Ordinarily, he would not retire before December first, the time for the opening of the regular session of Congress, but so ne Democratic leaders were said to have advised that he present his credentials immediately and thus help out in the Treaty fight.

There was much successor to the Berrwick farm, at Kinderhook. They have been picking berries since Novamber 5 and the bushes still contain quite a few ripe ones. Michael fry, of Columbia, a cousin of Mrs. Kise, was present at the Kise home and helped eat the berries.

Lodge's Exception on Article X and Hitchcock's Proposed Substitute

Washington, Nov. 18.—The text of the Lodge reservation on Article X of the League of Nations covenant, which was denounced by President Wilsor at Salt Lake City, September 23, as "cutting the heart out of the covenant" and amounting to rejection of the Treaty, follows:

The United States assumes no obligations to preserve the territorial integrity or political independence of any other country, or to interfere in controversies between nations—whether members of the League or not—under the provisions of Article X, or to employ the military or naval forces of the United States under any article of the Treaty for any purpose, UNLESS in any particular case the Congress, which, under the Constitution, has the sole power to declare war or authorize the employment of the military or naval forces of the United States, shall by act or joint resolution so provide.

Elmoyle, pastor of the Elkton Presbyterian 'Church, and prominently known as the "marrying parson." Thomas Powers, 424 Harris street, is was ousted by the Newcastle Presbytery yesterday after an ail-day session of the clergymen here.

Sixteen persons favored the resolution severing Doctor McElmoyle's pastoral relations, while ten votes were cast against the resolution. After the vote, notice of complaint was filed by one-of Doctor McElmoyle's supporters. This will act pending appeal to the Baltimore Synod, as a temporary check on the movement to oust the pastor.

Doctor McElmoyle, who has been pastor of the Elkton church for 26 years, was defended at to-day's hearing by W. J. Haines, Colonel Einley, Senator Williams, Mrs. Gilpin, Mrs. Thackery, Doctor Owen, Doctor Gilfillan and others.

The pastor's opponents centered their opposition to him on the reputation which he bears as the "marrying parson," a reputation gained through Doctor McElmoyle's officiation at scores of weddings in Elkton.

who said yesterday that the organization will stand behind the government in the maintenance of law and order at all times.

"The murder of Legionairres in the State of Washington at the hands of those who were attacking the law and order of this country, the news of which shocked the convention on Armistice Day, is a challenge which the American Legion accepts, and as individuals we stand ready to offer our services to the duly constituted authority to assist them in maintaining law and order.

The Director General's absence from the city probably will hold off any definite moves by either side in the controversy until late in the week, although almost daily meetings of the labor brotherhoods' representatives with Railroad Administration officials is expected.

Piles and Rupture Philadelphia Specialist

DR. W. S. YODER

Piles

Every person so afflicted should investigate our painless, dissolving method of treating these troublessome affections. This dissolvent treatment is one of the greatest discoveries of the age and no person has any excuse for suffering with Piles while this treatment is so easy to obtain.

I absolutely guarantee to cure every case I undertake, and I further guarantee to do so without giving ether or chloroform and without putting the patient to sleep, and that the treatment must be painless. I do not use the knife, and no acid injections or salves. If you are suffering from piles of any kind do not fall to take advantage of this wonderful treatment. These treatments are given every other Wednesday by a specialist from Philadelphia.

Mr. H. G. Brinkerhoff, a former member of the Legislature, and one of Cumberland County's best known citizens, suffered with protruding piles for twenty years and had been operated on without receiving a cure. I gave him four treatments and his piles disappeared

I had been suffering with piles for some time and could get no relief I called on Dr. Yoder at the Hotel Bolton and he absolutely cured me in two treatments, without pain or loss of time from my work.

JOHN REHMAN, 515 S. Front St., Steelton, Pa. Rupture

It is not necessary for you to wear a truss all your life and to be in constant danger of having a strangulated rupture, which is nearly always fatal. Our method of treating rupture gives results in eight out of every ten cases. It closes up the opening permanently and you can throw your truss away and again feel like a real man. Our fees for these treatments are very small and are within the reach of every one.
