## Milk Wagon Driver Thrown 15 Feet in Air

Chambersburg, Pa., Nov. 20.—Reed Miller, a driver of a milk delivery wagon, was seriously injured at this place when his wagon was rammied by a large oil truck of the Gulf Refining Company, driven by Guy Henry. Miller was thrown clear of the wagon, 15 feet into the air and landed on a sidewalk, sustaining cuts about the face that required 12 stitches to close. The driver of the truck attributed the accident to the failure of the brakes on the machine to operate.

Plans for a hard basketball season are now being made and the team is working out regularly under Prof. M. W. Albright. The opening game will be played with Mount Union High School at Mount Union on Thursday, December 18.

## Newport Camp Gives Evening to Soldiers

Newport, Pa., Nov. 20.—Washington Camp, No. 551, Patriotic Order Sons of America, entertained its returned service men in the lodge rooms on Monday night. Ten returned service men were guests of honor. Brief addresses were made by David S. Fry and Guy Shope, of Newport, and George J. Wagenciel, of Middleburg.

## Transfer Zone Limit Is Not to Be Extended Now

Lemoyne, Pa., Nov. 20.—Extension of the transfer zone limit from West Fairview Square to Enola is not likely at this time, officials of the Valley Railways Company say. Residents of the upper end of West Fairview and Enola were for some time of the opinion the limit might be extended at the time the fares were increased. Officials of the company when asked about it declared no change would be made without a re-adjustment in the rates.

## Michigan Man Gets Perry County Bride

Newport, Pa., Nov. 20.—Announcement has been made by Mr. and Mrs. Amos Fleisher, of Oliver township, of the marriage of their daughter, Miss Helen Ruth Fleisher, to Edwin Frederick VonGlahn, of Suttons Bay, Michigan, at the bride's home by her pastor, the Rev. Wm. C. Ney, pastor of Newport Lutheran Church. Mr. Von Glahn was recently discharged from the Navy. They will reside in Philadelphia.

## Fifteen-Minute Service Will Stop at 8 O'clock

Lemoyne, Pa., Nov. 20.—Announcement was made to-day by James Sensenbaker, Superintendent of Transportation of the Valley Railways Company, that fifteen-minute service would be discontinued on the New Cumberland line after 8 o'clock in the evening on every evening of the week except Saturday. There will be fifteen-minute service from 1 o'clock in the afternoon until 8 o'clock.

## Man Who Shoots Big Bird Shares With Friend

Waynesboro, Pa., Nov. 20.—Elmer McLaughlin was a popular man and his store was the mecca of epicures who "dote" in wild turkey last evening. McLaughlin shot a 13½-pound bird last Saturday and yesterday Mrs. McLaughlin roasted it. Everyone who dropped in received a generous sandwich, garnished up with dressing and gravy. More than 100 sandwiches were served.

## Snow Falls and Mild Weather Prophets Retire

## HOUSE QUITS ON WILSON'S SAY-SO

President First Signs Bill Creating Railroad Equipment Trust

Washington, Nov. 20.—Six months, to the day, after Congress convened in special session, the House formally adjourned at 4:02 p. m. yesterday after receiving word from President Wilson that he did not object to this action. The resolution to adjourn was adopted by a vote of 55 to 5.

The mileage allowance of the members is safe.

Had a quorum been insisted upon, the House could not have adjourned and the little item of \$175,000, now to be divided among the members at the rate of ten cents a mile each way, for the distance between Washington and their home towns, would have been lost.

Only a short recess will be possible as Congress will reconvene in regular session December 1. Many House members had left for home, however, before the formal adjournment, and only sixty were present when the committee sent to inform the President of the situation returned with word that he had no objection to adjournment.

Republican Leader Mondell, Democratic Leader Clark and Representative Townner, Republican, Iowa, composed the committee, which did not see the President, but conferred with Joseph Tumulty, secretary to the President, at the White House.

The committee was told that the President had no objection to the passage of an equipment trust to pay the government for cars and locomotives bought for the railroads during Federal control, and also that for continuing the government control of dye imports until January 15. This cleared the slate.

Seven Bills Enacted. Mr. Mondell inserted a statement in the record declaring that seventy bills had been enacted during the special session, the appropriations measures aggregating \$2,823,283,432, or a decrease of \$940,610,598 from estimates made at the last session of Congress.

Enforcement of national prohibition, extension of the food control act, the suffrage amendment and the return of telephone and telegraph lines to private control were enumerated.

"In addition," the statement said, "the House has considered and passed measures of great importance which the Senate, engrossed in the Treaty, has had no time to consider."

