## TWO BIG GAMES FOR CAGE FIVE

### Independents Meet Garnets on Thursday; Norristown Saturday Bill

But one change has been made in the lineup of the Garnet five over that of last season, that at the center position. When the Philadelphia Redlegs go on the floor against the Independents Thursday night they will have Klotz at the pivot post. Klotz is not very well known in this district, but is understood to be a good player.

Outside of Klotz, the Garnets will be the same as last year, when that speedy traveling combination made several trips to Harrisburg for games with the Independents. Dienes and Haire, the forwards, have played in Harrisburg on a number of occasions, having made trips here with the Garnets for the past several years. As guards, Parker and Ehlers will hold forth. This pair has also played together for some time, and are regarded as capable men on the defense.

With the Garnets known as Philadelphia's foremost traveling combination, the Independents are keenly interested in adding the team among its list of victims, and to be better prepared for a practice has been called for to-morrow night, to be held in the Chestnut street hall. At this time the exact lineup of the Independents for the Thursday night game will probably be decided upon. As far as is known now, McCord and Wallower will fill the forward positions, Moore, head at center, and Gerdes and either Ford or Kline at guards. Should Kline play Thursday night, it is probable that Ford will get in the Saturday night game.

Norristown is billed as the Saturday night attraction, and the "Indies" are in for another hard battle.

## GILL WINNER IN SECOND ROUND

### Frankie Britton Sent Through the Ropes to the Floor; Other Good Bouts

That Johnny Gill is a better man to meet O'Dowd the champion, was proved last night at the Joe Barrett show in Steelton. Gill hit Britton on the jaw in the second round, sending the Quaker boy through the ropes to the floor. Britton was unconscious when he fell, the blow having put him to sleep.

The referee counted him out, and then Britton's seconds threw the towel into the ring, claiming a technical knockout. There was nothing to the fight, but Gill, Britton was willing to fight, but he lacked the punches to make an impression on the local boys when he fell, the blow having put him to sleep.

Gill won a Decisive Victory

There were doings in last night's show seldom witnessed by local fight fans. None of the bouts went the limit. Little Jeff, of Baltimore, scored a knockout over Jimmy Tender, of Philadelphia, in the first round. Jeff was strong from the start. Tender had the ability, but his punches lacked steam. It was a good battle with Little Jeff the favorite all the time.

Richmond Wins

Kid Richmond, another local favorite put it all over Joe Dundee, of Philadelphia, in two rounds. Richmond was a real fighter and had his opponent in bad shape in the first round. Early in the second a blow on the stomach sent Dundee to the floor, before the referee counted him out. Dundee's second threw a towel into the ring. Dundee was a sick boy.

Willie Langford, now of Steelton, fought six fierce rounds with Jimmy Duncan, of Middletown. Langford had the best of the battle, but Duncan was game and had him been in condition would have given Langford a real battle. But it was a good fight. In the preliminary Harry Hilibrand of Steelton put Red Johnson of Harrisburg, out in the first round. It was a slugfest match.

The Barrett show last night pleased a record crowd of fight fans. It was real fighting and was given to the benefit of the Red Cross. The show was especially pleasing and every boy on the bill fought his best. The next show is scheduled for December 8, with Billy Angelo and Kid Alberts scheduled for a 10-round windup.

## FOOTBALL SEASON HERE TO CONTINUE FOR TWO WEEKS; TECH HAS HARD SCHEDULE

Football season in Harrisburg will not close until December 6, and there may be a game on Christmas. Here is the schedule:

Annual championship battle, Camp Curtin Junior High vs. Edison Junior High, Island Park, Wednesday 3 p. m.

Tech High vs. Steelton High, Thanksgiving, at Island Park.

American Legion, Army-Navy game, Saturday, November 29, Island Park.

Tech High vs. Erie High at Erie Saturday, November 29.

Tech High vs. Masten Park High School of Buffalo, N. Y., Saturday, December 6, at Island Park.

Probability

Tech High vs. Scott High School, claimants of United States championship for two years, Christmas Day.

The champion Tech High School football team will play its three most important games of the season within the next two weeks and two of them will be on the island. Tech will meet its strongest rival, Steelton High, Thanksgiving afternoon, and immediately after the contest will take a train for Erie, where they will arrive early Friday morning. This will give them a chance to have a practice on the Erie field Friday afternoon.

Saturday Tech should take the field in first class shape for their important struggle for the State championship with Erie High. This aggregation has two 10-second men in the back field. They will have plenty of chances to show their ability against the Tech fliers in the back field.

Erie Undefeated in Eight Games

In eight games, Erie has not been defeated, and has run up 297 points to its opponents' 19. Then the following week, Tech will oppose Masten Park of Buffalo for more honors. These lads have also a long string of victories.

Carl Beck came out of the Navy game Saturday with an injured right shoulder. To-day he was carrying the injured member in a sling, but will have it in working order by Saturday according to the doctor. Whether it will be right for the Steelton game is a question. Hoff-sommer is still on the sick list, and Captain Frank will not be able to play against Steelton.

