

TECH IS ONCE MORE WITHOUT GAME--MASTEN PARK FEARS DEFEAT--FRIDAY SHOW BILL

MASTEN REFUSES TO PLAY HERE

Claim Injury to Players Prevents a Regular Lineup; After Massillon

When Tech High won from Erie High Saturday, the local aggregation evidently killed two birds with one stone. For Erie High came forth with a number of alibis, and in the meantime Masten Park also got word from Erie through the press of the strength of the Tech team, which no doubt accounts for the brief message yesterday afternoon cancelling the game for Saturday with the Buffalo High school team.

Injuries in the Thanksgiving game was the reason assigned. The question Tech does not understand is why the cancellation was not made directly after the Thanksgiving game instead of yesterday. While Masten Park did not play a game, it is a sure thing that they would have been beaten by 40 points by Tech. Chances are they are not so good as Erie if comparative scores count. Erie beat Dunkirk by a larger score than Masten Park. Erie trimmed Lafayette 33 to 13 while the M. P. score was 10 to 6. The Masten record does not compare with that of Tech. The Maroon team has a record that will surpass anything in the country and can afford to rest on its laurels. In nine games Masten Park scored 255 points to their opponents 12.

After Massillon In the meantime Percy Grubb has hopes of landing Massillon High, whom Scott High beat 10 to 6. They would give Tech a good game without a doubt and Tech would try to make a better showing than 10 to 6, the Scott High score. Not being able to get Tech, Tech could eliminate the Toledoans by this method. Definite announcements are expected late to-day. If Massillon declines, Tech will have played its last game for the 1919 season, and can well afford to rest on its laurels already won.

Penn Football Stars Quit; Are Now Professionals

Philadelphia, Dec. 2.—Pard Pearce and Ben Derr, University of Pennsylvania football stars, announced their intention of leaving college this week. Both were declared "Thanksgiving Day game with Cornell last Thursday" and it was stated that investigations showed both men had taken part in professional athletics. Pearce is said to have admitted to a classmate at the university that he had played baseball last year both with the Three L League and the Chicago Nationals and that he still is a member of the Chicago team. He is said to have signed a contract with the Cubs toward the end of the season. Derr participated in a professional football game at Akron, Ohio, several weeks ago.

Here's something good to draw to. You can try everything in the cigar-man's show case, but you'll only find one cigar with that Million Dollar Flavor—that's Knoll's Ambrosia Cigars. Increasing labor costs have forced the price to 8c-2 for 10c, but you can't buy a more satisfying smoke at any price. Try one to-day—at any cigar stand. Chas. L. FOOTBALL IS IN GREAT DANGER

Professionals Are Making Big Inroads in College Game

Chicago, Dec. 2.—With professional football taking hold on the formation of a league similar to baseball, college authorities will have to take drastic action in the near future to save a game which belongs distinctly to the educational institutions. If professional football has as much success next fall as it enjoyed during the 1918 season, the colleges will be mere feeding grounds for the professional leagues. Some of the players may be induced to leave college before their careers are ended to play professional football and many promising high school players will join the "pro" ranks instead of going to some university or college. Those in charge of the professional teams are in position to offer inducements which are tempting to the average football players. A majority of the athletic small players are from poor families. In a number of cases they work their way through school and earn all the money possible. In this manner they work out their tuition, but there is seldom any loose change left over.

When a student develops into a football star managers of the "pro" teams do not hesitate to offer him as high as \$500 to play one game. This is tempting. The player is told he can be played under an assumed name and that no one will ever discover his identity. In the East it is a common occurrence for members of certain teams to play collegiate games on Saturday and then hop a rafter to play with one of the professional teams in Ohio on Sunday. A little investigation by the West-end conference would not do any harm. With opportunities presenting themselves for football players to make money, a leading athletic man in the Central West is of the opinion the faculty committee should permit college men to play summer baseball for money, but draw a sharp line on professional football. He asserted the committee will have to do one or the other.

Football is a game which belongs strictly to colleges. This is the first year, with a few exceptions, it has been played with any degree of success outside of the educational institutions. If "pro" gridiron sport continues to flourish the college game will suffer accordingly.

