MORE TROUBLE FOR RAILROADS

RAILROAD NEWS OF TIMELY INTEREST

Frost Is Showing Up Rail De fects; Scarcity of Cars and Material

With the approach of cold weather railroad officials see additional trouble, unless some new equipment is forthcoming. There is a marked scarcity of materials. Rails are badforth every effort to get their road-beds in shape for winter.

being discovered almost daily, and i repairs are made as promptly as possible. There is an active campaign on to economize wherever it is possible, but at that, officials say there is considerable borrowing and lending between divisions and railroads in order to meet the important needs in way of repairs.

Wreck at Conewago

This morning an eastbound stock train picked a switch at Conewago. Nine cars were derailed. Only one car was damaged, and traffic on but one track was blocked. Wreck crews from Lancaster and Harrisburg worked for several hours. No person was injured.

Wrecks are bad things and rather costly at anytime, but just now with a scarcity of cars, and a desire to get all the coal over the road that is being mined, a smashup is doubly expensive, according to one official to-day. At present railroads are having trouble in supplying the demand for mills and industries for cars.

Veteran Baggageman Is Given One Big Surprise

Charles F. McCormick, recently retired as baggagemaster at Lewistown, after thirty-five years' service with the Pennsylvania Railroad Company, was yesterday summoned to Altoona on a cleverly arranged pretext. As soon as he arrived at the Mountain City he was met by a committee and escorted to a meeting that was being held by the Altoona agents.

Here the veteran baggagemaster was announced as a guest of honor and was presented with a magnificent easy chair.

Mr. McCormick's card showing that he has been retired from serv-

scarcity of materials. Rails are badly needed, and repairs of cars and
engines are being delayed because
of shortage of material. Both the
Pennsy and Reading are putting
forth every effort to get their roadbeds in shape for winter.

With the frost getting into the
ground, railroad roadbed defects are
being discovered almost daily, and
repairs are made as promptly as
possible. There is an active camservice contains some interesting reading, among other things showing
that the position of baggagemaster
thirty-five years ago paid \$35 a
month and then gradually went up
until at the time of his retirement
he was drawing \$120.

The card also is unique in fact
that under the heading "disciplined"
the ensuing space is conspicuous by
its absence of any words mutely
showing that in all his long years of
service Mr. McCormick was never

showing that in all his long years of service Mr. McCormick was never disciplined. The card is signed by J. C. Johnson, superintendent, who pinned on it these words: "May the coming years be full of joy and satisfaction due one who has given thirty-five years of loyal service to the Pennsylvania Railroad Company."

MAKE MAN TABLETS

A Powerful Iron Tonic

Active businessmen and progressive women need something to sustain them in the arduous work of everyday life.

People who are doing something worth while all the time will find that the use of Make-Man Tablets will give them additional force, vim and energy—the kind that simply overflows with rich, red blood, produced by the special form of iron used in their manufacture, creating new blood cells, strengthening the nerves, rebuilding the weakened tissues and instilling force and energy into the whole system.

Make up your mind to give Make-Man Tablets a thorough test, weigh yourself when you start taking them

Man Tablets a thorough test, weigh yourself when you start taking them and after you have used the first box, go on the scales again and see how much you have gained.

Hundreds of nervous, run-down men and women who were ailing all the time have not only increased their weight, but obtained greater strength and endurance simply by taking iron in the proper form.

Make-Man Tablets are sold at all reliable drug stores. Price 50 cents. Ashland Supply House, Sole Distributors, 325 W. Madison St., Chicago, Ill.—Adv.

Cough and Catarrh

Oil City, Pa.:—"Ten years ago my husband was so far gone with a 'hanging-on' hacking cough and estarrh that he had to give up his work and started to go to a doctor, three miles away. He only got two miles away when he had to give up and rest at the general store there. The store-keeper noticed his condition and made him take a bottle of Dr. Pierce's Golden Medical take s bottle of Dr. Pierce's Golden Medical Discovery; opened it and gave him a dose then and there. After a while he was able to return home. He finished the bottle and gained strength rapidly. He then bought a second bottle and it completely cured him so he was able to do a hard summer's work without complaint. This was ten years ago, and today he is working unloading lumber at the west end of the city."—MRS. GEORGE BRADLEY, 108 Walnut St.

The best time to cure a cough is when it rates. Ordinarily, a few doses of Doctor Pierce's Golden Medical Discovery will cure a cough at the beginning. But even when the cough is deep-seated and the body is wasted by emaciation, the use of "Golden Medical Discovery" in most cases will be of permanent benefit.

For sale by druggists in liquid or tablets; or send Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., 10 cents for trial package.