H. E. Benner, in charge of the refreshment stand on the island will give a live turkey to the Tech players who score the greatest number of points against Steelton. The bird will be decorated with Tech colors, and laid around the field between halves.

Hitcher, of Dickinson; Reagan and Pendergast, of Villanova, are mentioned as probable officials.

## Army-Navy Game Certain For Saturday Afternoon; Teams Work Hard Daily

The Army-Navy game will be played at Island Park Saturday afternoon as scheduled, starting at 3 o'clock. The teams will be lined up to-day and work started for this battle. The Army will have a signal drill Wednesday night, and the Navy will get together each afternoon. This game has attracted much interest because the players are numbered among those who have won gridirons during their service in France.

Tech was anxious to play Erie on Saturday in this city. The American Legion, who is directing the local Army-Navy game waived their right to the Island, but Erie preferred the game at home, and as it would mean a large guarantee for Tech it was decided to go to Erie. This leaves a clear field for the Legion event.

In all probability Pat Reagan will captain the Army team. The Navy lineup will include a number of boys who will be home Saturday and get into the Navy lineup. Drills will be in order from now until Saturday and each team will have some interesting football to offer.

## Yale Still Leads in Games Played to Date

Yale and Harvard have met on the gridiron 37 times. The Blue has won 24 games to only nine for the Crimson. Four ended in a tie. No games were played in 1917 and 1918 on account of the war.

After losing four straight games Yale broke the streak in 1916 by defeating Harvard, 6 to 3.

The record of the two eleven's since 1897 follows.

Year	Y	H	Year	Y	H
1897	0	0	1918	0	4
1898	0	17	1919	8	0
1899	0	0	1920	0	0
1900	28	0	1921	0	0
1901	0	22	1922	0	20
1902	22	0	1923	5	15
1903	16	0	1924	0	36
1904	12	0	1925	0	41
1905	6	0	1926	5	3
1906	6	4	1927	No game	
1907	12	0	1928	No game	
			1929	3	10

**PLAYERS INJURED**

Gettysburg, Pa., Nov. 25.—For the first time this season the Gettysburg College eleven is in a crippled condition. Five dependable regulars may be unable to play against Franklin and Marshall at Lancaster on Thanksgiving day. After playing almost four years without being hurt, Cliff Moser, quarterback, fractured a rib last Saturday and is out for the season. His loss will be felt greatly on Thursday, although great things are expected of Davis, who will replace him. Guard Briggs has a fractured jaw. Tackle Lerew an injured side and Fullback Bream an injured hip. Houtz, a leading ground gainer, is ill and did not report yesterday afternoon.

## EDISON JUNIOR HIGH SCHOOL NOTES

The entire school will go to the auditorium to-day during the special activities period. After the routine program the period will be devoted to the singing of school songs and to the practicing of school yells. Miss Ella Ryan will lead the singing and the cheering will be led by the cheer leaders, Helen Forsythe, Dorothy Long, Mary Collins, Ethel Fitch, Harold Frack, Louis Himes and John Carl.

When the citizens were dismissed from the auditorium to-day they were asked to give a special sacrifice gift in the form of money to be devoted to the Thanksgiving gift for charities. The school wishes to have its students realize that a gift is only a gift when it is given in the spirit that carries the giver with it. "That the gift without the giver is bare." The citizens were asked to sacrifice a car ride, a plate of ice cream, or the like and give the money thus saved to the charities realizing that it will do some good to someone less fortunate. A generous response resulted.

At first the principal had thought to limit the gifts to this money but the young citizens desired so much to give various useful gifts such as they have been accustomed to give heretofore that on Wednesday morning an opportunity will be given to any citizen to bring their gifts of good things to eat and the like. These gifts will be first taken to the home rooms where they will be grouped and later taken to one room from which point they will be sent to the charity that should receive them.

**WEST END TO PRACTICE**

West End will hold a practice this evening at 6 p. m. at Fourth and Woodbine. All players are expected to be on hand. The West End will play at Mechanicsburg on Thanksgiving afternoon.

## A Good Smoke

Not So Much a Matter of Price

as it is of Quality in

## Knoll's Ambrosia Cigars

Labor costs compelled us to raise the price to 8c—2 for 15c—so don't blame the man behind the counter.

Ambrosia is that cigar with the Million Dollar Flavor. If you haven't met it yet, say Ambrosia to the man—then taste the taste!

## Good Coal to Roast the Turkey

How will your range behave this Thanksgiving when you put the turkey in the oven?

An inferior quality of coal will make a fire but not of sufficient intensity to roast the turkey in time for dinner. That is the day of all days when everything must run smoothly in the kitchen and the range fire be absolutely dependable.

Kelley's "Blue Ribbon" Coal is quality coal for the quality bird.

It is fuel that is richest in carbon and its consumption is not marred by dirt or slate.

Better order some.
