Jersey City, N. J., Nov. 5.—Senator Edward J. Edwards, Democrat, who defeated Newton A. K. Bugbee, Republican, in the contest for governor.

DANDERINE PUTS BEAUTY IN HAIR

or, issued a statement to-day thanking the voters for their support.

"I am deeply grateful to the voters of New Jersey," he said, "for the confidence they have expressed in me at the polls. I stood flatfooted on the platform and on the issue. Now that I have been elected I will do my utmost to carry out the promises I made. I say now, as I said during the campaign, that I will do my utmost to give the people of this state a business administration free from public services domination and political control.

Republicans Gain Fifteen More Seats in State Assembly

New York, Nov. 5.—Complete results of the vote for state assembly show that the Republicans elected 109 out of 150 members, a gain of 15 votes over their plurality last year. Democrats elected 39 members as compared with 54 last year, while the Socialists again sent two members to the lower branch of the state legislature.

GROWING DEAF WITH HEAD NOISES? TRY THIS

If you are growing hard of hearing and hear tinny noises or if you have ringing, humming, hissing noises in your ears, go to your druggist and get 1 ounce of Parmitin (double strength), and add to it 1 pint of hot water and a little granulated sugar. Take 1 tablespoonful four times a day.

This will give quick relief from the distressing head noises. Blocked nostrils should open, breathing become easy and the tinny sounds disappear. Great crowds are attending the Regent Theater which has been at the Regent called "the best film play" in Harrisburg. It is the Paramount-Artcraft picture, "The Miracle Man." This remarkable photoplay is making a name for itself in this city as it has done elsewhere.

The Regent has been occupied to capacity throughout the day and there are large crowds every evening. It is possible it is advisable for these crowds to see this production to arrange to attend either the morning or early afternoon performance. The first performance is at 10 o'clock in the morning and the feature is shown every two hours thereafter.

"AN INNOCENT IDEA" Charles Emerson Cooke's new farce production, Westley as the "Innocent Idea" is the Broadway cast, including Jennie Eustace, Lillian Tucker, Claire Whitney, the movie, "The Innocent Idea" is said to possess all the delightful fun of "Up in Mabel's Room," "Two Hours with a Stranger," "Warmer," increased and multiplied. In addition the many beautiful gowns and lingerie created by such masters as Harry Collins and Tappe, are a veritable fashion show in themselves.

"An Innocent Idea" is on its way to New York for a season's run, and it is Harrisburg's good fortune to be able to see the same. It is a body blow to radicalism and irresponsible democracy.

KING TO RETURN HOME

MATT MOORE LEADING MAN

Matt Moore, who as "Elsie Janis" leading man in the Central Theater to-morrow for a three-day run, hails from one of the most illustrious families of the screen. Owen and Tom are his older brothers, and between the three of them, hardly a day passes that not at least one Moore picture is being shown in the local theaters. There is a most prolific heritage.

Matt will always be remembered for his work in the Mae Marsh feature. His last role, before that of Robert King, in "A Regular Girl," was with Louise Glaum in "Sahara." He has a fine sense of comedy and a feeling for the dramatic, but then—he's a Moore.

In "A Regular Girl" Matt Moore has a new role splendidly adapted to his capabilities.

OH, DOCTOR! SWEDISH COOKING Ever hear of Jimbalouti? For information there is no one more capable of discussing this dish than Anita Stewart whose latest production, "The League of Nations," will be seen at the Victoria Theater, commencing to-morrow.

It was during the making of this feature that Miss Stewart's Swedish cook placed a new and savory dish upon the table one evening.

"What was that stuff you served upon the table one evening?" asked the cook to her side.

"Jimbalouti, ma'am," answered the maid.

"Well, can that stuff," responded Miss Stewart, "in the garbage can."

POWER OF THE CITY AND OTHER MUNICIPAL AUTHORITIES TO RENDER.

Philadelphia, Nov. 5.—The question of the power of the city and other municipal authorities to render assistance to the Federal authorities is the subject of a bill introduced in the Senate by Senator Charles McNary.

CONGRESS IS NOW IN EFFECT. I HAVE BEEN REQUESTED BY THE HONORABLE COMMISSIONER OF INTERNAL REVENUE TO ASK YOUR CO-OPERATION IN THE ENFORCEMENT OF THE LAW.

The act in question prohibits the manufacture, sale and keeping for sale of all malt, vinous and spirituous liquor containing one-half of 1 per cent of alcohol or more by volume. Whilst the enforcement of the act is primarily a matter of Federal concern, your co-operation in taking steps to punish the violators, is entirely in consonance with the fact that the sale of liquors by persons not licensed by the State is a violation of the laws of the Commonwealth, as well as the prohibition law referred to, and, therefore, the action of the police authorities in preventing such violation and in taking steps to punish the violators, is entirely in consonance with the law of the Commonwealth.

I feel that the co-operation of the police department of the city would be a material aid in the satisfactory enforcement of the law, and I, therefore, appeal to you for such assistance as may be within the power of the city and other municipal authorities to render.
