

MANY ANXIOUS TO PAY TRIBUTE TO ROOSEVELT

Heavy Enrollment in Memorial League Follows Big Mass Meeting

Braving one of the stormiest and most dangerous nights of the autumn season, a large audience gathered last evening in Chestnut Street Auditorium to pay honor to Theodore Roosevelt on the anniversary of his birth.

MONEY COMES IN FOR MEMORIAL

MONEY is coming in rapidly for the Roosevelt Memorial Fund. Everybody who gives a dollar becomes a member of the Roosevelt Memorial Association, and voluntary memberships are being solicited.

The meeting was opened with an overture by the Municipal Band, Frank Blumenstine conductor, followed by singing "America" and the bringing of the flag to the platform by a detail of veterans in uniform, commanded by Captains Henry M. Stine and John T. Brett.

Mr. Pinchot, for years one of Roosevelt's closest friends and head of the national forestry bureau, came to Harrisburg especially to preside over the meeting and to relate some of the interesting incidents in the

outstanding quality was that he knew men only as good or bad, their station in life, wealth or accomplishments meant nothing to him except as they went to show their true character.

Outstanding features of Roosevelt's remarkable personality, Mr. Pinchot said, was his courage, his ability as a fighter, his memory and his mental and physical endurance, and he illustrated his remarks with stories of personal experiences.

The Rev. Dr. William N. Yates, of the Fourth Street Church of God, spoke on the Roosevelt Memorial Association, and explained the purpose of the association to entrust the type of memorial to the family of the dead statesman.

"Would to Heaven," he said, "we had a man of Roosevelt's courage and strength of character to-day to say to radicals among the labor unions as he did in his day to radicals among capitalists, thus far and no further, which was received by an outburst of applause."

E. S. Nissley, Dr. Yates, said, has been chosen treasurer of the association, and will receive all contributions, which should be addressed to him at the headquarters, 231 Market street. Boy Scouts, who acted as ushers, took up the pledges and a largess was received, some of the contributions running as high as \$100.

Souvenirs Distributed. Other speakers on the program were the Rev. Dr. Robert Bagnell, pastor of Grace Methodist Church, who spoke on "Roosevelt in the Perspective," and the Rev. Dr. Henry W. A. Hanson, pastor of Messiah Lutheran Church, on "Roosevelt the American."

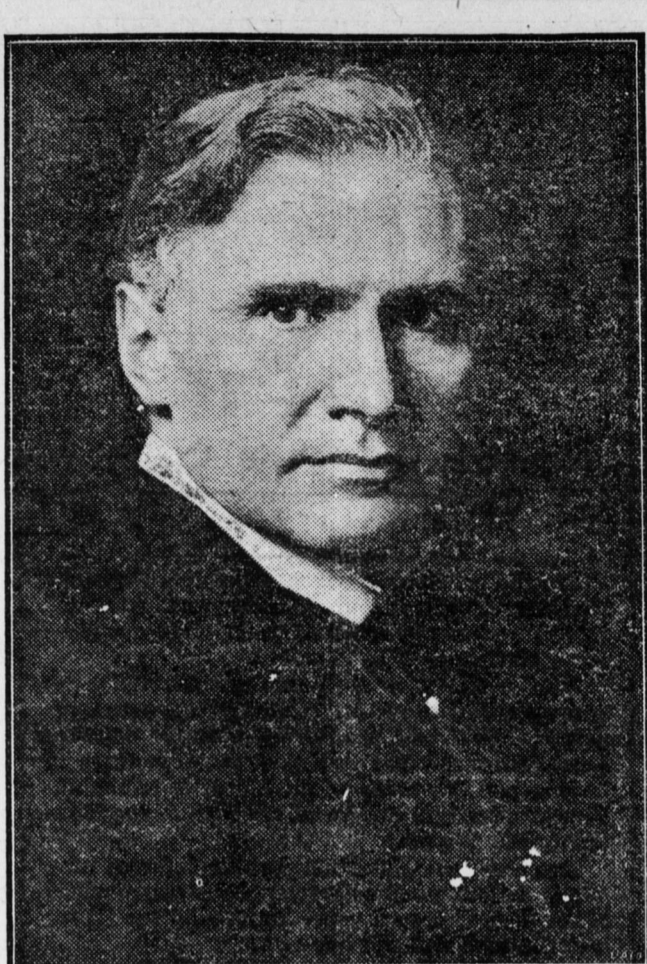

Mrs. Cox and Mr. Backenstoss, with Frank A. McCarrell, as accompanist, sang "Whispering Hope," and Mrs. Cox, James G. Sanders, John P. Gibson and Elmer H. Ley, with Frank A. McCarrell, as accompanist, sang "There Shall Be No Night There."

The meeting was concluded with singing the Star Spangled Banner. In addition to the souvenir program each person present was presented with a handsomely printed copy of "The Long, Long Trail" Roosevelt cartoon through the courtesy of the Harrisburg Telegraph.

The cauldron, boiled with the witches in attendance at Bogar's residence, Riverside, when the S. Society of '20 entertained in honor of the members of '18 and '19. The large hall, cleverly decorated with the class colors, corn stalks, autumn leaves and pumpkins was the scene of much merry-making, dancing and games being among the foremost. Peace Terms Will Stand Regardless of Action, Knox Says

Washington, Oct. 28.—Senator Knox, of Pennsylvania said that regardless of the action of other parties, the peace terms would stand as they were written for the nations first ratifying and for Germany. Under the treaty language, too, he continued, the nations not ratifying could resume on the date the treaty went into force their official relations with Germany.

Should the United States desire to derive other benefits besides the resumption of official relations with Germany, said the Pennsylvania senator, it then would be necessary for it to ratify the treaty.

Senator Watson said there was no occasion for the Republican party to make the treaty a partisan issue because, he added, the general sentiment everywhere was that the 1920 election already had been won by the Republicans on the war record of the Democratic administration.

CALLS PRESIDENTS TO MEET. Society Ladies Adopt New Hair Curling Method

Since the introduction of liquid allmerine in this country, it has become quite "the proper thing" among society women, who have readily adopted it in place of the destructive curling iron. The waves and curls acquired by the new method are far more natural in appearance and the hair is of course glossier and prettier than could be if the hair were cooked out of it. The liquid is pleasant to use, being neither greasy nor sticky. It is a simple thing to apply with a clean tooth brush at night when the hair is down. The lovely wavy effect in evidence in the morning is all that one could wish for. It costs little to use liquid allmerine, as a few ounces from the druggist will keep the hair in curl for weeks.
