

# JUNIOR HIGH GAME GOES OVER UNTIL FRIDAY--TECH MEETS STEELTON TOMORROW

**TEAMS IN GOOD SHAPE FOR ANNUAL THANKSGIVING GAME; STEELTON ANXIOUS TO SCORE**

## SNOODLES

By Hungerford

CAPTAIN HAPS FRANK

COMFORT (Star Kicker)

With 555 points scored by the Tech football machine in nine contests, Tech will wind up the regular season on the Island tomorrow afternoon with Steelton High School as the opponent. Steelton's one ambition will be to score, and thus smirch the untarnished record of the Maroon warriors. To record the Tech goal line will be as good as a victory for the steel tonners.

Greensburg, Mercersburg and a host of other teams tried to do the same thing, and every lad on the Maroon eleven claims that Steelton will share the same fate as the rest of the opponents.

No team in the country has a record as enviable as the one set up by the Tech team. Center College, down in Kentucky, is the only college team that has scored 490 points. But here in Harrisburg is a team that has knocked out 555 points. Some records!

**Beck Has Bad Arm**

Carl Beck still carries his right arm in a sling, and without him Tech will be minus her best offensive player. Whether he will be able to play in the Thanksgiving contest is a question. Wilsbach also has a bad knee that may give him some trouble. Cap-

### Grid Warriors Who Will Be in Tomorrow's Big Battle

STEELTON HIGH HAS SQUAD OF SPEEDY BOYS THIS YEAR

### GILL TO FIGHT SHEELER AT YORK

**Borrell Refuses to Make the Weight For Battle; Strong Windup Feature**

York, Nov. 26.—Another fine boxing card of importance is in store for local fight fans on Tuesday, December 2, in which Johnny Gill, the local pride and Kid Sheeler are matched in the windup. This show will be under the management of Harry White, a former bantam weight boxer, and who has recently returned from overseas with Uncle Sam's forces.

He tried to match Joe Borrell with Gill but the former refused to make the weight limit for Johnny and as a result the bout is off. Borrell is more of a light heavyweight and Gill refused to meet him at catch weights. So in his place Kid Sheeler has been secured. Sheeler met Gill in this city several years ago when both lads were new to the boxing game and since that time both boys have made gigantic strides in the fast game. Sheeler is more than anxious for another chance at the local pride and he is determined to get the best of him. Sheeler recently knocked out Frankie Dine and since that time has been going on cleaning up everything in sight.

In the semi-windup will be seen Paddy Scavron, of Shamokin, and Cyclone Smith, of Lancaster. Both of these lads are rugged lightweights and from all indications the bout will be a slashing affair. Smith is the lad who recently went ten rounds with Billy Angelo at Steelton and claims to have lost out by a close decision on points.

In the third bout of the evening Dick Gotwalt, the local flyweight boxer, will be opposed by Martin Judge, of Atlantic City. Gotwalt recently returned from a tour of the middle west where he did some excellent work. Not much is known of Judge but he claims that he will take the measure of the York boy in their meeting in a local ring. Two more bouts are scheduled for this show and they will be announced later.

### Junior High Game to Be Played Friday Afternoon

Due to the rain and muddy field, the Junior High game between Ed-ison and Camp Curtin, scheduled for this afternoon, has been postponed until Friday afternoon. Play will start at 2:30, and the parade at 1:30 p. m. All arrangements made for to-day will be followed Friday.

Besides the community officers and cheer leaders, Mr. Albright and three visitors from Tech, Paul Shank, Fred Morgan and John Houston, were on the stage. Besides cheering and singing the community listened to an address by Mr. Albright on "Pep" and "Glee". Mr. Wallize then read the directions for cheering and gave instructions to the Edison Citizens as to the formation of the parade and the route to be followed.

At the close of the exercises as the citizens were leaving the room they had the privilege of making their offerings to the city charities. A generous contribution was received. The traffic officers met to-day after school under the direction of Miss Julia Ryan and completed their plans for their part in the demonstration.

### MANLIUS PLAYS ERIE TOMORROW

**New Yorkers Will Meet the Strongest Team on Their Schedule**

Syracuse, N. Y., Nov. 26.—Manlius Schools' football team, winners of the Central New York preparatory title, will face its supreme test of the season on Thanksgiving Day, when the Cadets will clash at Erie, Pa., with the Central High School combination of that city. The Erie eleven is yet to be defeated, and has piled up a total of 297 points against the 19 scored by its opponents.

But two teams have crossed the Erie goal line this season. Tonawanda High School was the first to do so, but drew the short end of a 20 to 6 score. Lafayette High School of Buffalo, one of the best schoolboy football machines in Western New York, was the only other team to score, but lost 32 to 13.

**Manlius Is Strong**

Manlius, while not undefeated, has had a very successful season on the gridiron. Her defeats have been limited almost wholly to games played with husky freshmen eleven of New York State universities, Syracuse and Colgate both claim Manlius scalps, but the Prop. School eleven held the Maroon Fresh to a 2 to 0 score, although outweighed many pounds to a man.

Since the Colgate game staged as a preliminary to the Colgate-Syracuse varsity battle, the Red and Black have been resting up and pointing for the Erie game. Erie is a historic rival of Manlius, and honors to date are about even.

Coch Bill Gilston, of the Cadets, yesterday started his protégés on the final grind of training work. The scrimmage of yesterday will be followed to-day by a light workout, and then the squad will hit the trail for Erie. Manlius will spring a series of new plays on the Keystone eleven, the past two weeks having been spent in perfecting them.

**Tech at Erie**

On Saturday Erie plays the Tech High School team of Harrisburg, at Erie. The Keystoners have not been defeated or even scored on. Tech has totaled 555 points on their opponents. The latter included the best eastern teams available. The Harrisburgers claim the championship of the United States, and will play Master Park High School, of Buffalo, on December 6, and Scott High School later to decide the title.

