CAGE GAMES TO START SATURDAY

Independents Open Season
With Strong Philadelphia
Five; Good Lineup

Indications point to one of the most successful basketball seasons during this winter that Harrisburg has ever experienced. With the contest Saturday night between the Harrisburg Independents and the St. Elizabeth five, of Philadelphia, on Chestnut Street Hall floor, the season will open officially, and numerous other professional and independent combinations of the district will get under way during the remainder of the month of November. The Independents are expected to again be the city's representatives in the cage game. Last season the club had little difficulty in upholding its status in local basketball circles, its large string of victories including defeats over all of its challengers from the city.

There were very few other professional teams in the city or county last year, and it will doubtless be the same way this season, for a majority of the naves that go on the floor are amateur combinations.

If the Independents are able to keep 'Big Boss' Haggerty in the squad during the season, there is reason to doubt that they will have a good year. Haggerty proved a big item in the team's strength last year, and from all reports he has improved in his play in so far as this year. With Haggerty at center, the team is helped considerably in signal play, for there are very few tip-off men who are able to out-jump the big boy.

Motorcycle Winners Get Many Valuable Articles; Harry G. Heagy in First

An official list of winners in last Sunday's motorcycle run has been posted. Six riders out of a total of 21 finished. The first prize was won by Harry G. Heagy. He received \$100 in merchandise.

His percentage for the race was 1000 and he drove a Harley-Davidson machine with a side car. Harry Nichol won second prize with a percentage of 980. He received \$60 worth of merchandise. Earl Rickard received \$45 worth of merchandise as third prize, he having finished the race with 955 points.

Charles Lusher and John Tripp were accorded fourth and fifth places in the race having scored 839 and 815 points respectively. Lusher received \$30 worth of merchandise. The following firms donated merchandise to be used as prizes for the race:

New York Yankees Want Money From Commission

By Associated Press
New York, Oct. 30.—Colonel Jacob Ruppert and Colonel T. L. Huston, owners of the New York American League club, announced today that they would demand of the National Commission immediately the permanent injunction issued Saturday, restraining President Ban Johnson, of the American League, from enforcing his suspension ruling against Pitcher Carl Mays "definitely clears up the question raised by the Detroit club's challenge of New York's right to third place."

This challenge, based on the claim that New York took third place by using Mays, who was then under suspension not enforced because of a temporary restraining order "has caused the world series money due the New York players to be withheld," according to Colonels Ruppert and Huston.

"Y" WORKERS TO DISCUSS SPORTS

Big Feature of International Convention at Detroit Next Month

Detroit, Mich., Oct. 30.—Sports will hold a prominent place on the program of the fortieth international convention of the Y. M. C. A. at Detroit November 19 to 23. More than 100 physical directors from all parts of the country, who will attend the meeting, will convene in a special session on physical education November 24, the day following adjournment of the regular convention, and will consider important questions bearing on the physical work of the association.

The physical directors' convention will last two days and will be presided over by Dr. George J. Fisher, New York City, chief secretary of the physical department. Directors responsible for army athletics with the A. E. F. will be present to help outline a general program of physical education for the boys and young men of America.

Organizations interested in physical education have pledged their co-operation toward helping the "Y" develop its athletic program so as to include all ages, from small boys who delight in gymnasium games to grown men interested in football and track meets. Dr. J. H. McCurdy will represent the American Physical Education Association at the convention. The Red Cross is sending Dr. Livingston Farrand, and the Boy Scouts of America, Dr. James E. West, chief executive scout.

Harry Rote May Get Into Game Against Pittsburgh

Lehigh's coach welcomed the return of Harry Rote who had been out with injuries. The Bethlehem Globe says:

"Lehigh's stocks were further boosted when Harry Rote, the diminutive backfield candidate, reported in football togs after an absence of two weeks, due to injuries. He ran the varsity team in signal drill during much of the practice and appeared in good condition. It is more than likely that Rote will get into Saturday's game, although hardly at quarter-back, if Herrington remains fit to travel the entire route. It is more than likely that Rote will be injected into the backfield and that his lightning return of the ball on punts will serve the team to good advantage."

"Lehigh's prospects look rosy and the students are going around the campus boiling over with spirit over the prospect of Saturday's conflict. Every effort is being made to keep this spirit at fever heat and to climax the plans during the week, a big smoker will be held in the gym on the eve of the big battle."

PITT STARS TO VISIT HARRISBURG TOMORROW

TECH ANXIOUS FOR WORKOUT WITH PITT GRID SQUAD DURING STAY IN HARRISBURG

Glenn Warner, former coach at the Carlisle Indian school, now the big man at Pittsburgh University is coming to Harrisburg. He will bring his squad of thirty warriors to this city to-morrow. Pitt will play Bethlehem at Lehigh Saturday and Coach Warner with his team will spend Friday night in Harrisburg. If satisfactory arrangements can be made regarding studies, the Pittsburgh aggregation will reach Harrisburg early to-morrow afternoon in time for a practice at Island Park with Tech. In the evening Coach Warner will be the guest of Leo Harris of this city at a dinner. During their stay in Harrisburg Pitt will be at Penn-Harris Hotel.

