Joint Sessions on Routine Business Take Up Time of Delegates

J. C. Johnson, superintendent of the Middle division, in a notice with reference to the passenger train performance on December 1, announces that suggestions are solicited from the employes of every department for overcoming the failures to make schedule time.

On December 1 per cent, of perfect record—as to trains making schedule was 84.2. The loss of 15.8 per cent. is chargeable as follows: Steam failure due to poor coal, 5.3 per cent; wreck, 2.7 per cent; U. S. mail work, 1.03 per cent; chargeable to motive power department, 6.5 per cent. The joint sessions of the Foreign Mission, Home Mission and Church

Mission, Home Mission and Church Erection Boards of the United Brethren Church continued this morning at the Derry Street United Brethren Church, with Bishop Kephart presiding.

After devotional exercises Dr. S. C. Enck made his address on "The Processes Essential to Spiritually Vitalize the United Brethren Church." Following Dr. Enck's address the report of the Women's Missionary Association was made by Mrs. Alva Kauffman; the report of the secretary of the Church Erection Society by Dr. A. C. Siddall, and the report of the treasurer of the Church Erection Society by Dr. A. C. Siddall, and the report of the treasurer of the Church Erection Society by L. O. Miller.

The morning session was con-

tion Society by Dr. A. C. Siddall, and the report of the treasurer of the Church Erection Society by L. O. Miller.

The morning session was concluded with various work which the committees had on hand. This afternoon Bishop Washington opened the meeting with the introduction of Bishop A. T. Howard, of Dayton, who presented the results of the Foreign Missionary Survey. Dr. P. M. Camp reported on the results of the Home Mission Survey, Dr. A. C. Siddall on the Church Erection Survey, and Dr. Hough on the other denominational surveys. Following these reports, the boards convened in separate sessions.

The schedule for the Home Mission and Church Erection boards included presentation of supplemental reports, miscellaneous business and committee meetings. The Foreign Mission boards engage themselves in supplemental reports on Africa, Japan, China, the Philippines and Porto Rico. Miscellaneous business and committee meetings concluded the work of these boards, which then adjourned until the joint session of this evening, when Dr. J. S. Fulling will be occupied with an address by Dr. William Hiram Foulkes, general secretary of the New Era movement of the Presbyterian Church, who will speak on "The Response of American Protestantism to the Present World Situation."

The meeting began yesterday afternoon and will continue until Saturday morning. Last evening the Rev. Dr. A. R. Clippinger, of Dayton, gave an illustrated lecture on "A Study of Our Denominational"

Peace Delegation Leader

By Associated Press.

Paris, Dec. 4.— Revision of the protocol of the Versailles treaty of peace is demanded by Kurt Von Lersner, head of the German peace delegation, before he will sign it.
Responsibility for the sinking of interned German warships at Scapa Flow is denied by the Berlin government, and it is demanded that the allied claims for indemnity for the ships be referred to The Hayue for arbitration. By Associated Press.

Paris, Dec. 4.—The Supreme Council spent most of to-day's session discussing the attitude of Germany towards the signing of the protocol putting the Peace Treaty into effect, Germany's representatives having declared they could not sign it in its present form, including its provision for reparation for the German warships sunk at Scapa Flow, and with other features objectionable to them. The form of a note to Germany on this question was considered by the council, but no final decision was taken.

taken.

It is anticipated in this connection that the reply to the German not regarding the Scapa Flow question will contain very strong representations as to the consequences of further resistance by Germany.

The Council to-day decided to give the small powers which possess sea coasts a few of the smaller German torpedoboats.

#### Germany Denies Any Intention of Bigger Army

Berlin, Wednesday, No. 3 .- The government to-day gave out the text of the Entente note of December 1 of Germany's military forces. The note refers to the formation of bodies outside the actual army, such as the public security police, the

as the public security police, the volunteer guard and the citizens' guard, in contravention, it is declared, of the Peace Treaty. The note says the organizing of these bodies "may be interpreted as an intention on the part of Germany not to fulfill the terms of the Treaty, and it requests the German government to abolish these forces or to reduce them to accordance with the provisions of the Treaty.

According to a semiofficial explanation issued here, the government denies any intention of increasing the army. It declares that the reduction of the army to the stipulated limit of 200, 00 is in full swing and it expresses regret that there has never been a beginning of the mutual discussion with the Entente on the subject of the strength of the policing forces which Germany finds it necessary to maintain in the interest of public security, although Germany several months ago susgested such a discussion.

Signatuse, Dec. 4.—A decrease in wages will not be considered by the American workingman for a period of at least five years, according to James P. Holland, president of the American of Labor, imattendance at the State Industrial Congress which he has met and talked with a majority of the leaders of the American labor movement.

If there is a downward revision in the cost of living that will give the doilar a greater purchasing power, Mr. Holland believes it likely that the workers will eventually agree to a wage that will be lower in the number of doilars which it brings in. But, he maintains, the downward revision of the general cost must come first, and the workingman must have a chance to readjust himself.

Bring It Out by Ridding the Face of Pimples, Blackheads and Such Skin Disfigurements, by Using Stuart's Calcium Wafers.

Dandruff Soon Ruins the Hair

Girls—if you want plenty of thick, beautiful, glossy, sliky hair, do by all means get rid of dandruff, for it will starve your hair and ruin it if you don't.

It doesn't do much good to try to brush or wash it out. The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the firster tips.

By morning most, if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it. You will find, too, that all itching and digging of the soalp will stop, and your hair will look and feel a hundred times better. You can get liquid arvon at any drug store. It is inexpensive and four ounces is all you will need, no matter how much dandruff you have. This simple remedy never falls.

Strickland W. Gillilan, of Baltimore, humorist and lecturer, while in Harrisburg to-day on his way to Carlisle, where he speaks to-night, advanced the suggestion that the American Legion should arrange for a division of civilian aids.

"The Legion is doing an excellent work," said Mr. Gillilan. "It is my opinion, however, that the body should make it possible for those of us who were not in the service to join with the Legion and the work it is doing. I would suggest a civilian division, auxiliary to the American Legion. Enlistments in this division would grow to enormous totals and in a very short while the greater majority of the people of this country would be found loyally lined up against the radical 'reds.'
