Their Entrance to Labor Conference Gets Only One Opposing Vote

Washington, Oct. 31.—With only the French capital delegate opposing the action, the International Labor Conference yesterday decided to admit representatives of Germany and Austria, immediately upon their arrival here, to full membership in the world labor organization.

Louis Grenier, who cast the only negative vote, holding up to view the desolation wrought by the German military machine in the invaded regions of his country, declared that a distinction must be made between "barbarian" nations that regard a treaty as a "scrap of paper" and allied peoples who had fought for the cause of freedom.

Sharp opposition to this view was expressed by Leon Jouhaux, French labor delegate, who said that the war was at an end and that many must be admitted to the "new regime."

BEAUTY SECRETS! Whereshe gets her good looks, her healthy skin, her pink cheeks, is known to every one, because it is apparent that it is not due to cosmetics, paint and powder. But the true womanly beauty comes from good health, and this good health is a woman's secret.

Health comes with good physical machinery and good spirits, an active digestion. A body free from pains and aches comes with a tonic known for over fifty years as the best "temperance" tonic and nerve for woman—namely, Dr. Pierce's Favorite Prescription. It can be obtained in any drug store in liquid or tablet form, or send 10c to Dr. Pierce Invalids' Hotel, Buffalo, N. Y.

Cleansing of the intestinal tract is important. Take castor oil or select a vegetable pill. Such a one is composed of May-apple, leaves of aloe, root of jalap, and made into tiny sugar-coated pellets, to be had at every drug store as Dr. Pierce's Pleasant Pellets.

Strike or No Strike The situation in the mines is serious enough to warrant the immediate purchase of a full Winter's supply of coal.

Delay will prove dangerous and expensive. Cold weather will come any time now, and with no reserve, the present supply of fuel will quickly go and a shortage and higher prices result.

Get Kelley's "Blue Ribbon" coal for best results.