Tech Works Hard

Coach Paul Smith is anxious to

Steelton High to Play Lebanon at Home Saturday

Steelton High plays Lebanon High at Steelton Saturday. It means a hard game. Coach Cockill has had his full squad out for the past several evenings for stiff work-outs. This afternoon a scrimmage is planned with the Scrub combination, and it is probable that a few members of the school alumni will get in line with the Scrubs to make the practice more interesting.

LAFAYETTE IS WINNER

By Associated Press

Easton, Pa., Oct. 30.—Lafayette College opened the cross country season here yesterday by defeating Muhlenberg College in a dual meet by the score of 15 to 40.

Crawford, the former American interscholastic cross country champion, won the run by 350 yards. His time for the six miles was 30 minutes 34.2-5 seconds.

Edison Juniors Practice For Next Grid Contest

The Edison squad went through a stiff practice game last evening. Coach Miller lined up two good teams. There are a number of second-string men who are nearly as good as the first line. These men may get a chance on the first line any time.

Kelly and Snyder, the men who had received minor injuries in the game with Sunbury, are out with the squad again and played through the entire practice. The manager is trying hard to get a game in the city for Saturday, but has not definite success yet. If he gets a game it probably will be played on Saturday morning.

Good Boy For McCarron Is Boston Tommy Robson

Jack McCarron, of Allentown, is trying to get on with Joe Barrett. Here is what the Bethlehem Globe says about this fighter:

"Fans in this vicinity have not been backward in their charges that Jack McCarron, the Allentown middleweight, is 'picking 'em soft' and many have been the expressions of disgust over his recent performances. The promoters in their defense came forth with the wall that McCarron 'hogged' the biggest part of the receipts and that no suitable opponent could be gotten for what was left. At last a promoter has enough nerve to stage a fracas that will bring the Irish middleweight into clash with a real contender, and the chances are that despite the big outlay of cash he will profit by the venture. Tommy Robson, the Boston, Mass., middleweight, has been secured to face the Allentown middleweight in that city on election night. No more suitable opponent or one that will be more liked by the followers of the Irish name could have been secured by the promoters, and it is practically

FIGHTERS READY FOR HARD BATTLE

Barrett Show Tonight at Steelton Looks Like Big Winner

Joe Barrett, manager of the Olympia A. C. in Steelton, announced today that everything was set for the boxing show to-night. With thirty-four rounds of boxing on the bill, interest is strong. Fans are discussing the windup event which will be between Sammy Schiff, one of Harrisburg's leading fighters, and Young Mahoney, the clever Baltimore lightweight. Schiff's many friends will turn out to root for him. This is Sammy's first start this season. He has kept three rounds through the summer, boxing for the patriotic functions.

Mahoney is well liked here, for his clean and aggressive fighting. He and Schiff were matched to fight last season in Steelton, but Mahoney broke a small bone in his arm in a fight in Baltimore against Joe Marks, preventing the battle here.

Richmond Meets Parkes

Kid Richmond, another one of Williams' stable, is on the card to meet Jackie Parkes, Lancaster's best, bantamweight. Richmond is the fellow whom Young Fulton refused to meet several weeks ago, owing to three pounds difference in weight. Parkes has been howling for a crack at Williams and Barrett has promised him a chance at the Baltimore Tiger, providing he wins from Richmond decisively.

Young Lehmer, the local wrestler, will make his first start to-night in the roped arena, against Laurence King, a former Kansan, who is now making his home in this city. Steelton will be well represented in this show.

Steelton Boys on Bill

Chester Rowan, of the West Side, will meet Red Singer, the pride of Dauphin, while two Steelton boxers, Ivory Eschelman and Gordi Carchadi, will meet in the opening bout to settle an old grudge. The preliminary boxers will be in shape, as they have been working the past week at the clubhouse.

The first bout will start at 8.30 sharp. Kid Williams, the undefeated

ed but dethroned bantam champion of the world, will handle the Baltimore fighters, being assisted by their manager, Max Wayman. Johnny Gill will probably be on hand to referee the entire show. If not, Harry Buffington will referee. The preliminaries while Barrett will take care of the two star bouts. The advance sale of reserved seats indicate a big house, this show being a strong drawing card from a local standpoint.

PHILLIPS GETTYSBURG STAR

Law Phillips, a former Academy star is making a hit in Gettysburg's lineup. Phillips carried the ball 15 yards for a touchdown on his first play and will doubtless be given a chance against Dickinson next Saturday. With three straight victories over Western Maryland, the Gettysburg College players are now turning their attention to the crucial part of the schedule, for Dickinson, Villanova, Bucknell and Franklin and Marshall will be met in succession.
