THOUSANDS HAVE KIDNEY TROUBLE AND NEVER SUSPECT IT

Applicants for Insurance Often Rejected

Judging from reports from druggists who are constantly in direct touch with the public, there is one preparation that has been very successful in overcoming these conditions.

An examining physician for one of the prominent Life Insurance Companies, in an interview of the subject, made the astonishing statement that one reason why so many applicants for insurance are rejected is because kidney trouble is so common to the American people, and the large majority of those whose applications are declined do not even suspect that they have the disease.

However, if you wish first to test this great preparation, send ten cents to Dr. Kilmor & Co., Binghamton, N. Y., for sample bottles.

When writing be sure and mention the Harrisburg Telegraph.

Henry Clay

Thought more of a Shave than a Vote

THE unswerving self-respect that made Henry Clay say he would rather be right than be President, was reflected in his insistence on a cleanly shaved face.

In one hard fought campaign when political differences were making life-long enemies, Clay's barber, Jerry Murphy of Lexington, stoutly refused to vote for him, yet Clay would not withdraw his patronage, rightly deeming a shave under Jerry's well-balanced blade worth something more than a vote.

And this fine, old-time razor which Clay would not give up is today even more completely the choice of the man who wants a real shave—because to its time-proven perfections have been added the safety, the extra-convenience of the guarded and double-edged

SUGAR SAVERS

Fruit TASTYKAKE

THE shortage of sugar this Fall will most likely prevent many housewives baking the usual holiday Fruit Cake.

FRUIT TASTYKAKE is a delicious blending of everything that is appetizing and wholesome. It will make you wonder how a cake so brimful of candied pineapple, cherries, citron, raisins, nuts, spices, everything that goes into good Fruit Cake, could be made at the price.

THE demand, due to the sugar shortage and the housewife's desire to conserve her own sugar supply, may cause our present stock to be exhausted quickly. Buy TODAY and put away for THANKSGIVING and CHRISTMAS. It "keeps" indefinitely.
