# WILSON ISSUES **PROCLAMATION**

Fourteenth Decennial Numbering in United States Begins January 2

By Associated Press

Washington, Dec. 13 .- The fol-

Bureau:

By the President of the United States of America. A proclalamation—

Whereas, By the Act of Congress approved March 3, 1919, the fourteenth decennial census of the United States is to be taken beginning on the second day of January, 1920; and Whereas, A correct enumeration of the population every ten years is required by the Constitution of the United States for the purpose of determining the representation of the Several States in the House of Representatives; and Whereas, It is of the utmost importance to the interests of all the people of the United States that this census should be a complete and accurate report of the population and resources of the Nation:

Now, Therefore, I Woodrow Wilson, President of the United States of America, do hereby declare and make known that, under the law aforesaid, it is the duty of every person to answere all questions on the census schedules applying to him and the family to which he belongs, and to the farm occupied by him or his family, and that any person refusing to do so is subject to penalty.

The sole purpose of the census is to secure general statistical information regarding the country and replies are required from individuals only to permit the compilsation of such general statistics. No person can be harmed in any way by furnishing the information reing to do with taxation, with military or jury service, with the compulsion of school attendance, with the regulation of immigration or with the enforcement of any national, state or local law or ordinance. There need be no fear that any disclosing any information which may thus come to his knowledge.

may thus come to his knowledge.

I therefore earnestly urge upon all persons to answer promptly, completely and accurately all inquiries addressed to them by the enumerators or other employes of the Census Bureau and thereby to contribute their share toward making this great and necessary public undertaking a success.

sary public undertaking a success.
In witness whereof I have hereunto set my hand and caused the seal of the United States to be affixed.
Done in the District of Columbia this 10th day of November, in the year of our Lofd. one thousand nine hundred and nineteen, and of the independence of the United States, the one hundred and forty-fourth. (Seal)

Funeral of His Wife

Philadelphia, Dec. 13.—Mrs. Elizabeth A. Stone, wife of ex-Governor William Alexis Stone, of 5901 Wayne avenue, Germantown, died in New York on Thursday after a week's illness of pneumonia. The foremer Governor Billers will be sake to normal quintet by the score of 26-15. The boys' team defeated Gettysburg High School, 22-6.

The local girls' basketball team has been making quite a reputation for themselves during the past several seasons and by annexing the victory gained over the Millersville Normal last night everything looks favorable for a successful cage season this year. Under the coaching of Professor Maclay the team is fast developing into a squad that is becoming recognized as a champion team in this section of the State.

There are several large schools on the remaining schedule such as Lebanon Valley College, Beckley's Business College, Millersville State Normal and others are awaiting to be scheduled.

Real estate sales next year will

sell, and for that reason there are few houses to rent.

"This results in a search by a tenant for a new home when the house in which he resides has been sold, or is offered for sale. Usually the tenant in order to get a home arranges to buy one in some other locality, and the person residing in that house is in the same position that the purchaser was. This is causing a big sale of properties, mostly dwellings, and has been a big factor in booming the real estate business."
