Money can be made in small investments in oil stocks. However, many of these stocks are highly speculative. Post yourself before you invest by reading the Oil Press. It has helped thousands to profit, as well as protected them from loss. Each issue is brimful of valuable information and analytical reports concerning oil stocks. Every holder of oil stocks—every one interested in the world's greatest commodity should read the Oil Press. The last issue, together with a late copy of the "Markets" containing quotations of listed and unlisted oil stocks, will be sent free on request; also while they last a new accurate colored map of Pennsylvania, Oklahoma and Texas, just out featuring the oil fields in red. Address OIL PRESS, 455 Republic Bldg., Kansas City, Mo.
