vision Commission is expected to make, and that no change to the or-game law could be made without the people having something to say about it; not only once, but three times. "The commission was created changes as it deems necessary to the Constitution, and I am very glat to see that it began work so promp ly," said the Governor. "When it reports it will be a matter for the Legislature. No one is authorized to speak for this administration now and the next Legislature has to belected. As far as I am concerned the people will have full opportunity to assume the election of dele-mates are two matters which I think must be submitted and then the final report must have the approval of the voters."

final report must have the of the voters." The Governor said that he had not yet selected a successor to Secretary of Labor William B. Wilson as a member of the commission. Bill to Restrict Papers

in Newsprint Saving in Newsprint Saving Normal sector of the commission. Newsprint Saving Nashington, Dec. 16, —Provisions of the Anthony bill, which would init to twenty-four pages daily here second-class mail privileges in order to conserve newsprint paper, were commended and opposed by more than a score of newspapers and marks, involving officials, members of the Upper Crust or in legislative as sembles." The whole trouble apparently has been, Mr. Allen points out, that the astronomer "displayed a lamentable lack of ratiocination." So instead of the end of the world we will have the following to contend with up to January 5 when the real fireworks. "As a matter of actual fact the planetary bodies on December 11 will be conco-dant and conserving "ough there are certain extremely discordant comsutations involving the subreme planets ever since the full of 1918 that are destined to be come very much more acute in the carly half of 1920. These will un doubtedly accentuate the world-widd apace ever since the signing of the armstice. And the eastern half of the United States will suffer some weather in the few weaks next fol-lowing the winter solstice on December full moon of January 5. "Soute on of January 5. "Soute of messprint paper con-the storage dense in a popening the hearing. Representative Anthony, of the storage, the Kansas restinction of the great publishing conder expected has the areas the acids on the size would be the acids of the storage dense in the shortage of newsprint paper con-the shortage of newsprint paper of the shortage of newsprint paper of the shortage of newsprint paper of the shortage of newsprint paper con-the shortage, the Kansas intee officials and City Commis-tioners conferred to day on plans ber 22 and more especially after the

State officials and City Commis-sioners conferred to-day on plans for laying thirty-six-inch water mains in State street, to take the place of the plpe lines that will be removed when work is begun on the Soldiers' Memorial bridge, at State streat ber 22 and möre especially after the full moon of January 5. "Such abnormal weather condi-tions as may transpire in the near future will be due to and accounted for by positions and aspects in the mundane configurations as calculatstreet.
