

Select Oklahoma Veteran as Model For Artist

A Choctaw Indian, of Calvin, Okla., who was in that company of United States soldiers which fired the first shots at the Germans, and who was

near the fighting lines when the last gun was heard, has been chosen by Dewaroux, the French artist, as the model for his painting of the true American fighter. The picture is to hang in the French Federal Building at Paris with those of other Allied soldiers. Otis W. Leader trained with the fa-

mous Blue Devils when he first went to France, and was almost continuously under fire while he served overseas. At Chateau Thierry, Metz, St. Mihiel, Verdun and Argonne he made a splendid record of bravery, and was cited for his action at Chateau Thierry when for three days he fought with the infantry after the entire gun

crew with which he was fighting had been killed, and the gun destroyed. At this time he captured two machine guns and 13 prisoners. To-day Leader's body is covered with mustard gas burns for which he still has to have medical treatment. Use McNell's Cold Tablets. — Adv.

CHARGES OF FLIRTING GO TO SUPREME COURT Boston—A town quarrel which grew out of the recent discharge of Miss Ellen M. Duffy as a teacher in the high school in Hopkinton on charges of flirting, was brought to the Supreme Court to-day in the form of a writ of mandamus, by which she seeks to compel the school committee to restore her. Miss Duffy, in her petition says she received no notice that charges had been made against her. The court will hear the case Friday. The teacher's dismissal was followed by a strike of pupils and other incidents, because of which warrants

were issued for the arrest of seven persons, including a school committee man and the superintendent of schools, on charges of disturbance brought under the "antianarchy" act of this year. It was charged Miss Duffy waived her hand from a school window to the conductor of a passing trolley

car, and had made insulting remarks to a pupil about his mother.
