

BISHOP SPURNS BIG INCOME

Refuses Appointment Because of High Salary and Patrial Residence

London, Nov. 13.—Canon Peter Green, rector of St. Philips, Salford, has refused the bishopric of Lincoln because he is opposed to bishops living in big houses (palaces they are styled) and receiving big salaries. "I have a very strong ideal of what a bishop's life should be," he says and there is a big battle to be fought in the future on the question of bishop's palaces and incomes. "No one recognizes more fully than I do that many of the bishops are poorer as such than they were before they accepted the office, but that does not alter the fact that the bishops' palaces, motor cars, and bishops' incomes are a real stumbling block to the workingman in accepting Christianity."

As Bishop of Lincoln he would have received \$4,200 a year and would have been expected to live up to it.

KIWANIS CLUB PLANS FOR SHOW

Arrangements Made For Business Exhibition in Chestnut Street Hall

Additional plans for the Kiwanis Club business show, to be staged in Chestnut Street Auditorium during the week of February 3, were discussed at today's noonday luncheon of the club, held in the ballroom of the Penn-Harris Hotel. Charles R. Beckley and Irving E. Robinson, members of the committee in charge of arrangements, outlined the plans.

Several subcommittees were named by Chairman Beckley as follows: Financial, Al K. Thomas, chairman; W. H. Brown and Frank Walters; both, C. C. Merrill, chairman; Thomas Bogar, Frank Fahnestock, Harry Perkins and Mr. Bushey; entertainment, Peter Magaro, chairman; Irving Robinson, Frank Blumstein and Charles Schmidt.

At today's luncheon, the Columbia Stellar quartet rendered several selections, which were well applauded. The members of the organization were the guests of Abner W. Hartman.

"What the Kiwanis Club can do for the betterment of Harrisburg," was discussed by Dr. H. B. Walters. Americanization work was cited by him as one of the most important lines of work that could be pursued by the organization at this time. Charles R. Beckley, of Beckley's Business College, offered the use of his rooms for such meetings as might be arranged to carry on this kind of work.

Irving E. Robinson announced that a Christmas Eve will be erected on Christmas Eve at the Children's Industrial Home by a club committee. Each of the children are to be presented with gifts at this time.

Few Returning to Work in Ohio Fields

Columbus, O., Nov. 13.—Although practically all locals of the United Mine Workers had received official notice of the recall of the nationwide strike order, few of the forty thousand union coal miners in Ohio returned to work today, according to operators and headquarters of the United Mine Workers here.

At headquarters here of the United Mine Workers it was said no reports had been received of union miners resuming work. Reports from the mining districts indicated, however, that the men would not return to work until a new agreement is reached between the scale committees of the miners and operators.

Operators were not hopeful of the men returning to work this week. Some were inclined to believe it would be thirty days before the mines can resume normal operations.

Woman's Vision Brought the Red Cross Seal Into Existence

A WOMAN'S far-reaching vision and her persistent belief in that vision brought into existence the Red Cross Christmas seal.

More than a decade ago Miss Emily P. Bissell, of Wilmington, Del., then executive secretary of the Delaware chapter of the American Red Cross, read a paper written by Jacob Riis about a Christmas seal issued in Denmark to raise funds for a children's hospital.

"Why not apply this method to America?" she thought as she read.

Dewar's tuberculosis situation was becoming critical. More sanatorium facilities were sorely needed. Miss Bissell believed the Red Cross Christmas seal the solution of the problem.

It was difficult to convince others, but she persevered. Finally she found some friends willing to support her first venture. The results were far beyond her expectations. From an initial investment of \$40 more than \$3,000 came in from the first sale, and the Hope Farm sanatorium was given a substantial financial footing.

From that modest beginning the seal sale each year has grown by leaps and bounds. The 1919 campaign is for more than \$6,500,000 so that the fight against tuberculosis may be waged more strongly than ever. A recent survey by the National Tuberculosis Association showed that in America 150,000 lives are snuffed out yearly by this disease.

COMPLETES 21ST YEAR AS PASTOR

honor at the social, which was arranged by the official board of the church. E. S. Nissley was chairman of the committee in charge of arrangements.

A large number of members of the congregation were in attendance at the affair. Diagrams were presented to show the growth of the congregation since the beginning of Dr. Lyter's pastorate in 1899. The members were divided into 15 groups, in charge of a group leader, who considered with them the growth which was also stressed by speakers. Refreshments were served and Dr. Lyter made a short address.

Steady Growth

It was shown that the congregation has grown from 391 members at the beginning of the pastorate to 800 at the present time. Other figures presented during the course of the evening showed the membership by years to be: 1899, 391; 1904, 455; 1909, 555; 1914, 665; 1919, 800. The Sunday School enrollment in 1919 was 586 as compared with 1191 at the present time. A total of 1,085 new members were received into the church during Dr. Lyter's pastorate.

Moneys raised by the congregation within the past 20 years has totaled \$242,401.75, according to the figures presented last evening. The amount has grown from \$2,969.07 in 1899 to \$20,157.42 this year.

Extensive improvements have been made by the congregation during Dr. Lyter's pastorate, the present church building having been built under his direction. The property owned has grown in value from \$15,500 in 1899 to \$115,500 at the present time.

