

CONTRIBUTIONS TO WAR MEMORIAL ARE RECEIVED

Many More Names of Soldiers Who Served Are "Covered" in Fund

Notwithstanding the fact that Harrisburgers failed to subscribe the entire \$70,000 needed for the erection of a permanent memorial in honor of the veterans of the World War from Harrisburg, there is no doubt that the memorial will be erected, and in conformity with the present plans which require an expenditure of about \$70,000.

Contributions still are coming in, and Harrisburgers still have the chance to materialize their sentiments in favor of a soldiers' memorial by depositing at the headquarters in the Chamber of Commerce, with Treasurer Stanley G. Jean, funds for the memorial. These may be for any sum, from \$1.00 up, or for any soldier. As soon as twenty dollars have been published, funds contributed to the general fund will be credited to some soldier's name, and his name also will be published.

The following are the service men and women whose names have been covered in the memorial campaign: Joseph W. Armstrong, Arthur E. August, Edgar R. Barnes, C. Lester Bay, Clarence Beck, George H. Beck, Elva D. Bitner, Ira W. Blount, Charles J. Boudin, Robert W. Broude, Harry F. Broude, Edward Hudson Bucher, Thomas D. Caldwell, Raymond Coble, Robert Pitt Cox, John W. Cullins, John B. SPORTING NEWS

Have Strong Cage Team to Start in Three Weeks

According to reports from Elizabethtown, Manager John Breckenridge will get into the basketball field with a strong team. He is on the opinion that the Klein Chocolate Company team will show up favorably in the cage game, and he will be sure to meet all comers after this week.

It will be the first time that the Chocolate Company has had a representative five on the floor. Breckenridge has full charge of the team and will treat the fans to the best basketball possible. Already he has arranged for several college boys and has strings out for several college boys in this section of the woods.

The curtain will be rung up for the season on either the night of November 22 or Thanksgiving night when the Klein team will clash with Frank Quay's Golds case team. The game is to be played at Elizabethtown.

Breckenridge has completed his lineup which is an all-star one. Two local stars will be in the team. They are Jit Evans and Bill Jones. Evans is one of the best forwards in this section of the country. He is a high school and college star and later played with John Hiemenz Auditorium five. While with the latter team he received numerous honors from various Eastern League teams. Bill Jones is also a star in the cage. He played with the Franklin and Marshall team and with the Auditorium five. Other players signed up for the team are Gerdes, one of the best centers in Harrisburg; Benny Shirik and Shank, the latter pair from Elizabethtown, and Carl Broude, a promising center star and one of the best prep school athletes in the country.

This lineup compares favorably with the best in this section of the country and the fans are anxious to see it get into action.

Rabbit Season Approaches; Local Hunters Are Busy

Local hunters are preparing for the opening of the rabbit season on Saturday. The season will run until December 15, and hunters will be privileged to take ten in one day and forty in one season. That rabbits are plentiful is assured. Hunters now report rabbits in abundance.

One does not have to go far away from home to get this game. This is one reason why so many hunters get after the cottontails early and often. They are to be found almost anywhere outside city limits. Cooler weather will make the rabbit season more desirable. Hunters do not like to kill any game if the weather is very warm. Some rabbit hunters prefer heavy snow.

At the local sporting goods stores it is said that the number of rabbit hunters will be greatly increased. There will also be in season commencing Saturday.

This Is Some Regular Gift Presented to Pat Moran

Fitchburg, Mass., Oct. 28.—Citizens of Fitchburg honored "Pat" Moran, manager of the world's champion Reds, at a recent banquet that was the culmination of a series of receptions that have been tendered him since he led the Reds to victory over the White Sox. Mayor Frank H. Foss, in behalf of the citizens, presented him with a gold to Moran on a silver platter.

Clemenceau Refuses Offer of New Office; Will Retire, He Says

Paris, Oct. 28.—In replying to the press, Oct. 28, as a candidate for the Chamber of Deputies to represent Bas Rhin (Lower Rhine, a French department which was formerly the district of Lower Alsace), Premier Clemenceau has written a letter, in which he says: "I am more touched than I can say by the friendly offer that I have received from the Gambetta. I would accept with pride this high post of honor had I not been warned by too many signs that the time has come for me to take the repose I have not known for a long time. The age I had reached when the vast joy of victory came, and the state of health which followed, obliged me to retire from political life."

