If you are thin and want to be plump; if you have wrinkles in your face that you are not proud of; if the skin is sallow or subject to pimples or blackheads, take Mi-na stomach tablets for two weeks and notice the change.

The majority of the thin people are thin because the stomach does not perform its duties properly. It is not secreting sufficient of the natural digestive juices and in consequence does not extract from the food enough nutritive matter to nourish every part of the body.

Mi-na stomach tablets are intended to build up the stomach so that it will act properly and extract from the food the elements necessary to form flesh.

If you are thin try two weeks' treatment of Mi-na stomach tablets—they are small, easily swallowed and are sold on the guarantee of money back over nine months.

**Leo Stahl Writes Telegraph Explaining His Accident**

Philadelphia, Pa., Nov. 17.—"To the Sporting Editor: 'Will you grant me a few lines of space to tell the sporting men of Harrisburg and vicinity that I will be unable to go through with the match which I made with Joseph Barrett of the Steelton Athletic Club. I made the match in good faith and was to box Johnny Gill on November 24. Last Tuesday night in a contest in this city I had a rib broken, and the doctor told me not to box under any consideration for at least three weeks. It is too bad that I have to disappoint Mr. Barrett and the fight fans of the vicinity of Steelton. But it is one of those things that come in every fighter's life following the old adage, 'accidents will happen.' I recognize the fact that Gill is a good boxer and a game fellow and I want to be in shape when I box him, which I hope will be early next month as Mr. Barrett has promised to wait the bout just as soon as I am able to box again."

**SCENE FROM "DARK ROSALEEN" AT ORPHEUM THEATER TOMORROW**

Wednesday night will be Irish night at the Orpheum Theater. David Belasco will present "Dark Rosaleen" to the patrons of that house with essentially the same cast as that seen in it during its phenomenal run at the Belasco Theater last season, when it broke all records for the run of an Irish play in the city of New York. Those who go to the Orpheum to see a play that is truly Irish will not be disappointed. "Dark Rosaleen" is a romance in which the portrayal of scenes of Irish life is so realistic that one can almost get the scent of the Irish heather coming over the foot-lights when the curtain rises on the first act. One of the advantages secured by Mr. Belasco was in the bringing together of the most Irish cast ever seen in a production organized in this country. Unlike the amateur actors who came to this country some years ago to present plays by Verbs and Synes, the actors in "Dark Rosaleen" are well-schooled players and lend to the performance a degree of artistry that is as rare as it is delightful, and from the rise of the curtain on the first act until the close of the play, the laughter is almost continuous.
