Trolley Cars Off, Toledo Plans to Operate Bus Lines

Toledo, Nov. 13. — With nothing like a solution of the street car trouble in sight, city officials are working on a plan to take care of thousands of car riders by means of a bus system. Business men have indicated they might call upon the mayor and insist some solution be arrived at without delay, as business in numerous branches has been injured by the lack of street cars.

Real Romance in This Engagement

Philadelphia, Nov. 13.—In the announcement of the engagement of Miss Margaret Mackey, of West Grove, Pa., to Hoagland Gates, of New York, is seen a real romance of pastoral life that poets have sung since Shakespeare.

since Shakespeare.

Miss Mackey is the daughter of a Chester county farmer. She is young and beautiful with a wealth of golden hair and blue eyes. She teaches in the Towers private school.

near Wilmington.

Hoagland Gates is said to be the son of a wealthy New York family, and is a returned soldier. His mother, Mrs. Charles O. Gates, gave a dinner party in New York last Sunday where the engagement was announced.

Reds Plead to Stay in Philadelphia

Philadelphia, Nov. 13.—Cringing before the possibility of deportation, Russian radicals among the Red suspects arrested here are devoting their time to fervent avowals of love for the United States.

Sending them back to Russia, they think, is the worst punishment Uncle Sam could inflict upon them.

Despite their pleas of innocence in plots to overthrow the American Government for a Soviet, it seems a certainty that the majority of the Russians caught here in the nation-wide raids, will be sent from the country.
Correspondence and anarchistic

Correspondence and anarchistic propaganda seized by the Department of Justice raiders in this city show that the Union of Russian Workers of the United States and Canada, which has two branches here, projected a demonstration of national wide scope.

Three Rearrested by Federal Agents

Thiladelphia, Nov. 13.—Freed by the city police, three men yesterday were arrested by Federal agents on suspicion of being moonshiners.

They are Israel Bernstein, fifty, his son, David, twenty-five.

Cohen, a policeman of the 2d and C1 stan streets station, saw David Bernstein and Solowitz acting suspiciously about a wagon drawn up before the house of Israel Bernstein, one night last week. He investigated and discovered in the wagon a copper kettle and copper coil, of the style used in the making of whisky. Search of Bernstein's house disclosed jugs and jars filled with a liquid believed to be whisky.

When the prisoners were arraigned before Magistrate Imberthey were discharged, but were immediately rearrested by internal revenue agents.
