ASSOCIATION IS GROWING RAPIDLY

Many More Central Alumni Are Joining New Organization

That the success of the Harrisburg High School Alumni Association is exceeding all expectations, was announced this morning by Harold E. Eckert, secretary of the association. The membership is increasing daily in spite of the fact that no concentrated drive has yet been made for members. "Of course," Mr. Eckert said, "there are many alumni in the city who have not yet joined, but we are well pleased with results so far." John A. Hall, the treasurer, is constantly receiving applications for membership accompanied by the fee of one dollar for annual dues at his office in the Union Trust Building.

Secretary Eckert also said that, while the newly-founded organization is doing fine, there is a slight hesitancy about joining which he attributes to various rumors as to what persons are eligible. The constitution provides that any person who is a graduate of the Harrisburg High school, a member of the faculty thereof, ex-member of the faculty thereof, or any person who attended the High school for two years or more, is eligible for membership in the association. "The only qualification is that those persons who attended two years or more cannot join until after their class has graduated." This applies to the classes in High school at the present time.

Extensive activities for the winter season are being planned by the association, along educational, civic-welfare and social lines. Up until the present time stress has been laid on social activities more than any other kind. The purpose has been to advertise the association and get established on a concrete basis before matters of greater weight are taken up. A live-wire entertainment committee has been appointed.

At the present time plans are being made for a Thanksgiving party to be held in the Chestnut Street Auditorium on the night of Friday, November 28. The Banjo-Saxo Orchestra has been selected for the occasion and it is expected that the hall will be filled to capacity. The hop will be the first big event to be staged by the association. Invitations will be issued this week. Tickets will be placed on sale later. Some central point where the invitations can be exchanged by those wishing to do so and where persons who are not on the mailing list can purchase tickets without invitations.

A meeting of the entertainment committee of the association will be held this evening at the home of Miss Sarah Maloney, 1619 Green street.

ENTERTAINS FOR BRIDE
Mrs. Jesse P. Rees, of 1845 Regina street, is entertaining this evening at cards in honor of Miss Margaret Mason Pomeroy, whose marriage to Martin Keet will be an event of November 18. The guests will be the more personal friends of Miss Pomeroy.

Lloyd George Creates Stir by Suggesting Peace Advances to Bolsheviki

By Associated Press

London, Nov. 10.—Premier Lloyd George's hint in his Guildhall speech Saturday night of an attempt to negotiate peace with the Bolsheviki in Russia has created a stir here. The anti-Bolsheviki press is indignant over the suggestion.

The Daily Mail scouts the idea as "shaking hands with a murderer," and generally denounces the suggestion which it says, caused great amazement in political circles.

VON MACKENSEN TO GO BACK TO "FATHERLAND"

Paris, Nov. 10.—Field Marshal Von Mackensen, one of Germany's most successful commanders on the eastern front in the campaigns against the Russians and Rumanians, is to be permitted to return to Germany from Saloniki. The Supreme Council decided to-day to permit the return of the field marshal, taking into consideration his age and the poor state of his health. Von Mackensen was in command of the German troops in Rumania when hostilities ended. He tried to force his way through Hungary to Germany, but was arrested at Budapest by French troops and was later reported to have been interned at Saloniki. He is nearly 70 years old.

JIMMY WILDE HERE

New York, Nov. 10.—Jimmy Wilde, world's flyweight boxing champion, arrived here from England to-day on the steamer Baltic. Wilde plans to remain here several months. Several exhibition bouts have been arranged for him in the Far West. Early next year he plans to take part in a championship bout in the east. His opponent for this contest has not yet been selected.

"A TRIP TO AFRICA"

A Trip to Africa, in picture, story and song will be given under the auspices of the Woman's Missionary Society at the Harris Street United Evangelical Church, this evening. All men interested are invited to attend. The ladies will have an interesting program arranged for the occasion.

OCCUPY EASTOFF

London, Nov. 10.—Occupation of the town of Eastoff, near Kiev, by Soviet troops is reported in a Russian Bolshevik communique received by wireless to-day. The Bolshevik last week reported the capture of Tchernov, 89 miles north of Kiev. Eastoff does not appear on available maps of the district.

Use Cuticura Soap To Clear Your Skin

All druggists; Soap 25, Ointment 50c. Talcom 25. Sample each free of "Cuticura, Dept. E, Boston."

Home-Made Lotion for Wrinkled, Flabby Skin

To remove wrinkles and age lines, or to delay their formation, a simple lotion made by dissolving one ounce of pure powdered axolite in a half pint of witch hazel, will be found wonderfully efficacious. This tends to tighten and tone up the relaxed skin, making it firm and smooth. The ingredients of course can be had at any drugstore or in toilet sections of department stores.

Bathe the face with this harmless lotion daily for awhile and every line will vanish, including the deepest crowfeet and furrows. Even the first application gives surprising results. There is nothing better for reducing double chin and sagging cheek muscles, as well as enlarged pores. No trace of the treatment itself remains on the face, so your friends will not guess the reason for your rejuvenated appearance.

Sunshine and Air vs. Home-Baking

Even if home-baking saved a few cents (and it does not) it would be unfair to yourself, when baker's bread as good as the best home-baked loaf can be had. Such a loaf is HOLSUM.

The modern bakery, along with the gas plant, the water works, the laundry, is doing its bit to emancipate wise women from health and beauty destroying household drudgery. Let it help you.

MAZOLA

FREE Every housewife should have a copy of the interesting 68-page Corn Products Cook Book. Full of information about good cooking and beautifully illustrated. Write for it to-day.

Remarkable Economy!

MAZOLA is used over and over again without transmitting flavors or odors from one food to another. It is not absorbed into foods. Because Mazola reaches "cooking heat" in half the time, forming a delicious crust about your food. This avoids soggy and greasy foods.

And remember—for shortening, as in pie crusts, etc., you use 1/4 to 1/3 less Mazola than what your recipe calls for in other shortenings.
