

Morrow Swept Into Office by Biggest Republican Plurality

Louisville, Ky., Nov. 6.—On the face of unofficial returns from all but one of the 120 counties of the State, Edwin P. Morrow, Republican, swept himself into the office of Governor of Kentucky by a majority of 29,922 votes over Governor James D. Black, Democrat, in Tues-

day's election. This is the largest plurality a Republican candidate ever received in this State, according to Republican State headquarters, which claims that Morrow's majority will exceed 40,000. Interest to-day, however, did not center so much upon the gubernatorial race as upon the State-wide prohibition amendment. Returns came in slowly on this proposal. Only forty-five counties out of the 120 had been heard from early to-day, showing a majority of 14,594 votes against the amendment.

YUDENITCH IS FACING CRISIS AS REDS ADVANCE

Latter Threaten Railway Over Which Main Force Is Dropping Back

Helsingfors, Nov. 6.—The position of General Yudenitch is considered most critical. It is reported that the Bolsheviks are threatening the Gatchina railway over which his main force is endeavoring to fall back upon the Narva river. Another force in the region of the Luga river which is trying to reach the railway through the swamps already is surrounded. Finland is interested in next week's conference at Dorpat of the Baltic states and Poland. It is understood that Estonia has invited Litvinoff and Krassin, the Bolshevik representative at the recent Pskov negotiations, to attend the

conference, but that they have not yet replied. Copenhagen, Nov. 6.—German troops, presumably belonging to Colonel Avaloff Bermond's forces, supported by heavy and light artillery and an armored train, attacked Libau Tuesday, but were driven off by British artillery, according to a dispatch received by the Lithuanian press bureau. In the afternoon a German airplane dropped proclamations on the city. After a prolonged bombardment by the enemy artillery, a new violent offensive was launched in the evening. It was repulsed by the Lithuanians. The enemy suffered heavily.

Sen. Knox For President, Johnson as Running-Mate, Urges California Woman

Washington, Nov. 6.—W. Harry Ba- President next year. The suffragist thinks well of Senator Johnson, of California, but does not believe he ker, secretary of the Republican state committee of Pennsylvania, is in receipt of a letter from a woman voter in California suggesting Senator Knox as the party's candidate for could command the requisite support, and thinks he would fill in well for second place on the ticket. The letter has been forwarded by Secretary Baker to some of Senator Knox's friends here. It says:—

"Allow me to compliment you on your good judgment in sending Philander Knox to the Senate. Oh, you men of Pennsylvania, you may well be proud of your choice. But you must send him further. He must be our next Chief Executive; not that we do not appreciate our own Hiram, but the West is not strong enough to carry the standard, and this is no time to trifle or become egotistic.

"We must consider our country's welfare, and we must have a man who will not change his mind overnight. We must have a man who depend on who will remain in America. It will be a wise turn for Pennsylvania and California to join hands and make a team of Knox and Johnson, and we will have a team which will make a landslide. I wish you would think this over and make your start before others build up too much hope. Wishing you success, I remain, sincerely, etc."

Rote Practices Hard With Lehigh Squad

Bethlehem, Pa., Nov. 6.—There was a nip to the air yesterday that was welcomed by the Lehigh squad after several days of rain and unseasonably wet weather for this time of the year. The usual Wednesday scrimmage the only one that Coach Keady generally gives his men each week, was passed up to-day, as the coach thinks that his men are almost on edge. A long signal drill and the trout formations for the Penn State game constituted the chief work of the day. In line with his attempts to strengthen the backfield, Cousins was placed at halfback. Henzelman made his appearance in togs after several weeks, but only ran around the field. Pons took McDonald's place at guard and Rote alternated with Herrington at quarterback.
