

PARLIAMENTS FOR IRELAND IN HOME RULE BILL

New Measure May Be Introduced Soon by Cabinet Committee

London, Nov. 26.—A new home in Ireland, with a council or senate of forty to be chosen by the two, will probably be introduced in parliament within the next two weeks. Daily sessions are being held by the cabinet committee in charge of

Stops Indigestion In Five Minutes

or you can have your money back for the asking. If you suffer from gas, indigestion, or any other stomach trouble, Bi-Nesia will lead you to relief. You cannot sleep at night because of the awful distress—go at once to Geo. A. Gorgas or any other good druggist and get a package of Bi-Nesia Tablets. Take two or three after each meal or whenever pain is felt, and you will soon be telling your friends how you got rid of stomach trouble. Be sure to ask for Bi-Nesia, every genuine package of which contains a binding guarantee of satisfaction or money back.

SWEET BREATH GOOD CHEER GOOD HEALTH

Are the result of keeping yourself inwardly clean with a good laxative. The girl who is most attractive, whose skin is clear with the delicate tint of rose petals, whose mouth is most kissable, is the one who occasionally takes castor oil—or a pleasant pellet, made up of May-apple, leaves of aloe and root of jalap, and sold by all druggists in the land as Doctor Pierce's Pleasant Pellets.

The girl who suffers from chronic headache, dull, lifeless eyes, that utterly lack the clear brightness of health, muddy complexion, discolored, sometimes full of blemishes or pimples, very often bad teeth and fetid breath, is one who does not practise inside cleanliness. When the colon is stagnated one always suffers from the effects of the poisons which are absorbed and carried to all parts of the body by the blood. Heed the warning—improve your health and good

the measure, the subject under discussion at present being finance, which is in charge of a subcommittee under the chairmanship of J. Austen Chamberlain, chancellor of the exchequer. Control of customs has always been a point of sharpest difference when other home rule schemes have been debated and was one of the rocks on which the Irish convention was shipwrecked. Control of police is another knotty point.

The most hopeful sign of an agreement is the silence which Sir Edward Carson, the Ulster leader, has preserved since the latest Irish kite was flown. Sir Edward has not issued any mandates to the Ulster volunteers "to keep their powder dry," while the presence of two hitherto staunch unionist leaders, Walter Hume Long and Baron Birkenhead, on the committee shows that Ulster is tending toward conciliation.

Juniata College Chooses Its Debaters For Season

Huntington, Pa., Nov. 26.—A hotly contested try-out for Juniata College's debating team was held in chapel in front of Messrs. Quinter Holsopple, Donald Brumbaugh, Blair Bochtel and Preston Hanawalt won over a large number of contestants and will represent the college in all inter-collegiate debates held during the season.

The managers are planning a trip for the team which will include contests with some of the best colleges of the State. Juniata holds a most enviable record for inter-collegiate debating, having won nineteen out of twenty-two contests.

URIC ACID POISONING

By Dr. N. C. COOK.

A poison as dangerous as strychnin is manufactured within the body, called uric acid. When it accumulates and the kidneys fail to carry it off, we suffer from dull headache, sleeplessness, muscular pains, lumbago, or it may cause rheumatism or gout.

Drink plenty of water between meals—a pint of hot water one-half hour before meals is the best—and take "Anuric." This was first discovered by Doctor Pierce, of the Surgical Institute in Buffalo, N. Y., and is harmless to the system, but sure and effective in carrying off the uric acid. It stimulates the kidneys. "Anuric" (anti-uric-acid) can be obtained at almost any drug store, and helps to counteract the acidity of the system.

PLAN SPECIAL MUSIC

The annual Thanksgiving service will be held at the Augsburg Lutheran Church to-morrow morning at 10:30 o'clock. The Rev. Dr. A. M. Stamets will preach on "Good to Give Thanks." A male quartet will furnish the music.

Defer Pass Issue Until Railroads Are Returned

Local Pennsylvania Railroad and Philadelphia and Reading Railway officials have been advised by the Federal director of the division of operation that, owing to the uncertainty of the date on which legislation will be passed releasing the railroads from Federal control, it has been deemed inadvisable for the railroad administration to purchase and print railroad passes for 1920. It is suggested that the Federal managers have their lists prepared on the basis of the railroads being returned on December 31, as well as having their pass stock selected so that it can be procured on short notice for the use of the roads when turned back.

Will Tell Life Story at Y. M. C. A. Meeting

J. Arthur Schlichter, of Philadelphia, popular orator and lecturer, will address the men of Harrisburg and vicinity on the subject, "Out of the Depths," for the Sunday afternoon men's meeting this week at the Central Y. M. C. A. This is his life story and will appeal to all men.

Special music will be furnished by the Pennsylvania Railroad Concert Company. This company entertained at the Sunday afternoon meetings several weeks ago and was enjoyed by the men present. The meeting will be held in Fahnestock Hall at 3:30 o'clock.

Miss Sylvia Claster, a student of Goucher College, will return to her home here to-night, bringing as her guest, Miss Mallison, of Texas.

TORPEDOED!

Don't blast your liver and bowels, but take "Cascarets."

You men and women who can't get feeling right—who have headache, coated tongue, bad taste and foul breath, dizziness, can't sleep, are bilious, nervous and upset, bothered with a sick, gassy, disordered stomach and colds.

Are you keeping your liver and bowels clean with Cascarets, or shocking your insides every few days with Calomel, Salts, Oil and violent pills?

Cascarets work while you sleep; they cleanse the stomach, remove the sour, undigested, fermenting food and foul gases; take the excess bile from the liver and carry out of the system all the constipated waste matter and poison in the bowels. Cascarets never gripe, sicken or cause inconvenience and Cascarets cost so little, too.
