Petticoats Are Gathered  
Here**

They come in so many beautiful colors and stunning styles that to attempt to describe them would be impossible.

The almost severe simplicity of the styles in suits gives a more than usual opportunity for the wearing of dainty petticoats.

Many of the new underskirts are worked out in entirely new schemes of color and trimming.

Instead of the brilliant but discordant colorings that were popular in silk petticoats, the vogue today is for the soft shades that blend harmoniously with suit or frock with which they are worn.

All colors and shades are represented in Jersey, Italian Silk, Radiant, Taffeta, Luzette, Peau de Cygne, Messaline and Jersey with taffeta flounce and tub silks; \$3.50 to \$14.50.

Also a complete line of Cotton Petticoats in Seco, Satine, Heatherbloom, Percaline, Selitia, Cotton Jersey with satine or taffeta flounces; figured and flowered satines; \$1.00 to \$4.50.