**WHARTON TO RETIRE**

Philadelphia, Nov. 26.—Dr. Charles M. "Buck" Wharton, for quarter of a century line coach for the University of Pennsylvania football team, has announced that he will retire from active coaching after the Cornell game on Thursday. He says he will devote his entire time on the campus to the duties of the University, instructing the various teams from the undergraduate body in the fundamentals of football, baseball, basketball and physical exercise.

**SUSPEND MEL COOGAN**

Milwaukee, Wis., Nov. 26.—The Wisconsin Boxing Commission suspended Mel Coogan, Brooklyn light-weight boxer, and his manager, "Scotty" Monteth, for eight months for failure to post forfeit for the Pinky Mitchell bout in time and because Coogan boxed within six days prior to the originally-agreed date of bout, causing a postponement of the contest.

### TWO CAGE GAMES ON LOCAL BILL

**Garnet Five Here Tomorrow; Norristown Plays on Saturday**

**BASKETBALL TO-MORROW**

Attraction—Garnet Five, of Philadelphia, vs. Harrisburg Independents.

Place—Chestnut Street Auditorium.

Time—8:50 p. m.

Probable lineups:

Garnets: Independents.

Dienes, f. McCord, f.

Haire, f. Wallower, f.

Klotz, c. Moorehead, c.

Parker, g. Gerdes, g.

Ehlers, g. Kline, (Ford) g.

Referee—Geisel.

Next week will mark the opening of the two-game-a-week program of the Harrisburg Independent basketball team. There will be two contests this week, one to-morrow night and one Saturday night, but that of to-morrow is a holiday game.

The decision to play an additional game each week was made following a pressure that was brought to bear upon the Independent manager by many fans of the game who are unable to get to the Saturday tilts. It is the intention of Manager Ford to continue to secure strong attractions for every game, and the fans will be given the best during the winter months.

The Garnets, booked to oppose the "Indies" to-morrow, Thanksgiving night, are sure to give a good account of themselves. Dienes and Haire, the two elongated forwards of the combination, have played in Harrisburg on a number of occasions, and have always showed up well. The fact that four of the five members of the Garnet team have been playing together for years is an item in their favor, for it should guarantee a fast and clever contest.

Little information has been secured here as yet concerning the Norristown team, which is to be the opponent of the Independents in the Saturday night game this week. Norristown has long boasted a good representative combination, and there is no reason to believe that there will be any change in the caliber this year.

**H. C. OF I. SOLVED**

"Borneo has solved the H. C. of I.," says a letter from Dr. J. M. Hoover, of Chambersburg. "Every member of the family merely grabs a piece of the hardened boiled rice and makes a meal of it. The second course of the meal, or the other meal of the day consists of old park, very appetizing, of course."

Styles in Borneo go according to the shape of women's ears, also. There are no politics, very few taxes, and everybody works. Dr. Hoover advises those who are discontented with the industrial unrest of this country to go to Borneo.

**THANKSGIVING SERVICE**

There will be special Thanksgiving service in the Park Street United Brethren Church Thanksgiving Day, at 10 o'clock. The sermon will be preached by the assistant pastor, Rev. S. A. Miller, on "Be Thankful Unto Him." Special music will be rendered under the direction of Mr. Bowser.

### SATURDAY GAME TO BE THRILLER

**Army Wants Navy Scalp, but the Gobs Dispute This Argument**

Harrisburg is going to see some of the best football ever played in this city when the soldiers and sailors mix it up on Island Park Saturday afternoon at 3 o'clock. With Tech gone away to Erie to win more laurels for the Maroon, Harrisburg football fans will find an able substitute for their arena tastes.

The doughboys and gobs are going to put on a show that will last for a long time in the memory of the crowd that will watch the game. From "Pat" Reagan, captain of the Army team, on down through the lowliest scrub, the hardboiled warriors of the wrapped leggings are going to put out some play that will stand the gobs on their ears, at least that's what they say, but the Sailors have a different story. They declare that they are going to carry the Army along the same way they were doing it last year.

Although they were playing a much bigger game last year about this time, the ex-service men have not forgotten how to use the pig-skin, and followers of boxing say that when Johnny Gill, the well-known scrapper and halfback for the Army team, gets into action, the fur is bound to fly. Gill is in fine shape and says he is anxious to get a chance at the game again.

Navy followers are not saying very much yet, as they claim that there are not sufficient seadogs around Harrisburg to cope with the Army fighters; but as there are several places still open, those who want to get into the game can call up Welly Jones, at the editorial rooms of the Telegraph, and fix it up with him. Tickets will be on sale to-day.

### Rote Won Laurels With Lehigh in Year's Games; Big Factor Last Saturday

Football fans who have followed the game this season have not overlooked Rote, the former Central High and Gettysburg star. Referring to the work of the Lehigh team in Saturday's game with the Philadelphia "Connemacher" sport writer on the Bethlehem Globe says:

"I hope Rote gets into the game to-morrow and if he does, watch him go. He's a real find. I believe he is sitting in the stands, and is likely to run wild. This prophecy came true for during the period he remained in the game he proved himself a valuable man to Lehigh. The only six points garnered came as a result of the spectacular effort of the diminutive quarterback. The play that sent him across after a sprint of thirty yards was well planned, particularly so when it is recalled that the well chosen attack caught the well drilled Suberband machine entirely off its guard. Lehigh students can feel justly proud of the Harrisburg boy who, together with Mike Wilson, Larkin, Booth, Spagna and 'Vic' Viscardi, put up a work of art strength on Lehigh attack and defense."
