Emphasizing the Importance to
Men who care to dress well---of

Schleisner Suits and Overcoats

WITH the prevail-
ing prices of all kinds
of clothing it is strictly up to
every man to procure the
best he can for the price he
pays. This is an old story,
but never more important
than it is today.

We believe that the price
of clothing will go higher.
What then should a man do
to insure himself against un-
necessary expenditure? He
should buy his clothes at the
right store.

Then you say, "What is
the right store?" Easily
answered. It is the store that
thinks more of quality, fine
tailoring and correct style
than of anything else. But it
is also the store that is sat-
isfied with a fair profit. We
have that kind of a clothing
store. Men can put them-
selves in our hands with
safety. It's a thing we're
proud of.

Now for Your Winter Suit and Overcoat---

Schleisner Suits and Overcoats are long service clothing, be-
cause you can wear them with the knowledge that they will be in
style for several seasons. They are conservative and becoming,
made to make a man look well dressed without any freakish ideas
about them that go out of date in a short time. Worth thinking
about.

The Christmas Store of Useful Gifts

HERE is a gift that every woman appreciates—something to wear. It is
woman's part to dress well and therefore, whatever is given to wear only tends to emphasize
the prerogative. The gift of apparel is all the more appreciated when the gift of attiring
oneself is accentuated. Coming from Schleisner's adds the mark of distinction. And
Schleisner gifts are exclusive with economy.

What More Luxurious Gift Than Furs?

MANY women look forward to Christmas as the time when they will receive Furs—the gift
luxurious. We have anticipated this. Our present collection of Fur Scarfs and Fur Coats is very extensive and
has been selected with the view of filling Christmas gift requirements. The newest and most fashionable Fur garments
are here in those most sought furs. We beg to emphasize the fact that all Schleisner Furs are of selected pelts—the
best procurable. We shall be pleased to hold until Christmas Furs upon which a deposit is made.
