CHALLENGED HIS CREDULITY

A critic was discussing John Singer Sargent, the artist, with Chauncey Depew and remarked:

"They say he painted a cobweb on a celling once and it was so natural that the maid wore herself out trying to brush it off."

"What you say about the naturalness of the cobweb may be perfectly true" retorted Depew "but there never was any such maid I'm sure."

Fourteen Different Missives Written by Miss Hamill Welcomed on Transports

The Telegraph herewith publishe one of a series of what were known during the war as steamer letters. These letters were distributed among the soldiers on army transports by war workers in order to amuse and the soldiers on army transports by war workers in order to amuse and divert the doughboys on their tiresome trip over. This particular one, called the "Small Sister" letter, is one of the fourteen written by Miss Lila A. Hamill, of Harrisburg: "Dear Brother Bob: "The family is in the library writing you steamer letters. I am ordered out 'cause sister Anne said "you are too young to write a steamer letter and hear family comments."

"Do you remember how you could make better soldiers than the other fellows? You could take a piece of wood and with your penknife make soldiers that would sieken and chill even old Kaiser Bill. You will make the best human soldier I know. You and I played toy soldiers—and now 'tis not playing. 'Tis real war. I want to be big and do big things. Take Salts to Flush Kidneys and Neutralize Irritating Acids

Kidney and Bladder weakness result from urle acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, obliging you to seek relige two or three times during the light. The sufferer is in constant dread, the water passes sometimes with a scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relige two or three times during the light. The sufferer is in constant dread, the water passes sometimes with a scalding sensation and is very profuse; again, there is difficulty in avoiding it.

Bladder weakness, most folks call it, because they can't control ur'nation. While it is extremely annoying and sometimes very painful, this really one of the most simple aliments to overcome. Get about four ounces of Jad Salts from your plarmacist and take a tablespoonful in a glass of water before breakfast, continue this for two or three days. This will neutralize the acids.
