LEAGUE MAY ACT ON WAR MEMORIAL

Committee Decides Not to Hold Celebration; Memorial Suggested Instead

With the decision of a committee of the Municipal League, appointed to determine the feasibility of holding a welcome home celebration for the borough's service men, unfavorable to a demonstration, it is altogether likely the league will inaugurate a move to erect a building to be used by the community, as a memorial to the service men.

The committee in session in the steel plant office building last night heard reports from individuals that the service men do not care for a celebration and felt a community building erected in their honor would not only be a fitting token of the town's appreciation, but would supply the borough with a building that it has needed for a long time.

When the committee reports to league members in monthly session on Monday that a celebration is not favored it is altogether likely a recommendation will be made to begin a move to erect a community building. Businessmen have been advocating a move of this kind for a long time and during the past year several moves have been made to encourage the reorganization of a Y. M. C. A.

The move to erect a community building has been encouraged by the Civic Club when several months ago this organization recommended that the Y. M. C. A., or a similar center

be established as a memorial to the town's fighting men.

Members of the league committee which met last night are: Frank A. Robbins, Jr., chairman; E. F. Entwistle, the Rev. J. C. Thompson, Walter L. Guyer and Professor C. S. Davis.

Troop of Girl Scouts Organized in Highspire

Mrs. Helen Mehler, director of instruction of the borough Red Cross Chapter, announced this morning the organization of a troop of Girl Scouts in Highspire. The troop will be known as Troop 1 and will be composed of four patrols. "Jack in the Pulpit" was selected as the troop emblem. Officers elected are: Mrs. Meagary, captain; Mrs. Walter Sides, scout lieutenant; Miss Mary Gallagher, secretary; Mrs. Sarah Parthamore, treasurer; Miss Helen Workman, corresponding reporter.

BURNED BY SLAG

When a slag pile at the Steelton plant of the Bethlehem Steel Company blew up yesterday afternoon after a quantity of water had been placed in it, William Tipsey, 668 South Third street, was severely injured. He was taken to the Harrisburg Hospital at once. In addition to severe burns of the face, neck, hands and back, Tipsey has a lacerated scalp and contusions of the right eye. His condition is reported to be fairly good.

XMAS PARCELS FOR EUROPE

Some few Christmas parcels for provinces in Austria-Hungary are being sent through the local post office, Postmaster Casack said today. Local postal authorities do not expect a heavy foreign Christmas mail this year on account of so many foreigners going back to Europe in the last six months.

Plan to Close Scout Drive in Two Weeks

The Executive Council of the Boy Scouts of the borough in monthly session in the steel plant offices last night decided to close the \$500 fund drive in two weeks. Reports from the various committees indicate that some more subscriptions will be needed to bring the total amount up to the goal. Scoutmaster Charles W. McCoy reported that five troops have been organized; two ready for organization and two or three prospective outfits for organization. The Council decided to hold meetings and demonstrations during the month of February in compliance with a letter from the national organization suggesting a campaign to promote Scout welfare in the various districts.

Clancy-Lavin Wedding Thanksgiving Morning

The wedding of Miss Nora Clancy, 436 North Third street, widely known school teacher and Bernard Lavin of Washington, D. C., will take place in St. James' Catholic Church, Thanksgiving morning at 7 o'clock. The Rev. J. C. Thompson will perform the ceremony. The bride will wear a brown coat suit with hat to match. Other arrangements for the wedding, which will be one of the largest of the season, have not been announced.

TO ORGANIZE CLASSES

Announcement was made to-day by Mrs. Helen Mehler, director of instruction of the borough Red Cross Chapter, that a meeting will be held this evening for the purpose of organizing colored classes in Red Cross home hygiene and care of sick. The meeting will be held at 7.30 o'clock in the Red Cross Teacher center.

Infantry Company Will Represent Boroughs

The infantry company that will represent Middletown and Highspire in the Eighth Regiment National Guard, is rapidly assuming shape. Forty members out of a minimum strength of 100 have already indicated their intention of enlisting in the company, and many more are expected to enroll in the near future.

A booster meeting was held in Highspire last evening in the interest of the company, and a number of stirring addresses were made. Captains H. M. Stine and John T. Bretz, of Harrisburg, former members of the Twenty-eighth Division, spoke on behalf of the company, and Lieutenant Wallace, and President King, of Middletown Car Company, also spoke, telling of the opportunities that accrue to the individual through military service, in a business and professional way as well as in personal development.

Captain Bretz dwelt at length on the attitude of some labor organizations toward the National Guard, and the mistakes that have been made by agitators in opposing the Guard. As a former secretary and treasurer of the local branch, Brotherhood of Trainmen, and a National Guardsman for 29 years, Captain Bretz said the only way for labor organizations to prosper is to be for law and order. The Captain said he stood firmly for the rights of the Brotherhood, but insisted that they were compatible with the activities of the National Guard.

Another meeting will be held this evening in the Liberty Engine house, Middletown, to further stimulate interest in the local company.
