It isn't what a store advertises but what that store does!

We advertise to sell the best hats in Harrisburg for the price-other stores advertise the same thing.

It is for you to decide which store fulfills the promise best by comparing styles and values!

Because a hat is not as high priced as others is no reason why it cannot be just as correct in style and quality.

Many hats are sold at extreme prices because they carry an advertised name-You pay one price for the hat-another for the name.

From Maker to Consumer Direct!!

With experienced and skilled designers we reproduce the very newest millinery creations at one price only, and that is the very lowest!

Many women are buying their hats here now who used to pay higher prices because they did not know what kind of a millinery store this is and what classy hats they can buy here at popular prices. We show the smartest hats of the season's

latest modes, Prices \$8.98 to \$14.98
