A college professione

A college professor who was always ready for a joke was asked by a student if he would like a good receipt for catching rabbits.

"Why, yes," replied the professor.

"What is it?"

"Well," said the student, "you crouch down behind a thick stone wall and make a noise like a turnip."

"That may be," said the professor, with a twinkle in his eye, "but a better way than that would be for you to go and sit quietly in a bed of cabbage heads and look natural."
