MANHATTAN GRAND OPERA COMPANY COMING The Manhattan Grand Opera Company, one of the largest opera companies in town, will appear at the Orpheum Theater on Saturday, December 20. Two performances will be given, the matinee and evening performance will be 'Carmen,' in French. The management of Mark Byron, Jr., with Adolph Schmid, formerly of the Metropolitan Opera Company, and His Majesty's Theater of London, as conductor, will be in the company, which includes thirty principals, a symphony orchestra of thirty-two, chorus of thirty and a corps de ballet of fifteen. Riccardo Martin, formerly of the Metropolitan Opera Company, will appear as Don Jose, while Henrietta Wakefield, also formerly of the Metropolitan Opera Company, will appear as Carmen, supported by Greek Evans, baritone, and Michael Santomaso, basso.

This is the same company which toured the country last year and which was acclaimed by both press and public in Cleveland, St. Louis, Baltimore and New Orleans to be the traveling opera company that had ever appeared in those cities.

Missing Soldier Found For German Mother New York, Dec. 16.—The happiest platoon sergeant in the Forty-eighth Infantry at Camp Jackson, S. C., to-day is Hans Wedemann. Two months ago the newspapers told the story of how the Knights of Columbus had been requested to find Sergeant Wedemann, when his mother wrote a letter appealing to the "Casey" organization from her little home on the Elms Cuttelerstrasse, Hamburg, Germany. Mrs. Wedemann told how she had not heard from her boy who was an American soldier stationed in the Canal Zone for several years. Among the many thousand persons attracted by the story was Miss Isabel Becker, of Brooklyn. She corresponded with a soldier who she knew was stationed at Panama and requested him to find out if Sergeant Wedemann was still located there. After a short delay due to the long distance mails have to travel to the Canal Zone, Miss Becker received an answer to her reply. The letter stated that Wedemann had been transferred to Company M, Forty-eighth Infantry, at Camp Jackson. She turned the information over to the Knights of Columbus Committee on War Activities and the soldier was located.

NEW FUEL REGULATIONS MENACE LAUNDRY INDUSTRY; IS BEHIND IN CONTRACTS

Hospitals, Hotels, Pullman Cars and Steamships Cannot Be Supplied Because of Coal Shortage, It Is Said by Laundry Owners Association

New York, Dec. 16.—"The morale of the nation is going to be lowered if power laundries have to operate according to the regulations issued by the Fuel Administration," declared Arnold A. Mowbray, director of public information for the Laundry Owners National Association. "There is nothing more important for the self-respect and sanitation of the American people than clean linen," continued Mr. Mowbray who stated that if the laundry owners had to obey the edict much longer the entire industry throughout the country would be crippled. He added that during the war the laundry industry was classified by the Federal authorities as an essential industry. "Reports received here from laundries throughout the country state they are several days behind on their contracts for hospitals, hotels, Pullman cars, steamships, restaurants and for a large percentage of family and commercial contracts," stated Mr. Mowbray, who pictured the danger of contagion and epidemics that might result from a closing of the laundries or a marked decrease in their production. "The laundry industry is now sixth in volume in the United States, some 500,000 men and women being daily employed to keep America's linen clean. The monthly payroll is more than \$35,000,000. There are about 6,500 power laundries affected by the coal shortage," he said. "To-day the laundry industry occupies a vital part in the psychology of the American people, and it is to the interest of the nation that the Fuel Administration do everything possible toward contributing to a cheerful frame of mind throughout the country during these troublesome days," averred Mr. Mowbray. "Of course the laundry owners of the nation will comply with the present regulations and whatever future rules may be issued. But it is my personal opinion that their work should not be halted."