Ban German Opera in N. Y.; "War Wounds Not Healed," Says Supreme Court Ruling

New York, Oct. 28.—The singing of German opera in the German language is banned in New York after the Peace Treaty is signed. Supreme Court Justice Giegerich yesterday vacated the temporary injunction obtained by the Star Opera Company, restraining the municipal authority from preventing presentation of opera in German at the Lexington Theater. The court declared that the "wounds of the war have not yet healed," and that the wisdom of Mayor Hylan's prohibition order could not be doubted. "Following the court decision, it was announced that the theater in the Star Opera Company would produce German opera in the English language. Rehearsals for the English version will begin at once, it was stated. Tickets were placed on sale for a performance to-morrow night."

Objections of Third Party Kept U. S. From Base

Madrid, Oct. 28.—Objections by a third party led to the refusal of Portugal to grant the United States a naval base in the Azores, according to information received here in well-informed circles.

Senor Cardoso, premier of Portugal, in a statement to the Associated Press Monday denied the truth of reports that Portugal had granted the United States the right to establish a naval base in the Azores. He stated that the United States had not asked for such a concession, but said it would have been impossible to have granted it, as it would give the United States a dominating position in the Archipelago.

New Cable Line From U. S. to Japan

New York, Oct. 28.—Negotiations for an all-Atlantic cable line between America and Japan have been concluded and the line will have been completed within two years, according to Clarence Mackey, president of the Commercial Cable Company, who arrived on the Mauretania from Southampton.

TO HOED SERVICE AGAIN IN RHEIMS CATHEDRAL SOON

Famous Structure, Shelled by Germans During War, to Be Repaired

Paris, Oct. 28.—After all, the Rheims cathedral has not suffered from German bombardments and fire so much as was at first supposed. Cardinal Lucon has told a representative of the Paris Intransigent. The Cardinal announced that divine service would be resumed in the cathedral from November 1, but the holy office will be restricted to the altar of the Virgin and the ambulatory around it. These will accommodate only about 1,500 persons. The interviewer describes how he met the Cardinal at Rheims in a simply furnished apartment of the archiepiscopal palace with a shell hole in the wall. Cardinal Lucon, despite his 77 years, is still hale and alert, and he is an optimist. "Destroyed, my cathedral? Why, no," he said. "The damage is much more easily repairable than is generally believed. A few ancient parts, it is true, cannot be replaced, but the beauty of the cathedral lay, first, in its stained glass; secondly, in its sculptures, and, thirdly, in its statuary."

Glass Saved "Of the stained glass, nine-tenths has been saved and brought to Paris. The remaining tenth will be restored by specialists, with the aid of much patience and a great number of colored photographs we have. As regards the sculptures, we shall use the numerous moldings we have of them. Many have had to be restored anyway in the course of centuries, such as, for instance, the large piece representing the Assumption. That was restored in 1875. "As for the statuary, we have so many moldings that it will be easy to reproduce the damaged parts. The pillars, with their ornamented capitals, have suffered little; only the two side doorways have been badly damaged by fire."

"Was there not some talk of leaving the cathedral as it was?" the reporter asked. "If the evidence of Teutonic barbarity have to be preserved, let them be kept in a private museum," replied the Cardinal gravely.

Bishop Burch Installed at Impressive Service in New York Cathedral

New York, Oct. 28.—Beginning with a procession of clergy the installation service for the Rt. Rev. Dr. Charles Summer Burch as the eighth Episcopal Bishop of New York took place promptly at 11 o'clock this morning at the Cathedral of St. John the Divine. The ceremony was the first of its kind in the cathedral, opened in 1911, three years after the installation of the late Bishop of New York, the Rt. Rev. David H. Greer.

The ceremony was filled with representatives of churches and city and State governments, which will include eleven bishops from the United States and Cuba, 200 clergy of the diocese of New York, and representatives from the various Protestant and Greek and Russian churches of the city, the faculty and students of the Theological Seminary of New York, Governor Smith, Mayor Hylan, the borough presidents of Richmond and The Bronx, Judges of the city courts, members of the Senate and Assembly of the State Legislature, army and navy officials, the British Consul and prominent laymen of the diocese presiding at the Holy Communion, assisted by Bishops Kinsolving and Brent, and afterward delivered his inaugural address.

In addition to Bishops Kinsolving and Brent, these bishops took part: Frederick Burgess, Long Island; E. S. Lines, Newark; J. H. Darlington, Harrisburg, Pa.; H. R. Hulse, Cuba; Paul Matthews, New Jersey; W. F. Stearly, Newark; E. C. Acheson, Connecticut; and Lemuel Wells, retired, Spokane, Wash.

