### MINE COAL IN KANSAS PITTS

#### First Coal Mined Since the Strike Began Is Being Hauled Away

Pittsburg, Kans., Dec. 2.—Production of coal in the strip pits of the Pittsburg field by volunteer workers under the state receivership plan began yesterday and before dark operations were in full swing in four pits with three others ready for work. Cars were placed for loading and to-day saw the first coal mined by the state on its way to western Kansas, where Governor Henry J. Allen directed the first shipment be sent.

The strip pit mines in the northern and southern districts of Crawford county are under military control. Colonel Perry M. Hoisington, 4th Kansas Infantry, is in charge. Companies of state guards had been distributed at the various pits for the protection of workers, while the Federal troops remained in camp here.

A large proportion of the volunteer workers were army uniforms and on the scene.

Signs of the divisions with which they had served overseas. They were dressed for work. Heavy boots and hob-nailed shoes that had been worn on the battlefields of France again were doing service. Crowds of miners gathered to see the incoming volunteers and expressed surprise at the size and strength of the men. In all, four carloads of guardsmen and volunteers reached Pittsburg.

O. H. Hubert, general manager, discovered that he could use more men than he at first called for and wired Governor Allen to send 374 more workers at once.

### American Beet Sugar Is Moving Eastward

New York, Dec. 2.—Thirty thousand tons of American beet sugar from the central states is now moving into the Atlantic coast states to relieve in part the acute sugar famine in the eastern zone. This supply, the Sugar Equalization Board announced yesterday, will serve to mitigate the shortage this month, but adequate relief must wait until Cuban sugar, the natural source of supply for the Atlantic seaboard, commences to move in volume, which may be expected in January. The American beet sugar crop is now being marketed in the central west in quantities to justify the "loan" of the 30,000 tons to the east, it was said.

### 200 Blue Law Violators Held by Baltimore Magistrate

Baltimore, Dec. 2.—The first jolt handed the enforcement Sunday of the two-century-old Sunday blue laws in Baltimore came when Police Magistrate Schroeder postponed until February 1 hearing of cases before him of alleged violations of the archaic statutes. By that date the magistrate said, he will be guided by action of the grand jury in returning indictments or by the high courts in ruling on the charges.

More than 200 arrests and 400 summonses for violators followed the police effort for rigid enforcement of the law. Two hundred were held for grand jury action.

One man was arrested for painting the gate to his back yard, Judge Block, of the Orphans' Court, bought a cigar at a downtown drugstore. He was nailed as a witness against the vendor.

One man was arrested for selling gasoline to a motorist. Two others were seized for repairing a wagon. Two negroes delivering trunks for a transfer company were held.

### Crowds Gather to See Victory Arch Razed

New York, Dec. 2.—Demolition of the Victory Arch, the wood and plaster memorial to America's war veterans, which has bridged Fifth avenue at Twenty-fourth street for several months, was started yesterday. Workmen of the Garden City Wrecking Company began by tearing down the horse group from the top of the arch. Most of the figures were lowered by pulleys to the street, but the crowd that had gathered was shocked and stilled when the last equestrian figure was brought crashing to the pavement, by hitching a rope to the horse and tying the other end to a motortruck, which started up the avenue.

Police had established a line on the west side of the arch, diverting traffic down Twenty-fifth street to the Worth Monument, and thence down Broadway. Fifth avenue in that vicinity is covered with plaster, which trucks are removing as fast as they can load up with the remains of the artistic effort. The work, it is believed, will be finished within a week.

### His Blood Saves Her, Though Shot Kills Love

Washington, Dec. 2.—Mrs. Florence A. Robinson, shot by Grover Cleveland Gordon, who had alienated her from her husband, is recovering at the Casualty Hospital as a result of the transfusion of blood from the would-be assassin's veins.

After a quarrel Gordon started to leave the home of the Robinson woman, grabbed her by the hair, drew her to him and shot her through the body with a revolver. Seeing that the victim of his jealousy would likely die if heroic methods to save her were not used, Gordon offered his blood.

"I love the woman too much to kill her," said he. "I will try to expiate my insane act. I will sacrifice every drop of blood in my body and give my life to save her."

Mrs. Robinson told those at her bedside she hoped Gordon would get what is coming to him for trying to kill her.

### NEWBERRY WILL APPEAR IN COURT

#### Will Answer the Indictment Charge Monday; Case Is Progressing

Grand Rapids, Mich., Dec. 2.—Unexpected progress has been made by Federal officers in preparing the way for an early trial of the 135 men, including United States Senator Truman H. Newberry, who were indicted by a Federal Grand Jury here late Saturday on charges of corruption, fraud and conspiracy in connection with the Newberry election campaign in 1918.

Service was secured on a number of those indicted and first arraignments were held before Federal Judge G. W. Sessions yesterday, half dozen of the defendants appearing in court. Something of a sensation was caused when two of those cited in the list, announced Saturday, came before Judge Sessions and pleaded guilty to counts contained in the indictments.

Several others of the 131 whose names had been included in the service of the warrants, correctly suspected they had been named in the indictment and appeared voluntarily in court.

Speculation as to whether Senator Newberry would attempt to resist service of a warrant against him, was disposed of when Former Circuit Judge James O. Murfin, of Detroit, now of the Newberry counsel, announced that the Senator would appear in court here next Monday to answer the indictment.