CAMP CURTIN JUNIOR HIGH SCHOOL NOTES

The principal speaker at the Friday assembly was Miss Alice R. Eaton, who invited the boys and girls not yet associated with the Public Library to enroll. "There is fun in reading, and you can go on an endless journey without fatigue and discomfort in a book," said Miss Eaton. "Meet charming children in our books; Marjorie Fleming, the little friend of Sir Walter Scott, is the most charming child that I know." An invitation to a picture story hour of Kingsley's "Water Babies," and a series of King Arthur story hours was extended by Miss Eaton, who has made the Harrisburg Public Library essential to the happiness of its several thousand younger visitors.

"The Scarf Dance," of Chaminade, was delightfully played by Elizabeth Hickman, section 9B-2. The entire student and faculty organization is working hard for a successful sale of Red Cross seals. The Holy Club were organized last Thursday. Officers, president, vice-president, secretary and treasurer were elected and a program planned by each group. On Saturday afternoon a large audience of children and several parents and teachers came through the rain to hear Christmas stories and sing Christmas carols at the victory of the Story Teller League. Mrs. Anna Hamilton Wood was in charge and kept the audience laughing as she told two clever original stories, one in which a peasant girl remedied a mistake that Santa Claus had made and another concerning a vain little gingerbread man and a fatal mouse.

Principal Brych told a story of the victory of the God of St. Boniface over Thor, and another of exceptional beauty from the French Noel stories.

Miss Lois Booker told about a little child whose faith and love brought the Christ-Child to a little town one Christmas Eve. Christmas carols were sung under the direction of Miss Mildred Conkling.

A cello number by Alice Euring and a saxophone solo by Marilyn Burt, two students of Camp Curtin, also gave pleasure to the audience. An efficient courteous committee of student ushers including: Richard Delmotte, Harry Young, Harold Kennedy, Clair Yingst, James Shoemaker, Oliver Eveler, Archie Gemmill and Walter Gruber.

COLDS CATARRH—SORE THROAT BRONCHITIS Relief Overnight Call-O-San A SCIENTIFIC TREATMENT FOR INFLAMMATORY DISORDERS In many cases from use of Merveilous New Discovery

Beauty Answers By MADAME MARBE

MISS GERTIE O. M.—You say you are 25 and look like 35. If you will use this wonderful formula you will soon say you will look like 16, and this is no exaggeration. Your actual results will prove it if you will make up your mind to use this formula liberally, every day, and use no other so-called wrinkle cream. Add two tablets of glycerine and one ounce of petrol to a half pint of hot water. Keep stirring until they form a satiny cream. This is so economical that it can be used generously, and will hasten the result. It removes wrinkles, crows feet and lines of age. The petrol can be obtained for more than fifty cents at any drug store.

MRS. S. O. S.—Your hair should at once be treated if you will use my hair formula. Every one who has tried it says it is perfectly astounding how it makes hair grow and stops falling out. Get one ounce of quinol from your druggist for 50 cents, and mix it with one pint of witch-hazel or one pint of alcohol. Use this every day and your dream of thick, beautiful hair will be a reality. In making up this mixture you will find it will give you over a pint of the hair grower. The cost is less than that of the prepared hair treatment, and besides, you have the best you can get anywhere. It will not fall off your results.

MRS. B. O. T.—Your hair is brittle because of the soap and ordinary shampoo you have been using. You can make it soft and silky. That is, dry up the natural oils. Now, just dissolve a teaspoonful of egg in a cup of water and use as a headwash. It will be all fatty accumulations and dandruff will disappear by magic. You'll never use anything else. Enough egg can be obtained for twenty-five cents at the drug store for over a dozen of these shampoos.

for French Wounded. Andre, who became a favorite with the nurses and soldiers of the A. E. F. at his home in Chalency le Mont, Lorraine, has been awarded a scholarship at St. Thomas College St. Paul, Minn., through the efforts of two American nurses now located at the State Hospital in that city. They are Miss Mary R. Clark and Miss Macgregor, who heard the story of the bravery of the French women and decided to secure an education for the boy. With the Knights of Columbus they have both adopted him.
