

IN AND ABOUT STEELTON RESIDENTS TO HAVE BUSY DAY

Thanksgiving Day Activities Include Many Important Events

Thanksgiving Day will be observed throughout the borough to-morrow with the closing of stores, public offices, schools and many departments in the steel plant during the day.

In the morning the annual Thanksgiving services of protestant churches of the borough will be held in the first Methodist Church.

St. James' Welcome Home One of the most important affairs of the day will be a welcome home service for members of the church who served with the colors, in St. James' Catholic Church.

Through the perseverance of our faithful workers through warm weather inconveniences, we more than completed our allotment of knitting for the refugees by shipping 148 children's sweaters, 175 women's shawls, 94 scarfs, 326 pairs of wristlets, 1,102 pairs of men's socks, 1,076 men's sweaters, and 50 Red Cross nurses' sweaters.

Movie Headquarters "As the demands for hospital and refugee supplies decreased, we gave up on July first, to the Bethlehem Steel Co., the headquarters which

which already from years of service in time of need had the general confidence of the country. The necessities of war are over, it is true, but they have left with us local problems and needs for which through our war work we have a keener sense of responsibility.

Robert Anderson, the year-old son of Mr. and Mrs. Robert Anderson, 42 South Second street, died in the institution for 40 days.

TELEPHONE RATES ORDERED CUT

By efficient and economic management to contribute to stabilizing conditions than can be accomplished by any other single agency it would be possible to emphasize in an enumeration.

State Milk Producers' Association held in the Trust Building at this place, officers were elected for the ensuing year and delegates elected to the national convention.

Milk Producers Elect Officers and Delegates

Chambersburg, Pa., Nov. 26.—At the regular meeting of the Inter-

Furnace going full blast—only using one room!

Coal costs too much to waste these days. Then why feed the furnace, just to keep one room comfortable?

It's entirely unnecessary. A Perfection Oil Heater will give ample heat for any room and you can carry it with you from place to place.

PERFECTION OIL HEATERS

No mussing with coal or wood, no waiting for the fire to "burn up"; a Perfection lights at the touch of a match and gives off full heat at once.

Smokeless, odorless and absolutely safe. You can't turn the wick too high.

This handy heater will save you at least a ton of coal this fall and help keep fuel bills down all winter long.

See the various models at your dealer's today—you'll be surprised how inexpensive they are.

RED CROSS CHAIRMAN LAUDS WORKERS FOR FINE SUPPORT

In Annual Report, Mrs. Robbins Reviews Work of the Local Chapter During Past Year and Points Out Need of Co-operation of Residents in the Future

Pointing out the important and essential work done by the members of the Red Cross chapter during the past year, Mrs. Frank A. Robbins, Jr., chairman of the organization in her annual report at a meeting of the Chapter in Trinity Parish House, Pine street last night, lauded workers for their unflinching support and asked them to be loyal in the future.

"In my report a year ago, I outlined briefly the accomplishments of the Steelton Chapter through the height of the war period preceding the signing of the armistice. Our work during the last year has been along different but no less essential lines, more of the everyday humdrum things near at hand, in place of the high keyed war work on supplies for the armies abroad."

Workers Faithful "Through the perseverance of our faithful workers through warm weather inconveniences, we more than completed our allotment of knitting for the refugees by shipping 148 children's sweaters, 175 women's shawls, 94 scarfs, 326 pairs of wristlets, 1,102 pairs of men's socks, 1,076 men's sweaters, and 50 Red Cross nurses' sweaters.

Membership Campaign Results The annual rollcall just completed resulted in a total of 2,386 members compared to 2,284 at the Christmas rollcall of 1918. This decrease is due in part to the reduced earnings of the majority of our inhabitants, but mainly to the feeling, which seems to be prevalent to some extent in every community, that with no further necessity for providing hospital supplies and daily comforts to our soldiers, the work of the Red Cross is over and deserves no further support from the public.

REAL ESTATE TRANSFERS Announcement was made to-day by C. Hess, real estate dealer, South Front street, of the sale of four lots of the Robert Estate in South Sixth street, to Peter Zobic, of Steelton. The owner expects to erect dwellings as soon as prices decline, it is understood.

INFANT DIES