First Aerial Derby Around the World Will Start July 4

Los Angeles, Cal., Oct. 28.—The first aerial derby around the world for prizes totaling \$1,000,000, is scheduled to start July 4, 1920, and end on or before January 3, 1921. Alan V. Hawley is president of the Aero Club of America, and a member of the commission which is making a tour of the world to locate control stations for the aircraft expected to participate in the derby.

MUSICAL BILL PLEASES MANY

Xylophone and Accordion Duets Enjoyed by Majestic Audiences

Xylophone and accordion duets are features of the bill at the Majestic for the first part of the week. A comedy sketch, comedy trio and novelty offering together with the movie serial complete the program.

Dixon and Mack open with some good xylophone selections and some dancing and made a hit last night with the audiences. "The Rosary" was one of the selections played by this pair. Lear Edmunds and Marr follow with some nonsense, songs and one of the trio gets much laughter from his facial contortions. Cold coffee in the morning isn't the most enjoyable thing to find on the breakfast table. It often causes marital troubles and "Cold Coffee" the comedy sketch by Bert Wilcox, Josephine LeCrosch and Wilcox is no exception.

Deane Bernard and Mabel Merritt present a fine program of accordion duets, saxophone and vocal solos, and a saxophone and accordion duet.

To close, Palfrey, Hall and Brown offer a novel comedy act, with a special scenic effect of Broadway at night. One of the company doing stunts on a unicycle furnished a sensation and won much applause. MAX ROBERTSON.

ENOLA READY TO HONOR VETERANS

West Shore Town to Pay Tribute to Men Who Served in the War

Busy committees are working hard to-day and have plenty more work for to-morrow in preparation for the home coming celebration to be staged in Enola on Thursday to welcome home the men and women of Enola and East Pennsboro township, who were in the United States service.

Sufficient funds have already been raised to insure the success of the event. R. H. Holmes, druggist, has been in charge of raising the funds. A big street parade, speaking exercises and a banquet to the returned service men, promise to be some of the outstanding features on the attractive program that has been arranged to honor the big list of men and women. State Senator Scott S. Leiby, of Marysville, will deliver the address of welcome in the afternoon while Lieutenant-Governor E. E. Beidleman is scheduled to make the principal address.

George H. Horning is chairman of the general committee; Banks E. Shull, secretary, and S. G. Hepford, treasurer.

Germany Provisioned With Big Food Stores

Berlin, Oct. 28.—Germany's economic prospects are more favorable, the country being provisioned with

corn, meats, vegetables and fish for a long time to come, according to a statement made by Herr Schmidt, minister of economics, who reviewed the situation before the National Assembly here yesterday. Difficulties are recurring, however, in connection with the importation of raw materials, he said, and Germany was declared to be selling its products too cheaply abroad. The minister foreshadowed a control of prices in order that a continuance of this condition might be prevented. Germany's principal anxiety, Herr Schmidt declared, was a shortage of coal.

Hugo Haase's Right Leg Is Amputated; Smashed by Bullet

Berlin, Oct. 28.—Hugo Haase's right leg was amputated yesterday above the knee. The operation was necessitated by the condition of the bone which had been smashed by a bullet.

Haase, who is the leader of the Independent Socialist party of Germany, was shot and wounded when entering the Reichstag on October 8. Several operations have been performed, and Herr Haase's condition is considered serious.

To Make Schwab Member of Pennsylvania Society

Chicago, Oct. 28.—Charles M. Schwab has notified the Pennsylvania Society that he will attend the annual dinner at the Chicago Athletic Association Monday, November 3. An honorary membership in the society will be presented to Mr. Schwab by Harry S. McCarty, senior life governor of the society and former president. Mr. Schwab will reply.

LETTERS TO THE EDITOR

A MEMORIAL HALL

Much has been said about honoring our soldier boys of the late war by raising \$70,000 for a memorial. Why not have an act passed by the Legislature to give every county in the State the privilege of levying a tax to build a memorial hall and have names of the soldiers inscribed in this hall. Thousands of people would go to this hall where, perhaps, one out of a thousand would go out to see the tablet. If these names were inscribed in a hall it would ever be before the people for ages to come, and I know if this was carried into effect that the G. A. R. would back me up. Now I do not talk this way because I had two grandsons in the Army and one across the waters, but I say this for the well being of all the people of Dauphin county.

Yours fraternally, W. W. DAVIDSON, 1412 North Sixth Street, Harrisburg, Pa. Post 58, G. A. R., a veteran of the Civil War.
