

FEEL OPTIMISTIC DESPITE STRONG RANKS OF MINERS

Government Officials and Operators Believe Men Will Be Ordered Back to Work—Federal Troops Being Distributed Through Coal Districts

U. S. SOLDIERS ARE SENT INTO PENNSYLVANIA FIELDS

Chicago, Nov. 4.—In the face of virtually an unbroken front of approximately 425,000 striking coal miners, who walkout throughout the nation at midnight has produced almost complete paralysis of the production of bituminous coal, the beginning of the second full day of the strike found government officials and coal mine operators optimistic.

Additional movements of Federal and state troops into various coal fields were reported over night and thousands of carloads of fuel in transit were confiscated by the Federal Railroad Administration, diminishing the supply of private industries and municipalities, some of which already have felt the stopping of production.

Lips Sealed Officials of the United Mine Workers of America, whose lips officially were sealed by the Federal Court injunction issued at Indianapolis last week, remained silent.

Attorneys for the miners continued preparation, to-day of their side of the case preparatory to the hearing next Saturday in Federal Court of the injunction proceedings, and Washington officials believed that the broad powers of the restraining order prohibiting use of the strike funds would compel the miners to resume work.

McKinley and Colfax counties, New Mexico, to-day were added to the districts under military control by a martial law proclamation of Governor Larrazola. Federal soldiers took charge as the strike became complete in all mines of the state, except...

100 QUARTS AND 14 PERSONS ARE NABBED IN RAID

Police Surprise Center of Illicit Booze Distribution in Early Morning

Fourteen persons, three of them women were arrested in a police raid this morning at 1121 North Seventh street, long suspected of being the seat of much of the illicit liquor traffic in this city.

After holding the place under surveillance for several weeks, Harrisburg police received their cue for the raid early to-day after three men had been seen carrying several heavy suitcases and bags to a waiting automobile. An investigation of the contents of the automobile was made and the raid staged.

All Are Held Thirteen of the persons taken into custody are colored and the fourteen is a Mexican. Four of the party are charged with illegal sale of intoxicants while the others are held on a disorderly practice charge.

Those held on the illegal liquor sale charge are: James Cody, alias Red, the alleged proprietor of the place; John Goens, Reginald Keys and George Robinson, all of Hagerstown, Md.

The others are: Ella Lynch and Mary Huntsberry, of Hagerstown, Md., and Jose Mandaza, Ida Bell Young, Charles Austin, John W. Bell, Clarence Levy, Roy Dalkins, Lester Wilson, Andrew Jackson.

Runners Well Armed A Winchester rifle, a heavy shotgun and a loaded revolver was found in the automobile by the police when they surrounded it after their suspicion had been aroused by the heavy suitcases and bags that had been carried to it.

John Goens, Reginald Keys and George Robinson, the three Hagerstown men were refused with the automobile. It is supposed that they were preparing to take the liquor and had the firearms for use in case of interference.

Long Under Suspicion Suspicion of the police had been directed toward the house for several weeks, following the arrest of a number of persons who testified that they had secured liquor from men in that section. Police have been detailed on the case and have had the place under surveillance for several weeks.

Following the arrest of the three men in the automobile, the house was surrounded and a call for additional patrolmen sent in before the raid was ordered. Participating were Detectives Speece and Allison and Patrolmen Bibb, Knell, Rickert, Whiting, Parsons, Dickey, Fetrow, Schaffner and Hylan.

Marshall Makes Futile Effort to Speed Up the Treaty Debate in Senate

Washington, Nov. 4.—Vice-President Marshall tried a little Peace Treaty speed-up of his own to-day in the Senate suddenly putting the question on the La Follette amendment to eliminate the labor provisions of the Treaty. There were some "ayes" and a chorus of "noes."

It turned out that so many Senators wanted to talk that leaders virtually abandoned hope of a vote on the amendment to-day.

Wages of Miners in Soft Coal Fields

The monthly wages received by miners in the bituminous coal fields, according to a table prepared by the Bureau of Labor Statistics of the United States Department of Labor from records covering 511 miners employed in 201 mines, are as follows:

Table with 2 columns: Job Title and Monthly Wage. Includes Machine miners, Hand pick miners, Drivers, Laborers, Baggers, Trackmen, Boys working as trappers, Blacksmiths working above ground, Engineers, Firemen, Laborers above ground.

CITY FACES CRISIS BECAUSE OF LACK OF DECENT HOMES

Stricter Building Laws Needed to Supervise Quick Turning of Small Dwellings into Apartment Houses

The menace of the housing conditions in Harrisburg has not yet impressed a good many people who regard it as an academic question which does not concern them as individuals.

It has come to the attention of the Telegraph that one individual or group of individuals is creating housing conditions even worse in sections of the city which have heretofore been rather sanitary and free of serious congestion.

While there has been considerable building of dwellings during the last few months the need is still so great as to demand prompt action unless we are to have in Harrisburg a worse housing condition than was ever known.

U. S. Judge Buffington is making a tour of the city.

Washington, Nov. 4.—Secretary Baker and Senator Chamberlain, Democrat, Oregon, former chairman of the Senate Military Committee, clashed sharply to-day at a hearing of a subcommittee dealing with the military justice controversy.

Washington, Nov. 4.—The Simpson express, while at a standstill between Fort Bur Yonne and Sens (about sixty miles southeast of Paris) at 10 o'clock last night, was run into by a train bound for Geneva. Twelve persons were killed and about thirty were injured.

Standing on Their "Rights"

GOOD VOTE REGISTERED DESPITE BAD WEATHER; ELECT FIVE GOVERNORS

Loans Get General Support in Each City Precinct

POLLING PLACES WILL NOT CLOSE UNTIL 7 P. M.

Despite the rain during the morning, in some of the city election districts from 25 to 50 per cent. of the voters in almost every precinct had cast ballots before noon.

Passage of the four city loans was predicted at noon as few voters were heard making statements that they were opposed to the bond issues.

Accused Board Serves In the Second ward, Sixth precinct, where some of the election board members are under bail on a charge of not complying with the primary laws, there was no dispute about their service again at the general election.

Investigation by clerks at the office of the County Commissioners showed that the computing board in tallying the vote had placed Winfield's name under "inspector of elections," but later crossed it out and rewrote it under judge of elections.

There was no trouble in organizing any election boards in the city or county and no complaints were made to the County Commissioners about errors on the ballots, with but one exception.
