TREATY MAY GO INTO EFFECT BY JANUARY THIRD

Hopes Again Raised in Supreme Council For Early Exchange of Ratifications

GERMANS READY TO SIGN Will Ratify Protocol Without Waiting For Verification of Tonnage Asked

Paris, Dec. 30.—Hopes have again been raised in Supreme Council circles of an early exchange of ratifications of the Treaty of Versailles.

This prospect springs from the conversation held yesterday between Paul Dutasta, general secretary of the Peace Conference, and Baron Kurt Von Lersner, head of the German mission here.

It is explained that the Supreme Council will satisfy Germany's demand for a more specific declaration on the reduction of the tonnage asked for, through affixing to the protocol the text of M. Dutasta's verbal declaration to Baron Von Lersner on the subject.
