Lewis Confirms Date For Miners' Convention

Indianapolis, Dec. 19. — John L. Lewis, acting president of the United Mine Workers of America, has confirmed the announcement made in

Washington by William Green, secretary-treasurer of the organization, that a general convention of the miners would be held in Columbus, January 5 to 8. Decision to hold the convention at that time, it was said, was left largely to district officials of the organization, and due to the fact that no hall in Indianapolis

large enough to accommodate the more than 2,000 delegates would be available before the latter part of January, arrangements were made to hold the meeting in Columbus. Use McNeil's Cold Tablets. — Adv.