Arraignment of the remainder of the defendants is expected to spread over the entire week, but all those named in the indictments, Judge Sessions has announced, must appear in court on or before next Monday, December 8.

### \$20,000 Fire on Farm Laid to "Red" Revenge

Somerville, N. J., Dec. 2.—Fire, believed to have been of incendiary origin, yesterday destroyed the barns, outbuildings, a house, five head of cattle and some smaller stock on the farm of Joseph and John Pirrozi, at Manville. The loss is estimated at \$20,000.

In the recent strike at the H. W. Johns-Manville Company's plant, the Pirrozi brothers obtained strike-breakers for the company and incurred the hatred of the radicals among the strikers. One night since then the brothers were attacked while out walking. They went to Somerville and obtained licenses to carry revolvers. Joseph Pirrozi says the fire was the work of the "Boishevists," who had threatened "to burn him out."

### MASSACRE STORY BEING CENSORED

#### Report of the Villa Soldiers Avenging Death of Gen. Angeles Smothered

El Paso, Tex., Dec. 2.—Fighting like madmen to avenge the death of Felipe Angeles, 1,000 soldiers under command of Francisco Villa fell upon the Eighteenth regiment of the Federal army, 675 men at Rancho Espejo, 21 miles north of Santa Rosalia, Chihuahua, Friday morning, November 28 at 6 o'clock, exactly 24 hours after the Chapultepec officer had been shot down by a firing squad in Chihuahua City, and massacred all but two members of the regiment.

Such was the word brought to El Paso last night by Dr. L. M. Gomez, of this city, and Los Angeles, an American citizen who fought for 18 months as an aviator with the American army in France. Following the arrest of Angeles, Gomez, in behalf of friends on this side of the line went to Chihuahua, pleading for his release with him all night and up to 6:55 o'clock when Angeles was executed, and also attended his funeral.

On going to Santa Rosalia, 360 kilometers south of Chihuahua, he learned the story of the massacre, which he declared, has been censored by the Carranza authorities. He left there on his return trip Sunday morning.

The account of the fight he heard from Colonel Rivas and Lieutenant Colonel Marroul as they related it to a mutual friend in Santa Rosalia. These two officers are the only men who escaped.

General Santo Sanchez, the chief officer, was missing when Gomez left Santa Rosalia and there was little doubt that he had been killed.

## Read These Harrisburg Cases:

<b>Peffer Street</b> Daniel Cless, 516 Peffer St., says: "Whenever a cold would settle in my kidneys my back would become weak and would ache for a long time. I was annoyed by the too frequent action of my kidneys. The secretions of the kidneys were highly colored and burned in passage. I have used Doan's Kidney Pills and a couple of boxes always relieve me." (Statement given January 28, 1916.) On February 22, 1919, Mr. Cless said: "I am a man past eighty years of age and I feel fine. I give Doan's Kidney Pills credit for this. They keep my kidneys strong and healthy and I cannot too strongly recommend them."	<b>Swatara Street</b> Mrs. E. L. Eppinger, 1868 Swatara St., says: "About four years ago my kidneys were in a bad shape. My back was awfully lame and sore and it was hard for me to stoop over to dust or sweep. I felt dull and languid and was annoyed by the irregular action of my kidneys. I had attacks of blurred eyesight and dizzy spells and I felt badly all the time. Hearing Doan's Kidney Pills recommended so highly, I decided to try them. Four boxes of Doan's made a complete and lasting cure and I gladly endorse this fine, old kidney and backache remedy."	<b>Melrose Street</b> William Mars, 908 Melrose St., says: "I cannot say too much in praise of Doan's Kidney Pills after my pleasing experience with them. I was all out of shape with kidney trouble some two years ago. Every time I stooped over, sharp pains would dart up and down my back. I had to get up often at night to pass the kidney secretions, and their appearance showed that my kidneys were congested and sluggish and needed a good cleansing out. If I stood in one position any length of time I would get so stiff and lame I could hardly get around. Doan's Kidney Pills soon had me feeling better and only a few boxes gave me a lasting cure."
<b>North Front Street</b> Mrs. Cora Sellers, 1119 N. Front St., says: "I was troubled with my kidneys. My back ached from one end of the day to the other and I felt depressed, run down and miserable. When I stooped over a quick, sharp pain would dart up and down my back and I would get dizzy. My kidneys did not act right and it showed that they were the cause of this trouble. As I had used Doan's Kidney Pills years ago with good results I again took some, procuring them at Kramer's Drugstore and three boxes of Doan's completely relieved me and made me feel like a different person."	<p>NO package of Doan's Kidney Pills is genuine unless it bears the maple leaf trade-mark and the signature—"Jas. Doan."</p>	<b>North Sixth Street</b> Charles R. Pye, 2004 N. 6th St., says: "I have had my share of kidney trouble and I never want any more of it. I was in bad condition about five years ago. Every muscle in my back was sore and lame, and sharp, cutting pains would dart up and down my back. The kidney secretions were scanty and irregular in passage and were also highly colored. I had to get up often at night on this account. Frequently millions of colored specks would float before my eyes, blurring my sight, and I would get so dizzy I would hardly be able to stand. I began the use of Doan's Kidney Pills and it was not long before they helped me. Two boxes of Doan's gave me a complete cure."
