650 Pairs French Kid Gloves in This Sale

- 1 Pair \$2.65
- 2 Pair \$5.25
- 3 Pair \$7.85
- 5 Pair \$13.10

The best glove authorities say that there is a scarcity of good dressed skins in France. The longshoremen's strike caused a delay in ships going to France and as a result it is doubtful if all the boats carrying gloves will reach here and unload in time for distribution through the United States.

We were fortunate in receiving this special lot on the Savoy and Lafayette boats, just arrived.

Children's gloves in every style and color and size; 5c to \$2.50 pair.

A Sale of Extraordinary Importance to the Gift Buyers of Central Pennsylvania

These 650 pairs are practically all of the famous Centemeri Gloves from Grenoble, France. Bought very much below the regular wholesale price because the manufacturer found he had an excess quantity of the white kid gloves; especially.

This gave us an opportunity of giving you a glove special this year equally as good as the one we offered you last year, just before Christmas.

These gloves today cost practically as much wholesale as the price we are offering them to you. These are all first quality, and equally good grades bought today, must necessarily sell for a great deal more money.

This lot consists mostly of white Florine Centemeri, genuine French Kid gloves. Some tans, mastic, browns and grays. These are two-clasp five row embroidered and Paris point backs. Every pair is perfect fitting, over seam stitching.

See them and you will realize the exceptional glove values.
