### Prof. Davis Promoted to Superintendency of the Borough Schools

Professor Charles S. Davis, connected with the borough schools for thirty-six years, and principal of the High school for thirty-one years, to-day assumed his duties as superintendent of the borough schools, succeeding the late Prof. L. E. McGinnes, having been elected by the school board in special session late yesterday afternoon. It is understood that there were several other applicants for the position, but directors would not comment on the matter. A vacancy now existing in the faculty, that of principal of the High school, will be filled at a meeting of the board in the near future, a director said this morning. It is said several applications for this post have been received. Professor Davis has been acting superintendent for some time. He is prominent in the Pennsylvania State Educational Association and was one of the promoters and organizers of the State High School Athletic Association.

### High Pupils Anxious to Witness Opening Contest

Steelton High school pupils are looking forward with much interest to the opening game of the season this evening, Myerstown High being the attraction. On account of the death of Professor L. E. McGinnes, the team was unable to open its cage season last Friday night, as scheduled. The game with Millersville State Normal school had to be cancelled. The first game of the season will be played to-night on the home floor, when the Steelton High school quintet will meet the Myerstown High School five. The boys have been put through a hard practice for the opening contest and are fast rounding into form under the direction of Coach Reagan. A large crowd of spectators is expected at the initial game, which with the team Steelton has on the floor the Myerstowners will have to play real basketball in order to take home the bacon.

### To Increase Post Office Force to Handle Mail

Because of the unprecedented Christmas mail, Postmaster M. M. Cusack announced this morning that five extra employes would be put into service next week to assist in handling the mails. In addition, one truck will be added to the transportation equipment. The postmaster said this morning that in other years the mail was not heavy, except a few days before Christmas. The local force has been working hard during the past week and is unable to catch up in the work.

### LUTHERAN SUNDAY SCHOOL ELECTS OFFICERS FOR YEAR

### Steelton News Notes

**To Elect Directors.**—Twelve directors of the Steel Workers' Relief Association, which becomes operative January 1 will be chosen at a meeting in the Pennsylvania State Educational Association and was one of the promoters and organizers of the State High School Athletic Association.

**Men's Club.**—A permanent organization of Trinity Men's Club with 14 charter members was formed last night at a meeting in Trinity Parish house. Officers elected are: H. A. Feothorap, president; George Comstock, vice-president; Fred Wigfield, secretary; W. E. Chick, treasurer.

**St. John's Notes.**—The church choir last night gave a banquet in honor of Earl Thomas, a member of the choir for some time, who is moving his family to Wilkes-Barre. About thirty members were present. Russell Rupp was toastmaster. About forty persons last night attended a social held at the home of Mrs. William Dehner, Spruce street, by the Intermediate Christian Endeavor Society.

### Few Building Permits Are Issued During Past Year

Building operations in the borough during the past year were of little importance according to the permits issued for the last 12 months. Because of the scarcity of material and the shortage of labor, it is believed all operations were held up. About the largest operation this year was the erection of four houses.

## G. W. Spahr Nominated "Official Tourist" by Elliott-Fisher Sales Staff

Returning from a five weeks' tour of the Elliott-Fisher Company Pacific district sales and service branches to-day, Sales Manager G. W. Spahr was surprised by the members of his staff, who voted him the "Official Tourist" of the company and presented him with a certificate to that effect.

The hand-painted "parchment" given to him contains along the inside

border the seals of the states and provinces through which Mr. Spahr traveled, together with sixteen cartoons. The certificate was painted in water colors by V. K. Newswanger, the company's cartoonist.

## Whoever gets one of these gets 100% pure phonograph satisfaction

There are many ways to test a phonograph before you buy. The choice is now distinct—NEW or OLD.

You CAN find out just how the Brunswick differs from the phonographs of a few years ago.

You CAN find out whether the tone of the Brunswick is superior—on ANY record; whether or not it makes any good records BETTER.

BEFORE YOU BUY any phonograph, find out the shape of the

"tone chamber" or horn. What is it made of—cast iron, tin or wood? Which do you think is best?

FIND OUT HOW MANY RECORDS are available for the one you want to buy. Remember you buy a phonograph, not to look at, not on account of its name, but TO PLAY. See if your favorite selection is in the catalog, played or sung just the way you like it. Ask the salesman to play YOUR favorite record—one that you are familiar with and can judge.
