

OFFERS TO SEND SOVIETS HOME

Martens Would Provide the Transportation For All Russians

New York, Nov. 17.—Ludwig C. K. Martens, self-styled "ambassador of the Russian Soviet government to the United States," has offered to provide transportation for the United States to Russia for all Russian citizens who desire to leave America, or whose presence in the United States is undesirable to the Federal Government.

In this letter Martens protests against the "unwarranted and cruel treatment" to which many Russian citizens in the United States are subjected by Federal and state officers, as well as by mobs acting without authority.

Martens was arrested for contempt Saturday and released on \$1,000 bail after he had refused to appear before the Lusk legislative committee, investigating radical activities in New York.

Calling attention to press reports that it is proposed to deport certain Russians to parts of Russia under control of the enemies of the Soviet government, Martens, in his letter to Secretary Lansing, protests that such deportation would mean certain death for the persons deported and would constitute "a flagrant breach of all principles of international law."

GOVERNOR BUYS A HEALTH BOND

State Executive Urges Observance of Tuberculosis Day

Governor William C. Sproul has bought the first health bond and in a statement issued to-day suggests that the residents of Pennsylvania join other states in observing tuberculosis day in December in connection with the Christmas seal sale.

The dates named are Friday, December 5th, as tuberculosis day in the Synagogues, and Sunday, December 7th, as tuberculosis day in the churches.

Governor Sproul in buying the first health bond in the seal campaign has become the first member of the Keystone Health Bond Club.

Pastors all over the State have already given assurance that they will preach December 7th on the white plague and the public health problem.

In many of the states of the union, as a result of arrangements already made in connection with the Christmas Red Cross Seal Sale, Friday, December 5, will be observed as Tuberculosis Day in the schools.

"I believe it would be fitting if the schools and churches of this State, as far as is practical, make December 5, 6 and 7, days upon which special emphasis is placed upon the danger of the white plague.
