Loosens Right Up

This home-made remedy is a won-der for quick results. Easily and cheaply made.

Here is a home-made syrup which millions of people have found to be the most dependable means of break-ing up stubborn coughs. It is cheap and simple, but very prompt in action. Under its healing, soothing influence, ch.st soreness goes, phlegm loosens, breathing becomes easier, tickling in throat stops and you get a good night's restful sleep. The usual throat and chest colds are conquered by it in 24 hours or less. Nothing better for bron-chitis, hoarseness, croup, throat tickle, bronchial asthma or winter coughs. To make this splendid cough syrup,

Although some interest in election matters was shown by voters for the past few days, the votes cast this morning have been unusually light. In the second precinct of the Third ward, where there are 980 registered voters, only 49 voted to noon to-day. In the first precinct of the same ward, thirty-seven votes were cast to noon. In this precinct there are 300 registered voters. The light vote is due to the fact that there is really no local fight. Most of the candidates for horough offices are without opponents. The only councilmanic fight that is on, is that in the Fourth ward, where Wanhaugh's election is being con-tested by Coleman.

bronchial asthma or winter coughs. To make this splendid cough syrup, pour 2½ ounces of Pinex into a pint bottle and fill the bottle with plain granulated sugar syrup and shake thoroughly. If you prefer, use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, you get a full pint—a family supply—of much better cough syrup than you could buy ready-made for three times the money. Keeps perfectly and children love its pleasant taste. Heavy Coughing Spells After using the Man-Heil Auto-matic Inhaler ordy four weeks, Mr. Norman A. Fager, 1730 North Third St., tells of the wonderful relief ob-tained in the following letter, dated September 26: "About four weeks ago I pur-chased one of your Man-Heil Inhal-ers at the Gorgas Drug Store, 16 North Third St., and I wish to tell you of the wonderful relief it has afforded me. This year I have been able to work all during the hay fever period, where in former years I was obliged to remain at home. Have been able to sleep well this year, but other years have had Asthma with the Hay Fever. Since using your Inhaler and Remedy have had no Asthma attack. Former years was troubled with very heavy cough-ing spells, but this year spells were very slight and did not have to leave bed at night as formerly. I would not take a great deal of money for my Inhaler if it could not be re-placed. Your remedy is wonderful when used on gauze if not conven-ient to carry Inhaler." Monkey Furs Adds Smartness to Many a Winter Hat

There's a subtle something—an indescribable grace— about Monkey Fur that would make even an ordinary hat appear stylish. As it is, it gives the alluring modes in this showing even greater individuality and distinctiveness than their fashionable lines assure them. On some models extreme smartness is effected through the droop of the Monkey Fur down over the brim-a fringe effect. Large Velvet Hats, featuring this Winter trimmings
