Foreign Office Declines to Comment on the Reported Tsing-Tao Concessions

Tokio, Nov. 24. — Viscount Uchida, the foreign minister, will be appointed Japanese ambassador to Great Britain, and H. Juin, at present ambassador to Italy, will take the portfolio of foreign affairs, according to a statement made by the Yomhuri in an extra edition today.

The newspaper says in connection with the change, that Japan has decided not to establish an international concession at Tsing-Tao, as suggested by Viscount Uchida in Sep-

tember, but will maintain an exclusively Japanese concession there. The foreign office declined to comment on the report that Japan will maintain an exclusive Japanese concession in Tsing-Tao, saying that this question forms part of the future negotiations with China concerning Shantung.

"Remember, Mary, papa was no relation to us until he married mother."—Carletons Magazine.

MAKING SEARCH FOR CREW OF LAKE STEAMER

Boats Patrol Shores of White Fish Bay, Where Ship Went Down

By Associated Press. Sault Ste Marie, Mich., Nov. 24. — A wide search was being continued today along the shores of White Fish Bay in the hope of locating the boats of the steamer, Myron which sank yesterday, would be blown ashore. Eighteen persons, comprising the crew of the steamer, are believed to have been lost when the steamer foundered unless they were able to keep the boats afloat.

The steamer is another victim of Lake Superior's fury of the past two weeks. Caught in a terrific northwesterly wind, the ship sank a mile and a half off White Fish point early yesterday.

Futile efforts were made by two steamers to throw lines to the men clinging to the cabin. So wild was the sea, however, that the men could not hold the lines and for their own safety the two steamers were compelled to leave the scene.

The United States gun-chaser 438, also was scouring the bay for possible survivors. The beach is covered with lumber, the Myron's cargo, but not a body had come ashore. The Steamer Calumet, passing here late yesterday, reported sighting a waterlogged lifeboat south of White Fish Point. As far as could be ascertained the boat was unoccupied. The barge Miztec, which the Myron had in tow when she left Munsing downbound was cut loose and was picked up by an unknown steamer, which towed into shelter at White Fish Point. The barge's deck load of lumber and rudder were carried away, but it is understood her crew is safe.

When the steamer Adriatic, ice-covered, locked through here yesterday a boy and a captain reported that he twice turned his ship around trying to pick up the stricken vessel's crew, who were then in two lifeboats. The men were unable to hold the lines, however, and the attempt at rescue had to be abandoned.

The steamer McIntosh later passed the Myron close enough to throw lines to several men seen clinging to the cabin. The men had life preservers on and were calling for help. This attempt at rescue also failed, and the men, unable to grasp the lines, had to be left to their fate.

The Myron is the third vessel swallowed up by storm driven Lake Superior in the last two weeks. The other two were the H. E. Runnels and the John Owen, the latter with the loss of her crew of 22 men.

Harvard Has Clean Slate; Wins Over Yale Eleven in Sensational Game

Cambridge, Mass., Nov. 24.—Harvard won the annual football game from Yale by the score of 11 to 2. A goal from the field by Ralph Horween from the 40-yard line in the first period, and a touchdown by Eddie Casey in the second period of the game accounted for Harvard's points. In the third period or the start of the second half, Yale assaulted the Harvard line. Splendid gains were made at first. The ball was carried 42 yards by the onrush of the Bull Dogs only to be lost on downs when within a yard of the goal.

Twice Yale held for downs by Harvard that batted just as desperately as did her old rival. Then in the fourth period Yale seeing that it was high hopeless to force her way through the Crimson line, called upon Big Braden to try for a goal from the field. It was within a whole lot of any player, for to succeed, Braden had to kick more than half the length of the field. But with the crossbar he hit the ball over the crossbar from the 52-yard line.

A rather interesting sidelight on the game was the participation of "Babe" Allen, right end for the Elms, "Babe" enlisted in the Twelfth Field Artillery of the famous Second Division in June, 1917, and after serving with them until March, 1918, was sent back from the front and took the course at the Saumur Artillery School, being assigned later to the Fourth Division.

He played on the football team of the Fourth Division, and returned to his country in the summer after having been a member of the American Mission in Poland. Throughout the entire time he was in the service, Allen had his only desire was to play on another Yale team against Harvard. He played on Alec Wilson's team in 1916, when the Crimson trampled them in the earth, 41-3. This year he had his chance again, and played a wonderful game for the Blue, but his hopes of victory were not realized.

Coatesville Is Easy For Harrisburg Cage Team Harrisburg Independents played all around Coatesville five Saturday night, winning by a score of 39 to 19. The Harrisburg team was led by the Bush Brothers, and Evans, three big stars. After the visitors warmed up the game went better. Coatesville was off in shooting. The locals had everything in the bag.

At times the floor work was fast. The goals by Coatesville from the lid were all at difficult angles. A big crowd enjoyed the contest, although one-sided. The management announced that the attraction for Thanksgiving evening will be the strong Garnet five, of Philadelphia, who Saturday evening the locals will line up against the Norristown aggregation. Camp Curtin Is Loser in Game With Highspire High

Camp Curtin went up against a heavy team at Highspire on Saturday and lost out score 12 to 0. Captain Eric Wilsbach was out of the lineup, and this made a shift in the lineup necessary. Crownshield was injured early in the game. Camp Curtin has but two days practice in which to correct the mistakes shown in the Highspire game, before they meet Edison for the Junior High championship Wednesday afternoon of this week. The Camp Curtin coaches hope to be able to start their regular lineup against Edison, but Crownshield and Wilsbach are both on the injured list.
