## The American Legion Should Appeal to All Service Men and Women

Like the Grand Army of the Republic that linked together the service men after the Civil War, so the American Legion today offers an organization in which all men and women who served in this great World War for democracy may keep united. Everyone who is eligible should feel proud of the distinction of having the privilege of being a member.

The first annual smoker will be held at Chestnut Street Hall, December 4th at 8.00 P. M. and admission is free to all ex-service men of Harrisburg, and also the women who served in Army and Navy welfare work.