SNODDLES

Three Big Stars Who Remain at Penn State

When Penn State candidates are called for football for next season there will be three stars certain. Of course there will be others but these three stars are particularly known to local fans. They have been doing good work this season. Dick Rauch, a Harrisburg, is spoken of as one of the probabilities for captain. His defensive play at guard this season has been one of the Penn State sensations; Clarence Beck, the former Tech star, was a little late in getting himself in shape but what he was called to do, brought the results. Bob Higgins, former Peddie star, captain and right end on Hugo Bezdek's team was the unanimous choice for All A. E. F. end, and including the Thanksgiving day game played sixteen games.

JIM THORPE IS CANTON'S WINNER

Kicks Field Goal That Gives His Team Professional Title Canton, O., Dec. 2.—For the second time since 1916, when they lifted the national professional football title from the Tigers of Massillon, Jim Thorpe and his Bulldogs of Canton made successful defense of the honor in the final game of the season, defeating the star-studded Massillon eleven, 3 to 0. Thorpe kicked a placement goal from the 40-yard line in the third period of play for the only points of the game. It was the second victory for Canton over Massillon this season, the first game going to the Bulldogs by a score of 23 to 0. Faithful to announcements, Massillon sent a team of college veterans against the champions, a team that shaded Canton on general play in the first half, but which was suddenly outplayed on straight football in the fourth period, especially. The losers, however, did not call upon the services of Pennsylvania University or Penn State gridgers. It was the last performance of the Bulldogs for 1919 as the management decided to cancel the series with Cleveland, due to that team's defeat by Massillon Thanksgiving. Canton went through the campaign undefeated, being the only team to defeat the Westerners in the second meeting by one touchdown.

BIG TREAT FOR LOCAL RING FANS

Harrisburg Association Offers Attractive Card For Friday Night Always on the alert to give the fans the best there is in the pugilistic line, the management of the Harrisburg Boxing Association scored a real win when they secured Tommy Sheridan, of Jersey City, to meet Johnny Herman, the rugged Northampton "Bear Cat," at the Chestnut Street Auditorium Friday night. It had originally been planned to send Tim Droney against the Northampton mauler in the main bout of ten rounds. When Droney was defeated Thanksgiving Day by Eddie Fitzsimmons, efforts were made at once to try and land Fitzsimmons, but because he had a previous date he could not be secured. Sheridan should prove highly satisfactory. He has boxed Fitzsimmons, Young Rector, Johnny Drumme, Willie Jackson and a host of others. Herman Is Speedy Johnny Herman is at present traveling with a speed that indicates he will wear the crown within another year. On Saturday night at Pottsville, he outclassed Joe Marks, of Philadelphia, so thoroughly that the fans urged the referee to stop the contest. It was his second consecutive start bout at that club and immediately after the show he was engaged to meet Eddie McAndrews, of Philadelphia, at the same club on Christmas Day. The remainder of Friday night's show is on a par with the high grade line of the windup, Mickey Devers, crack Allentown bantamweight, meets O'pie White, of Lancaster, Dick Gottwalt, of York, collides with the ball rolling over Massillon's goal line, a total distance of 95 yards. Canton's greatest offense was inaugurated immediately after the start of the fourth quarter. Getting possession of the ball on their 28-yard line, the champions advanced it to Massillon's 25-yard line, where they were penalized 15 for holding, forcing Devlin to attempt a drop kick.

