### CONGRESS MEETS WITH BIG PROGRAM AHEAD

[Continued from First Page.]

establishing Poland and defining the Rhine frontier and the long-pending \$25,000,000 Colombian pact are pending before the Foreign Relations Committee.

**Austrian Treaty Up Soon.**

The Peace Treaty with Austria also is expected to be passed for transmission by the President soon. The committee also has before it the resolution of Republican Leader Lodge proposing that Congress, by concurrent resolution, declare the war with Germany ended. This will be fought vigorously by the administration. Early action on the French treaty is not planned by the committee majority, but the Polish treaty, the leaders say, will be pressed.

Among other important international matters pending or in prospect are the House bill to repeal the Canadian reciprocity treaty and commercial conventions and trade extension arrangements with the Allies, the enemy countries and other nations.

On the legislative calendar are many measures already passed either by Senate or House. They include bills establishing a federal budget system, providing a permanent shipping policy, regulating cold storage of food products, and providing for development of water-power.

Fiscal legislation promises to have a prominent place in the work of Congress. General tariff revision and modification of the international revenue laws are planned before the political campaign. Repeal of many war taxes will be proposed and anti-dumping bills to protect American manufacturers are pending. Permanent army reorganization policies, incorporating the most question of universal training, soon are to be brought out by the Senate and House military committees must pass on a new building program on bills increasing the navy's personnel and its pay.

#### Other Measures.

Prominent among the other measures to be taken up are those dealing with racial aliens and anarchists and the high cost of living. Leaders also plan to give attention to means of averting industrial strikes by federal mediation or other methods. The Lane-McDowell bill embodying Secretary Lane's plans of farms for soldiers and sailors also is up for passage and Congress will attempt revision of several standing laws and repeal of the espionage and other war measures.

Numerous investigations also are planned. Senate inquiries into Mexican affairs and the coal, wheat and sugar situations will continue while the House will carry on its investigations of War Department activities. New investigations proposed in the Senate include that into the print paper situation and into charges by Senator Watson, of Indiana, that socialists and radicals are in the employ of the Federal Trade Commission. The Senate Privileges and Elections Committee plans to take up the contest filed by Henry Ford against the election of Senator Newberry, Republican, of Michigan.

Senate democrats are to hold a conference this week to elect a leader to succeed the late Senator Martin, of Virginia, with the contest apparently narrowed to Senator Hitchcock, Democrat, of Nebraska, administration leader in the Peace Treaty fight, and Senator Underwood, of Alabama, for Democratic Leader in the House.

Conferees of the Republicans and the steering committees of both parties also are planned soon to fill committee vacancies.

## Announcing The Dauphin Deposit Thrift Club

At the present time there is great need for systematic saving in Harrisburg just as there is everywhere in the United States.

IN ORDER to make it easy for the people of Harrisburg to help themselves, the community and the country in this respect, The Dauphin Deposit Trust Company has decided to start the Dauphin Deposit Thrift Club on this plan:

You agree to deposit every week at this trust company a certain definite sum of money according to the class you enter.

There are three classes, saving and depositing as follows:

- \$ .50 a week for 50 weeks, you get \$ 25.00
- 1.00 a week for 50 weeks, you get 50.00
- 2.00 a week for 50 weeks, you get 100.00

The Thrift Coupon Book system has been adopted. The book is of vest pocket size. Each one contains fifty pages and each page consists of a stub and a detachable coupon.

You bring the book to us with each weekly deposit. The method is so simple that it calls for very little bookkeeping on our part, and you will not have to stand in line for any length of time when you come to make your weekly deposit.

The Dauphin Deposit Thrift Club Opens Wednesday, December 10th, at 9 a. m. Be one of the first to get started on this plan. In fifty weeks you will have a goodly lump sum which you can either spend for some special purpose you have in mind, or redeposit in a regular savings account to earn compound interest.

Plan to join the Club. Let your wife and children join, too.

We've all got to save in these times. So let's do it SYSTEMATICALLY.