## Groome Will Not Accept Position That Philadelphia Offers

Philadelphia, Nov. 20.—Colonel John C. Groome, head of the State Police, said last night that he was not a candidate for the office of Director of Public Safety, and that if the position were offered to him he would decline.

Colonel Groome who is regarded as one of the best polo players and judges of horses in America, is in New York, where he is one of the judges of the National Horse show.

Ever since the election of Congressman Moore as Mayor the name of Colonel Groome has been persistently circulated as successor to William H. Wilson as Director of Public Safety.

Speaking over the long-distance telephone last night, Colonel Groome said: "I have not seen Mr. Moore, nor have I heard from anyone connected with him regarding the directorship of the Department of Public Safety. I have not been offered the position of Director of Public Safety, but if it should be offered to me, although I would feel greatly honored, I would not consider accepting it under any circumstances."

## Strict Americanism Is Endorsed by the National Grange

Grand Rapids, Mich., Nov. 20.—Strict Americanism, an orderly Government and a concerted effort to reduce the cost of living were endorsed by the National Grange, which also went on record as opposing Government ownership and universal military training.

The action was taken yesterday through acceptance of a declaration of principles submitted by the resolutions committee of the convention. In recording itself against universal military service, the Grange points to America's part in the World War as "another demonstration of the invincible character of a citizen army when equipped with justice and Americanism."

## Fights Follow the Refusal to Pay the Second B. R. T. Fare

New York, Nov. 20.—Refusal of scores of passengers to pay a second fare yesterday on the Flatbush avenue line of the Brooklyn Rapid Transit Company, after the Public Service Commission had decided the company had no right to charge a double fare led to disturbances which necessitated calling police reserves.

Collection of the second nickel was started in the homeward "rush hour." Passengers protested, citing the commission's ruling, but conductors and inspectors pleaded ignorance and insisted on having the extra fare. Attempts to eject men and women from the cars resulted in several fights.

## Body Disinterred Second Time; Poison Is Claim For Death

New Brunswick, N. J., Nov. 20.—For the second time since his burial seven months ago, the body of Theodore Ryerson, a wealthy business man, supposed to have died from indigestion, yesterday was disinterred after his father had charged his son had been poisoned. An analysis of the contents of the vital organs is being made, but the result is not expected to be announced for two or three days, according to Prosecutor Joseph E. Stricker.

Ryerson was buried without a permit on April 19 last. Three days later the body was exhumed and Dr. J. L. Sveddam, county physician, said death had been due to indigestion.

## Lockout Declared

Vigo, Spain, Nov. 20.—A lockout of metal workers has been declared in this city.

## Yudenitch's Army, Cut in Half, Must Flee or Surrender

London, Nov. 20.—The position on the Petrograd front as described in a Bolshevik wireless message is a serious one for General Yudenitch's army, which has been cut in half. It must either surrender, the message says, or cross the frontier into Estonia, in which direction it is being pursued.

In the course of the coming week the region between the Luga and Narova rivers will be cleared. The reports received indicate that the revolt was organized and led by General Galda. After General Galda was wounded he surrendered with about a dozen of his officers, and probably will be deported, the report said. Members of the government, which was organized under cover of Galda's revolt, have disappeared.

One American sailor was wounded by a stray bullet while standing on the deck of the U. S. S. New Orleans, and two British officers are reported to have been killed or wounded while doing Red Cross work.

General Yudenitch is reported, through Finnish advices received today, to have captured 12,000 prisoners and killed 6,000 of the Bolsheviks opposing his armies in Western Russia.

The revolution at Vladivostok has been quelled according to later dispatches.

Somewhere in Russian territory held by the Bolsheviks, the daughter of General Yudenitch, who led his army in an attempt to capture Petrograd, is or was hiding for fear of being shot by the men whom her father is fighting. This fact has been made known here by General Dobransky representative of General Yudenitch in London.

General Yudenitch does not know what fate has befallen his daughter. Her husband was killed in battle with the Germans shortly after her marriage.

## Ship Firing First U. S. Shot First to Sail to Germany

New York, Nov. 20.—Sailing of the American passenger steamship Mongolia, of 13,659 gross tons, from New York to Hamburg via Southampton, on December 15, has been announced by the Atlantic Transport Line. The Mongolia fired the first shot after America entered the war against Germany when on April 15, 1917, she resisted an attack by a German submarine.

You can smile about it now. But it was a tragedy then. No fun at all to wait for second table—to hear the folks praising the tenderness of the turkey, and the goodness of the cranberries. Not pleasant at all to stand with an "aching void," wondering if there would be anything left. But, oh, the enjoyment when your chance finally came. Every meal was a treat in those days! Remember the wonderful bread and butter? Call back the memory of those days with bread that has the keenest eating enjoyment you've ever known—