HARVARD MAY PLAY IN WEST

Question Comes Up Tonight at Meeting of Officials; Players Scattered Cambridge, Mass., Dec. 2.—Whether the Harvard University football team will go to the Pacific coast to meet a western college eleven will be decided to-night at a meeting of the athletic committee of the university. Officials had before them to-day a sheaf of telegrams requesting the crimson team to make the trip, including a message announcing that a formal invitation to the Harvard team to play in Pasadena at the carnival of roses tournament on New Year's day was on the way. The mayor of Los Angeles joined in the request of a telegram to Denn Le Barron R. Briggs, chairman of the Harvard Athletic Committee, and other messages said Governor Stephens of California was forwarding an invitation in behalf of the state. Favor Acceptance Opinion at Harvard appeared to favor acceptance. The players were almost generally anxious to go; the athletic committee, it was said, authoritatively felt that much good might come of the inter-sectional game and the faculty attitude alone remained in doubt. With a two weeks Christmas holiday already arranged for this year, an objection which has arisen to previous proposals was believed to be eliminated as the trip would not keep the players away from their classes longer than the reverse period. May Be Called Back The Harvard team which went through the season without defeat and closed with its 10 to 3 victory over Yale, has been disbanded, its coaching corps has scattered, and partial reconstruction would be necessary. Athletic authorities at Cambridge, however, said to-day that they felt the eleven could be brought back to playing trim, although preparations might be handicapped by unfavorable weather conditions and lack of opportunity for practice.

DEER HUNTERS ARE IN LUCK

Reports From Gettysburg Indicate a Successful First Day Gettysburg, Pa., December 2.—Deer hunters on the Adams county side of South Mountains, have reported the killing of five deer on the first day of the season. Two of these were killed by members of camps, the other three by individual hunters, who bagged their game almost as soon as it was light enough to see the animals coming through the brush. The opening day of the deer season brought its accident when a rifle ball shattered the leg of Ray Anthony, of near Hanover. Anthony with three friends of his vicinity left home early this morning to hunt to the South Mountains while alighting from the automobile near Gardner's Station, Adams county, in the northern part of the county, one of the rifles was accidentally discharged, the ball striking Anthony's right leg near the ankle. Although the leg is badly shattered, an effort will be made to keep it from being amputated.

Stroudsburg Hunters Get Full Quota of Deer Early

Stroudsburg, Pa., Dec. 2.—Hardly had the deer season opened when word came a number of hunters had been successful, and this at locations comparatively near civilization. It will be some hours, perhaps days, before the knowledge of "backwoods luck" will have been reached. Monroe and Pike counties have more than their "quota" of deer this year, according to reports. At Minnich and Cleveland Hows, of East Stroudsburg, returned from a hunt with a large three-pronged buck before 9 o'clock. A party composed of R. M. Wilson, Marshall's Creek, and William Burt Waterfall, of New York, returned with a large buck and two good-sized bucks in the vicinity of Marshall's Creek. Henry Ellenberger and Professor W. H. Cleave killed a large four-pronged buck weighing 200 pounds in vicinity of Shawnee. Ellenberger was the lucky hunter. Frank Detrick, of North Water Gap, shot a four-pronged buck near North Water Gap at 7 o'clock yesterday morning. The deer is probably the largest reported shot thus far on the season's first day. William Cook, of Berks, killed a 24-point buck in the vicinity of Hog Back. The buck sported five prongs.

Davis Cup Matches to Be Played in Australia

New York, Dec. 2.—The Davis cup international tennis championship will be played at Sydney, Australia, January 15, 17 and 19 according to word received at the headquarters of the United States Tennis Association here to-day. The English team, which sailed for Australia late in October, will consist of A. R. F. King, E. S. Beaman and A. H. Lowe. The Australia team probably will include Norman Brookes, Gerald Patterson and two other players yet to be selected. The series will consist of four singles matches and one doubles contest, the nation winning three out of the five matches to be declared the winner.

JUNIOR STARS AT CAGE GAME

Camp Curtin and Edison to Be Guests Tonight at Basketball Game Forty football players, twenty members of the Camp Curtin and twenty members of the Edison Junior High school varsity squads, are to be the guests of the Independent Basketball Association at the contest scheduled on the Chestnut street hall floor between the Independents and the Rookwood five, of Philadelphia, to-night. The game will be the first of the early week contests which the association proposes to conduct during the winter, and the attraction is an unusually good one. Lining up with the Rookwood combination will in all probability be Trautwein, Sturges, Hugg, Owens and Russell. Regular Local Lineup Captain McCord will have the regular independent lineup with him against the Rookwoods. McCord and Wallower will be in the forward positions, Moorehead at center and Gerdes, Ford and Kline at guards, the latter two probably alternating. Pancing will follow the game.
