PET CORNS

Few Drops of "Freezone," Then Lift Corn Right Off
"A tiny bottle of "Freezone" costs so little on any drug store; apply a few drops upon any corn or callus. Instantly it stops hurting, then shortly you lift that bothersome corn or callus right off with your fingers. Truly! No humbug!"

NARROWS WORK WELL UNDER WAY

Favorable Weather Would Have Enabled Its Completion by End of Year

The close of the highway construction season finds three contracts under way in Dauphin county, one of which is well advanced toward completion if weather and labor conditions had been more favorable.

The Dauphin "Narrows" work is well toward completion within the borough and the highway company has made good progress considering everything on the upper end, which extends to Clark's Ferry bridge.

The meeting of the State Board of Pardons on Wednesday, which will have a number of cases, will be well attended by attorneys and judges. Inquiries being made here, it will be the final meeting this year.

Ben C. Eynon, registrar of the State Automobile division, is to be a member of the Philadelphia Philadelphian Association this week. He will explain the law to the members.

State Road Agents have rounded up a number of men who have been selling state eggs as fresh in Schuylkill county. In several instances the eggs were so stale that it did not require a chemist to give expert evidence as to their quality.

According to figures issued by the State Highway Department, Pennsylvania leads the nation in the amount of bonds issued for road construction purposes, with a total at this time of \$73,725,000.

State health inspectors are looking up an outbreak of chickenpox at Akron and other points in Lancaster county.

State Officials at Pennsylvania Dinner
A number of State officials attended the twenty-first annual dinner of the Pennsylvania Society in New York on Saturday night. Incidentally there were some interesting

statements made about the part of Pennsylvania's iron and steel industry in the war told by Charles M. Schwab, the president of the society. Mr. Schwab said Pennsylvania furnished more than half of the steel for the American forces and one concern more guns than the Germans had when they began the last big drive.

Among those at the dinner were Secretary of the Commonwealth Cyrus E. Woods, Banking Commissioner John S. Fisher, Auditor General Charles A. Snyder, State Treasurer H. M. Kephart, Chief Clerk W. P. Gallagher, of the Senate; T. W. Templeton, superintendent of public lands; General W. G. Price, Jr., of the National Guard; Ex-Governors E. S. Stuart and John K. Tener.

Bonnivell Plans to Make a Fight
According to Washington correspondents Judge Eugene C. Bonnivell will make a new fight for control of the Democratic State machine. The Judge was in Washington a few days ago and interviewed himself extensively, stating among other things that it was time for a change and that at request of his friends he would be a candidate for Democratic national committee.

The Bonnivell announcement gives the war-weary Pennsylvania Democratic rank and file a chance for a new fight. There are now Joseph F. Guffey, Arthur G. Dewalt, Bruce F. Sterling and the Judge hunting the place now held by Palmer.

HOME MADE RECIPE CATARRH AND COLDS
Nonexpensive—Cut This Out.
Thousands are making this beneficial remedy at home and anyone who has catarrh or a cold can do the same.
Ask your druggist for three quarters of an ounce of Mentholized Arnicine and pour it into a pint bottle, then fill the bottle with water that has been boiled. Gargle the throat as directed and snuff or spray the liquid into the nostrils twice daily. It's a simple way to get rid of cold and catarrh and keeps the nasal passages and throat so clean and healthy that germs of flu or any other germs will have a hard time gaining a foothold.
