UNIVERSITY CLUB PLANS BIG DANCE

Special Committee Announces Holiday Ball Second of January

Arrangements are under way for the University Club's first big dance of 1920, Tuesday evening, January 2.

The committee enthusiastically promises to the members and friends of the club that the "holiday ball" will combine "college spirits" and "Harrisburg ginger" in such a way as to make the highball of yesteryears pale into insignificance by comparison.

The event will be held in the Penn-Harris hotel, the ballroom and several banquet halls to be used and elaborately decorated.

Music for the dancing will be played by Schaefer and his orchestra. Irresistible jazz for the one-step and fox trot and alluring rhythm for the occasional waltz will keep things merrily moving until the small hours of the morning.

College songs and yells will also add to the jolly party.

The committee on refreshments is turning up for a buffet supper that will claim the praise of the most tickle palate.

The Penn-Harris steward will work with the committee for the perfecting of plans along this line.

Reverses Court Decision on Sinking of Steamer

LONDON, Dec. 5.—The judicial committee of the privy council has reversed the decision of the Canadian Supreme Court in the suit involving the sinking of the steamer Empress of Ireland in the St. Lawrence river.
