showing is more satisfactory the Navy, Syracuse, Gettysburg and Dickinson on foreign fields and with Susquehanna at home, Buck-rell's team is in splendid shape for the remainder of the schedule. remainder of the schedule

Benny Kline, Cage Star to Play With Independents

There will likely be one or two new faces in the lineup of the Harrisburg Independent basketball team on the opening night of the season next Saturday, November 1. One of these will probably be Benny Kline, the South Front street youth, who made quite a record for himself as forward and captain of the Minne apolis Knights of Columbus squad last winter.

Kline is a Jewish boy and has a large number of friends throughout the city. He has figured in the lineup of several local combinations, playing one season with the Rosewood Club. It was this team that showed up strong and in a match with the Independents of that year won out by a close score.

Oh, Boy! Didn't the ol' town loom up for th' King yesterday, tho?

That demonstration proved it's all bunk about th' unpopularity of all Kings.

It's up to th' King himself. If he's sufficiently democratic; if he's on th' level with himself an' his people; if he's a reg'lar HE-Man, he needn't worry none about his popularity.

That's the way it is with two Kings I knows of: King Albert an' King Oscar.

K. O., that good ol' homey smokecomforter, is about as democratic as can be; he's on th' level with himself an' his smokers; an' as f'r bein' a reg'lar HE-Man's smoke, there ain't nothin' near like him, I'm tellin' you.

I repeat, K. O. is th' sort o' smoke you can nestle up to without no twinge o' conscience, an' I know!

P. S .--

Sometimes we hear a man say he likes a "mild" cigar. He's wrong. Not mild. What he wants is a SMOOTH cigar. That's King Oscar. Made of nature-mellowed Havana filler and all-Sumatra wrapper, K. O. couldn't be anything but smooth.

And to insure K. O. against the loss of that smoothness, we've bought ahead of production until now, our warehouses are packed to the bursting point with 1918's crop -the crop on which Nature smiled so broadly. But while the crop was not large, the quality-super-quality -was there. So you see, Mr. Smoker, your smoke-comfort is assured for many, many moons.