MURDER JURY QUICKLY FOUND

township; David F. Bauder, city; Artha D. Lenker, Williamstown; George Moyer, Lower Paxton township; John H. Nissley, Middletown.

19 Witnesses Called
Nineteen witnesses have been subpoenaed by the Commonwealth and it is believed that most of these are to be called, included in the list are five city police officers and two physicians who conducted the post-mortem examination.

It is alleged that Velco and Loguri had been in arguments about an automobile for some time before the shooting, and that on the morning of September 9 they met in North Cameron street, and Velco murdered Loguri.

According to Velco's statement to the police on the morning of the murder, he was on his way to work when Loguri stepped in front of him after lying in wait for him, and shot two or three times. Velco said that he tripped over a log in trying to get Loguri and a friend who happened to be passing, Steve Riccio, called to him. "Grab his gun and shoot him quick," Velco told the police. He grabbed the revolver and shot Loguri, then ran to the Pennsylvania railroad station and jumping into a taxi came to police headquarters and gave himself up to authorities.

In Courtroom No. 1 yesterday afternoon before President Judge George Kunkel, Conrad Troutman, charged with aggravated assault and battery, was acquitted and ordered to pay the costs by the jury. Ann Skolie, on trial for larceny in Courtroom No. 2, was acquitted.

Woman Fined \$200
Counsel for Mrs. Catherine McLaughlin, convicted of being a common scold, filed a motion for a new trial yesterday afternoon. The case will be argued probably November 25. Sarah Finrock, tried on the same charge, was sentenced by Judge S. J. McCarroll to pay a fine of \$200 and furnish \$500 bail for appearance at the March sessions.

Warren Gladden, colored, convicted of aggravated battery, was given a penitentiary sentence of not less than one year and not more than two years by Judge McCarroll. Harry E. Schramm was convicted of malicious mischief but a motion has been filed for a new trial.

Urges Higher "Ad" Rates; Smaller Paper

New York, Nov. 13.—Increased advertising rates and reduction in the size of newspapers were urged yesterday by Franklin P. Glass, Birmingham, Ala., president of the American Newspaper Publishers' Association. A special meeting is being held to consider the newspaper shortage.

"Every paper," he said, "should agree to cut down its average number of pages, both weekday and Sunday, by a considerable percentage, and then hold down its advertising volume to a fixed number of pages. This will probably necessitate an arbitrary reduction of at least thirty three per cent in volume of business."

Radical advances should be made in advertising rates. The percentage of increase should be such that they will hold back the sluice of advertising that has poured into our offices and bids fair to continue during the next year.

Income Taxes to Be Lower For 1919

Washington, Nov. 13.—Income taxes for 1919 will be lower than for 1918, according to an announcement by the Bureau of Internal Revenue.

The bureau is making plans for the issuance next month of forms for filing income and excess profits returns.

The normal rate of tax for 1919 is 4 per cent on the first \$4,000 above the exemptions and 8 per cent on the remaining net income. The tax for 1918 was 6 and 12 per cent, respectively. The surtax rates, which range from 1 per cent on the amount of the net income between \$5,000 and \$6,000 to 85 per cent of the amount by which the net income exceeds \$4,000,000 are the same as for 1918.

The exemptions of \$1,000 for single persons and \$2,000 for married persons and heads of families remain unchanged.

Alien nonresidents receiving income from sources within the United States are subject to the full tax of 8 per cent on such income in excess of the exemptions.

PIMPLES

How to remove them

You'd give a lot to get rid of those distressing pimples, wouldn't you? For you know how troublesome they are—how they spoil your beauty—how often they prove embarrassing.

Kiearskin—a soothing cream, prepared by the physicians of the Kiearskin Laboratories, proves effective in the treatment of pimples, blotches and other unsightly facial eruptions. This cream contains a medication of wonderful value—so wonderful that even a two-weeks' treatment will demonstrate its merit. Kiearskin is harmless, greasiness and of fresh color—does not show on the skin and will not promote hair growth on the face.

Have the way for better looks. Send \$1 for a large size jar of Kiearskin and Dr. Russell's treatment—"Facial blemishes and their removal." If you will send your druggist's name and address, we will include a trial package of Kiearskin.

Whoever wants to take advantage of the savings offered in this sale should, by all means, come in today, tomorrow or Saturday. The selling thus far has greatly exceeded our expectations—stocks are still full and plenty—but of some makes and styles we have only a few and there will be no more at our present sale prices after these are taken. Why? Because the Pianos and Players in this sale were bought four to six months ago, and their prices have been unaffected by the many recent advances.

You Save All Recent Price Advances

The least you can save is \$50 and on some of the highest priced instruments the saving amounts to \$100 or more. Isn't that worth considering, especially on such fine Pianos and Players, as Chickering, Sohmer, Mehlin, Haines Bros., Estey, Kimball, Shoninger, Marshall & Wendell, Angelus, Bush & Lane, Foster, Faber, Frances Bacon and others? Come in now and see for yourself if there isn't an instrument here to suit you. We will arrange terms of payment to suit you and make immediate delivery or store your instrument free until Christmas.
