FRIDAY EVENING,

did not have a meeting but went to visit Troop 25, where a fine rally was some team to beat it. We enjoyed the rally very much. Some four fellows helped head scont Executive Virgin on Monday night to Troop 31, which is just be-ing organized. The Scouts from Troop 31 were in charge of John Thompson and made a good show ing. Troop 31, was about twenty-five boys and a fine Scoutmaster. The following members of our Troop were up before the Court of Honor last night: Robert Keller, Joe Hagar, John Thompson, Brue and Wayne Grunden, Joe and Dick Hertzler, James Byrem and Charles Alexander, All of these boys, with the exception of Alexander was to be garatory to being made a First Class Scout. The rally which was planned to be held in the Capitol on Tuesday night next has had to be postponed for a number of reasons. However, the good turf which was suggested for that night, i. e., the giving of jellies and fruit for the wounded soldiers at the Car-lise Hospital may be car-ried out by Troops at their Troop Headquarters. The Scout Executive will be very glad to see that all contributions delivered at Scout Headquarters get to the Carlisle Hospital in good con-dition. Goods should be at Headquarters by ten o'clock on Wednesday morning in or-der to be sent down that day.

We will have lectures on such subjects as First Aid Signaling and the tudy of flowers. At the next meeting a senior pa-trol leader will be elected, owing to the fact that the one we did have has gone away to school. Pack Two Well, our birthday celebration is a thing of the past, and some cele-present, and good cats and lots of games. We met upstairs and at riso went to the basement and started eating. As soon as we had finished Mr. Foose, the Deputy Com-missioner of Group 3 was presented. He congratulated us on our birthday and then asked to be excused owing to the fact that he was obliged to be present at another troop meeting. Scout Commissioner German was the next speaker. He told of the pur-pose of the Scout movement. Next the history of Pack Two was read-following this Mr. Ross Swope, one of our good friends, spoke to us. Then Mr. Markley one of our Troop committeemen was introduced. In a few remarks he assured Pack Two of the hearty support of the com-mittee. The guest whom we wanted to hear most asked to be excused, but we heard her later in the even-ing all right. What, you should have heard Miss Patterson was there? Well, she was all right: And speaking of music, you should have heard Miss Patterson at the piano surrounded by a group headed by "Chef" Snyder of the Broad Street Quick Lunch, singing almost arything you could mention, from "Smiles" to "Keep the Home Fires

the stars will be covered in the near future. The Scoutmaster presented new patrol flags to the various patrols. These flags replaced the old ones which were worn out. We have planned to go on an overnight hike on the twenty-eighth and twenty-ninth. The fellows are preparing to take off their remain-ing first class tests in cooking, sig-naling, map making, and the twenty-mile hike. The most important event of the whole meeting was the Investiture ceremony which promoted Austin Graeff, Paul Gourley, and Bill Barn-hardt from candidate to tenderfoot rank. This is a very impressive ceremony, and we enjoyed it very much. DICKINSON Section
