**Unarmed Watchman With** Four Bullets in His Body **Forces Gunmen to Flee** 

### By Associated Press

Cambridge, Mass., Dec. 26.—The plucky fight of Daniel Whitlock, an unarmed watchman at the plant of the National Biscuit Company, forced three gumen to flee after they had shot him four times late last night. In their restruct the hurthey had shot him four times late last night. In their retreat the bur-giars left behind \$7,000 in a safe and their kit of tools. The tools were found scattered outside the factory. Whitlock with a bullet wound over the left eye, two shots in the right arm and one in the left leg, col-lapsed after he had routed the gun-men. It was early to-day before he recovered sufficiently to give the alarm by telephone.

ROBBERS GET \$10,000 By Associated Press

By Associated Press Englewood, N. J., Dec. 26.—Rob-bers last night forced a safe in the store of Jacobs Miles here and es-caped with Liberty Bonds and War Savings certificates valued at \$10,-000.

ding payrolls, J. T. Fletcher, freight agent at the Port Morris Transfer Station, of the Lackawanna aRilroad, was held under \$5,000 bail to-day pending a hearing at Newark Tuesday. The amount involved was not disclosed. Fletcher had been employed as agent 15 years. BLOOD DISCLOSES TRAGEDY

Egg Harbor, N. J. - Louis Deininger, of Philadelphia, was killed by a train here last night. Blood discovered on the pilot of the locomotive when the train reached Philadelphia gave the first indimation of the action. Telegraphic inquiries along the line resulted in the finding of the body near the station here.

"CHAPPIE" MORAN SURRENDERS

Indianapolis. - Charles "Chappy" Moran, known country as a day surrendered himself to Federal authorities and pleadd guilty to complicity in the Muncie fraud case. Sentence was deferred and he was remanded to jail.

Many Stolen Cars Recovered, E. M. White's Records Show

Forty-five per cent. fewer arrests by the Harrisburg police department during the first 51 weeks of 1919 than during a similar period in 1918, furnishes additional data to those who argue that the world is growing better. During the same time 24 per cent, less property was reported stol-en in the city. Anchor in New York Harbor; Ruling Made by Inter-

en in the city. The total number of arrests in 1919, in fact, is less than the number of disorderly practice arrests during the pieceding year, according to records filed at Harrisburg police headquart-ers. Until midnight of December 22. inclusive, the city police department made but 1.235 arrests as compared to 2.206 during the similar period of 1918. Of this latter number, 1.368 ar-rests were disorderly practice. Property stolen during these 51 Washington, Dec. 26 .- By the diection of the President the former German passenger ships, of the Imperator group, now in New York harbor, are to be delivered to Great Britain, the Shipping Board an-

Payne, chairman of the Shipping Baard, says: "I am directed by the President to comply with the request contained in your letter transmitted to me this day from the White House and to advise you that the seven ex-German ships to wit: Graf Waldersee, Zeppe-lin, Pretori, Cap Finistere, Mobile, Prinz Friederich Wilhelm and Kai-harbor of New York will be deliver-do the representative of Great Britain as soon as the proper person is designated to receive the same." Delivery of the ships to Great Bri-tain was delayed as the Shipping Board wished to obtain the use of the American owned oil tankers for-merly under the German and proposal was made by Chairman Payne that each country be permit-ted to use the vessels desired pend-ing a -final determination of their No action has been taken so far on this proposal and the transfer

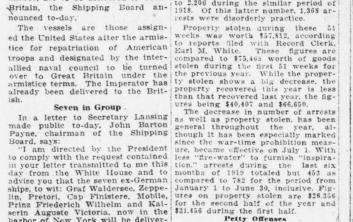

the American owned oil tankers for-merly under the German Sarter of traffic ordinance; 55 for proposal was made by Chairman Payne that each country be permit-ted to use the vessels desired pend-ing a cfinal determination of their ownership. No action has been taken so far of the former German ships to Great Britani is made without any ex-planation other than that it was done by direction of the President. Action Follows Report The President's action, it was said

done by direction of the President. Action Follows Report The President's action, it was said at the State Department, followed a report from Great Britain that the ships be surrendered under the orig-imal allocation of the Inter-Allied Shipping Commission, which ar-ranged to get the vessels out of Ger-man harbors following the armistice. On investigation, it was added, the department had found that the United States had no right to retain the ships beyond the period of their service in bringing back American
